K. Chiu, 2020-06-02 Promoting All Round Education for Girls presents the history of Heep Yunn School one of the oldest girls schools in Hong Kong Amalgamated from two British mission schools founded in the 1880s for destitute girls and daughters of Christian parents and renamed Heep Yunn School in 1936 the institution has witnessed and responded to the dramatic changes of Hong Kong over the years By the time of the outbreak of the Second World War Heep Yunn had expanded to offer a full Chinese middle school course for girls based upon Christian principles of all round education The school expanded rapidly after the war and became a bilingual institution to meet the demand for English language education Eventually English would become the primary medium of instruction soon after the introduction of nine year universal education in 1978 Heep Yunn strives to provide a full fledged all round education in the midst of political and education reforms The school opted to switch its status from a government aided school to a direct subsidy scheme school in the early 2010s so as to retain a larger degree of autonomy This history of Heep Yunn School documents the concerted efforts of the school council staff students alumnae and parents to achieve the evolving visions of Christian education for girls as Hong Kong grew from a colonial trading port to a global financial centre in the twenty first century Promoting All Round Education for Girls convincingly charts the shifting purposes and practices of girls education in Hong Kong The text moves seamlessly between the history of the school and the wider context of Hong Kong's history Patricia P K Chiu illustrates how the school's educational policy evolved according to the wider strategies and shifts that relate models of femininity and nation building Joyce Goodman University of Winchester This solidly referenced work

provides a balanced and detailed outlook on the unique evolving features of education in Hong Kong It shows the effects on Heep Yunn School of major historical changes in education policy and how the school has contributed to the education of girls in Hong Kong in periods of dramatic challenge like the Sino Japanese War and the disturbances of the late 1960s Ruth Hayhoe University of Toronto **VideoHound's Golden Movie Retriever 1996** VideoHound Editors, Videohound, 1995-09 USA Today gave it a 4 star rating the Houston Chronicle called it by far the best and the New York Times says the Hound takes the lead in a blaze of supplemental lists The new 1996 edition of America s favorite guide to movies on video offers over 22 000 video reviews including 1 000 new reviews Billboard ,1959-01-19 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **African Americans on the Great Plains** Bruce A. Glasrud, 2009-01-01 Until recently histories of the American West gave little evidence of the presence let alone importance of African Americans in the unfolding of the western frontier There might have been a mention of Estevan slavery or the Dred Scott decision but the rich and varied experience of African Americans on the Great Plains went largely unnoted This book the first of its kind supplies that critical missing chapter in American history **Billboard** ,1963-10-19 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Musical Observer* ,1922 The Publishers Weekly ,1880
