Reinisch, 1990      **Human Sexuality** Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994

The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists      **The Kinsey Institute** Judith A. Allen, Hallimeda E. Allinson, Andrew Clark-Huckstep, Brandon J. Hill, Stephanie A. Sanders, Liana Zhou, 2017-09-01 An in depth history of Alfred Kinsey s groundbreaking Institute for Sex Research and the cultural awakening it inspired in America it has no rival Angus McLaren While teaching a course on Marriage and Family at Indiana University biologist Alfred Kinsey noticed a surprising dearth of scientific literature on human sexuality He immediately began conducting his own research into this important yet neglected field of inquiry and in 1947 founded the Institute for Sex Research as a firewall against those who opposed his work on moral grounds His frank and dispassionate research shocked America with the hidden truths of our own sex lives and his two groundbreaking reports Sexual Behavior in the Human Male 1948 and Sexual Behavior in the Human Female 1953 both became New York Times bestsellers In The Kinsey Institute The First Seventy Years Judith A Allen and her coauthors provide an in depth history of Kinsey s groundbreaking work and explore how the Institute has continued to make an impact on our culture Covering the early years of the Institute through the Sexual Revolution into the AIDS pandemic of the Reagan era and on into the internet hook up culture of today the book illuminates the Institute s enduring importance to society      **The Concise Corsini Encyclopedia of Psychology and Behavioral Science** W. Edward Craighead, Charles B. Nemeroff, 2004-04-19 Edited by high caliber experts and contributed to by quality researchers and practitioners in psychology and related fields Includes over 500 topical entries Each entry features suggested readings and extensive cross referencing Accessible to students and general readers Edited by two outstanding scholars and clinicians      **Bisexual Perspectives on the Life and Work of Alfred C. Kinsey** Ron Suresha, 2016-02-22 The books commonly known as the Kinsey Report were Dr Alfred C Kinsey s monumental scientific publishing achievement in 1948 often compared to the atomic bomb for its impact on the American public On the sexagennial anniversary of the publication of Sexual Behavior in the Human Male this book focuses on Alfred C Kinsey s work and life

Sixteen chapters consider the Kinsey legacy tracing the development of modern American bisexuality and posing an intriguing and illuminating look at many aspects of bisexuality in Kinsey's life as depicted and lived in popular biographical culture and media. Contributors to this stellar collection of outstanding writing include the final surviving member of Kinsey's original research team Dr Paul H Gebhard PhD as well as leading names in the fields of sex research GLBTIQA activism and bisexual writing. This book was published as a special issue of the Journal of Bisexuality and was a Finalist for the Lambda Literary Award for Excellence in Bisexual Literature. *Encyclopedia of Sexual Behavior and the Law* Robert L.

Maddex, 2006-09-21 Whether the issue is sexual predators, abortion, same sex marriage, sexual harassment or internet pornography, stories relating to sexual matters regularly make headlines in the news and provoke strong emotions. But until now, researchers looking for policy information on these issues have been limited to reading books that often express particular points of view or to searching multi-volume professional legal resources. *Encyclopedia of Sexual Behavior and the Law* is a single comprehensive volume written specifically for the non-lawyer that addresses sexual policy in the United States as shaped by federal laws, state laws and court cases. This unique new resource provides balanced, reliable treatment to some of the most important, highly publicized topics in society today. In approximately 150 encyclopedic entries, *Encyclopedia of Sexual Behavior and the Law* addresses broad policy areas including entertainment industry regulations, laws for teenagers as both victims and perpetrators and the legal aspects of marriage. Significant laws including the Child Online Protection Act, Megan's Law and rape shield laws, medical and health policies and issues including DNA evidence, stem cell research and genetic information, the role of government agencies and institutions including the Food and Drug Administration and the FBI's Crimes against Children unit. *Encyclopedia of Sexual Behavior and the Law* also covers significant court cases, private organizations and institutions, significant people and many more relevant subjects. This new volume will serve as a useful guide to this complicated subject for researchers in university, community college, high school and public libraries. *Strangers to the Law* Lisa Melinda Keen, Suzanne Beth Goldberg, 2023-06-20 In 1992 the voters of Colorado passed a ballot initiative amending the state constitution to prevent the state or any local government from adopting any law or policy that protected a person with a homosexual, lesbian or bisexual orientation from discrimination. This amendment was immediately challenged in the courts as a denial of equal protection of the laws under the United States Constitution. This litigation ultimately led to a landmark decision by the United States Supreme Court invalidating the Colorado ballot initiative. Suzanne Goldberg, an attorney involved in the case from the beginning on behalf of the Lambda Legal Defense and Education Fund, and Lisa Keen, a journalist who covered the initiative campaign and litigation, tell the story of this case, providing an inside view of this complex and important litigation. Starting with the background of the initiative, the authors tell us about the debates over strategy, the court proceedings and the impact of each stage of the litigation on the parties involved. The authors explore the meaning of legal protection for gay people and the arguments for and against the

Colorado initiative This book is essential reading for anyone interested in the development of civil rights protections for gay people and the evolution of what it means to be gay in contemporary American society and politics In addition it is a rich story well told and will be of interest to the general reader and scholars working on issues of civil rights majority minority relations and the meaning of equal rights in a democratic society Suzanne Goldberg is an attorney with the Lambda Legal Defense and Education Fund Lisa Keen is Senior Editor at the Washington Blade newspaper

### **Sexuality and the Sacred**

James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully

**Sexidemic** Lawrence R. Samuel, 2013-02-07 Sexidemic is the first real cultural history of sexuality in the United States since the end of World War II For a people who supposedly love sex the author argues Americans have had no shortage of problems with it Since the end of World War II in fact we've had a contentious relationship with sexuality the subject a source of considerable tension and controversy on both an individual and societal level Rather than being a simple pleasure of life something to be enjoyed sex has served as a challenging and disruptive force in many Americans everyday lives for the last two thirds of a century Our love affair with sex has thus been a rocky one filled with bumps in the road that have caused major instability across our cultural landscape Our individualistic competitive consumerist and anxious national character is both reflected in and reinforced by this sexidemic something few have recognized or perhaps want to admit By charting the cultural trajectory of sex in America since the end of World War II Sexidemic reveals how the nation's continual woes with sexuality helped make us an anxious insecure people The sex lives of many perhaps most Americans have been in a perpetual state of crisis a constant source of concern We've fretted over every dimension of it with problems in both quality and quantity With this unhealthy view of sexuality it was not surprising that we felt we needed a variety of potions and gadgets to make it happen or be pleasurable In tracing the cultural trajectory of sex in our society Samuel illustrates our bipolar approach to sexuality low libido and sex addiction emerged as common disorders and sex scandal after sex scandal has made headlines especially over the last couple of years Only money has surpassed sex as a source of stress for Americans indeed sex has come to be seen and treated as a commodity In this timely work the author traces the role sex plays in our society how it shapes us and the world around us and how we got where we are today in our views treatment and practice of sex and sexuality in our everyday lives

*Kinky History* Esmé Louise James, 2024-06-18 A provocative journey through human sexual history packed with fun factoids and forgotten stories from the historian and storyteller behind Kinky History esme louisee on TikTok Contrary to popular belief our predecessors had all sorts of obscene hobbies long before Christian Grey hit the scene In this enlightening romp learn about the first instances of homosexuality on

record from the ancient world and the diverse history of nonbinary gender encounter a thousand years worth of hilarious and horrifying contraceptive methods consider the positive and negative effects of the widespread availability of pornography in the digital age and how our relationship to it changed during the pandemic take a sneaky riffle through centuries of bedside drawers and discover the dirty little secrets of luminaries such as Julius Caesar James Joyce Albert Einstein and Virginia Woolf Esm Louise James also identifies the key tipping points that directly inform current beliefs around sex to place the past in conversation with the present By educating ourselves about the weird wonderful and varied spectrum of human sexuality and experience we can normalize and destigmatize sex write people of marginalized sexual identities back into the pages of history and build toward a more liberated future **American Women of Science since 1900** Tiffany K.

Wayne,2010-10-11 A comprehensive examination of American women scientists across the sciences throughout the 20th century providing a rich historical context for understanding their achievements and the way they changed the practice of science Much more than a Who's Who this exhaustive two volume encyclopedia examines the significant achievements of 20th century American women across the sciences in light of the historical and cultural factors that affected their education employment and research opportunities With coverage that includes a number of scientists working today the encyclopedia shows just how much the sciences have evolved as a professional option for women from the dawn of the 20th century to the present **American Women of Science since 1900** focuses on 500 of the 20th century's most notable American women scientists many overlooked undervalued or simply not well known In addition it offers individual features on 50 different scientific disciplines Women in Astronomy etc as well as essays on balancing career and family girls and science education and other sociocultural topics Readers will encounter some extraordinary scientific minds at work getting a sense of the obstacles they faced as the scientific community faced the questions of feminism and gender confronting the nation as a whole **Annual Review of Nursing Research, Volume 16, 1998** Joyce J. Fitzpatrick, PhD, MBA, RN, FAAN,1998-05-15 Now in its second decade of publication this landmark series draws together and critically reviews all the existing research in specific areas of nursing practice nursing care delivery nursing education and the professional aspects of nursing Volume 16 focuses on health promotion across the lifespan and includes chapters by Nola Pender Barbara Given and Susan Heidrich

*Erection* David Thomas,2018-08-30 For decades news outlets have described sexual misconduct by prominent men ranging from indecent exposure and molestation to spousal abuse rape and murder And while social movements have empowered women to add their stories to these headlines so much inappropriate sexual behavior happens below the radar and is treated as natural normal or is excused because boys will be boys or worse she asked for it In *Erection* author David Thomas narrates his young repressed childhood and the pattern of thinking with his crotch that haunted his life After growing up trying to sexually escalate every interaction with a woman David finds himself the teenage husband in a shotgun marriage that would last twelve years and produce two daughters he adores and abandons Then divorcing his first wife for a

trophy wife and a decade of sexual pleasure David's life would spiral into addiction and pain that wounded everyone the marriages touched It would be only after his second divorce crippled his son when David would discover the right role for passionate sex in an intimate relationship *Erection* is a story of the human damage ordinary men create when they follow their hormones and their culture's permission to pursue aggressive sexual activity unreflectively and to avoid at all costs reflecting on and communicating about their sexuality Blueink a mature reflective delight to read Thomas writes in spare organic prose The title of this book has shock value but it's inaccurate *Erection A Memoir* isn't about a body part Rather it's the story of a whole man who was very much a product of his time With self criticism and compassion offered in equal measures the narrative provides a thoughtful and compelling reading journey Kirkus A frank exploration of men's sexuality Thomas writes clearly and precisely More nuanced and broader in scope than its provocative title suggests The title moves beyond the obvious phallic reference to include a construction metaphor that is the building of a satisfying career personal life and physical home The book addresses a wide array of topics including the pressures and temptations of academia the exhilaration and trappings of social mobility and the tragedy of substance abuse The thoughtful introduction and epilogue situates his story amid current debates about appropriate male behavior via the Me Too Movement and a whole myriad of contentious cultural issues surrounding sex Foreword a thorough humane approach to human sexuality seen through one man's experiences encourages men to talk about their sexuality take responsibility for their choices and quit making decisions based on sex and self Refreshingly *Erection* focuses on how men can empower and dignify their sexual needs without preying on women many smart succinct insights about how young people develop their sexual beliefs complex and moving Chapters are tight and well structured The personal story unspools effortlessly and Thomas voice is clear and strong

**Sex Research and Sex Therapy** Ross Morrow, 2013-06-17 Exploring the theoretical conceptual and historical issues surrounding the topic of sex research and sex therapy this book examines the influential scientific sex research completed by Masters and Johnson and its implications for sex therapy and the study of human sexuality **The Politics Of Lust** John Ince, 2010-09-09 An attorney erotic arts activist and sexual theorist argues that the American culture's much touted sexual hedonism is in fact mere bravado Ince shows that though 30 years have elapsed since the sexual revolution negative attitudes are still prevalent toward nudity masturbation homosexuality and many other sexual subjects *Exploring the Dimensions of Human Sexuality* Jerrold S. Greenberg, Clint E. Bruess, Sara B. Oswalt, 2014 **Menstrual Health in Women's Lives** Alice J. Dan, Linda L. Lewis, 1992 *Frau Psychologie*
