The Voice of the Seven Thunders George Kevyn Weber,2014-07-18 There is no time for the people of the world to waste to decide to change their ways and their ways of living The world is in a crisis that it has not been in before Actually the world has been in countless crises in the past before disaster calamity or catastrophe struck the people of the earth We are not talking of crises of natural disasters calamities or catastrophes that have hit the earth we are talking about man made man engineered and man designed disasters calamities and catastrophes that have hit the world from time to time History is full of them and apart from those natural disasters caused by God or the Devil themselves the rest were caused by man themselves Now this revelation is not about the natural but about the spiritual Power mad dictators rulers and potentates the world over are normally the cause of these disasters calamities and catastrophes and nature has little to do with them although they did affect nature in some way or another Small and great Wars were started by whosoever caused them without any due regard of men s lives and the resultant horrors hardships and horrendous pain lived on in the hearts and lives of the people that survived No one can add these things up nor can they count the cost in human suffering misery and pain nor the cost of men s souls lost all for the sake of man s vanity The current synopsis is catchy and intriguing This synopsis is well written and it will entice readers into picking this book up and reading it Cynthia Sherman Writer s Literary Publishing Services Critique Division

The Image of the Invisible Connie J. Cartisano,2011-03-14 Lucifer had it allbrains beauty position What the hell happened For that matter what did the angels think their king was doing when he created the heavens and the earth Putting

together a new kind of being that's what. In a unique living exhibit a three dimensional universe of time and space. And that's where the trouble began. Had the king left well enough alone as Lucifer was fond of saying things might have turned out differently. But then the king of heaven was never one for leaving things alone. The Image of the Invisible opens as the king prepares to unveil his new creation in the Museum of Natural History. As First Thinker Lucifer alone foresees danger to the realm if the king succeeds in bringing the inferior specimens out of the museum. Why is the king so besotted so reckless. Worse the king repeatedly ignores kingdom principles in dealing with these creatures. Is he still fit to reign. As Lucifer's doubt escalates he dreams of a terrifying and cunning alter ego the Satan who conspires to take over the king's city. Torn between his devotion to the king and his concern for the city Lucifer must choose. Can he make the ultimate sacrifice to save the kingdom he loves.

In the Eye of the Storm, *Human Worth in Comparing Secular and Christian Perspectives* Monica Thiel, 2024-09-23 This book integrates secular literature such as psychology sociology management and organization studies with Christian and spiritual biblical literature. This book explores the importance of human worth in our personal and professional lives through an interdisciplinary approach that integrates human and societal worth with Christian and spiritual worth. Moreover the book highlights values that receive little or no attention in secular literature. Overall this book shows readers how human worth is often manipulated and undermined within societal worth in contrast to Christian worth with implications for cultivating leadership and education. This book focuses more on the biblical texts rather than the theological differences. In addition this book situates itself on common biblical interests across Christian church denominations worldwide rather than exploring more on the secular cultural differences. This book positions itself from a non denominational and Western perspective with a focus on biblical texts theology and secular literature. Readers that would be interested in this book are scholars and students in religion ethics and spirituality.

Tears of the Father Terri Meidinger, 2011-01-12 An ordinary Christian family suffers the loss of a loved one. Haunting demonic spirits torture the family in different ways in order to bring these vessels of clay to a state of brokenness and shame. Finding themselves in bondage with their different means of comfort this family of four faces the ultimate challenge of testing God and his love for them. Satan and his legions of fallen angels band together. Leviathan the six headed beast moves subtly in the hearts and minds. Using a unique man with the ability to heal within minutes without any medical attention Satan enters powerfully into the home. All these incidents are based on actual events. The battle is revealed in three dimensions heaven earth and Satan's domain. Heaven where King Jesus resides with his loved ones who have passed on already is seen laughing and crying with the father who is watching his family on the journey through faith. The tears of the Father are shared with the tears of the

father He teaches the great crowd of witnesses lessons of grace as life unfolds because of the choices each one of the family members make
