The Knotty Pine Rated R:

The Knotty Pine Paul Barton, 2004-07-01 This is a new novel by one of America's fresh young writers. The novel chronicles 48 hours in the life of Johnny West. We ride along with a man who has lost control of his life turned to alcohol for answers and in the process realizes he can't trust anyone. His wife left and took their two kids; he was fired from his once lucrative job and now finds himself working for someone he has never met doing jobs he's not qualified to perform. Johnny finds himself trapped in a world where he is continually risking his life in an attempt to win back his ex-wife's trust. The result is a comedy of errors that leaves you thirsting for more. The novel is set in the city that raised the author, Evansville, Indiana. *Catalogue* Montgomery Ward, 1941 **Federal Register**, 1951-06 *Dreamlighters* Arthur C. Jett, 2015-10-23 This is a story of a boy and his dragon adventures. A story of the dragon king with earthly bounds and celestial adventures. Dreams do come true.

The Leaving Season Kelly McMasters, 2023-05-09 One of the most beautifully written books I've ever read Kelly McMasters is a literary giant Zibby Owens Good Morning America A memoir in intimate essays navigating marriage and motherhood art and ambition grief and nostalgia and the elusive concept of home Kelly McMasters found herself in her midthirties living her fantasy she'd moved with her husband a painter from New York City to rural Pennsylvania where their children roamed idyllic acres in rainboots and diapers The pastoral landscape and the bookshop they opened were restorative at first for her and her marriage But soon she was quietly plotting her escape In *The Leaving Season* McMasters chronicles the heady rush of falling in love and carving out a life in the city the slow dissolution of her relationship in an isolated farmhouse and the complexities of making a new home for herself and her children as a single parent She delves into the tricky and often devastating balance between seeing and being seen loss and longing desire and doubt and the paradox of leaving what you love in order to survive Whether considering masculinity in the countryside through the life of a freemartin calf the vulnerability of new motherhood in the wake of a car crash or the power of community pulsing through an independent bookshop *The Leaving Season* finds in every ending a new beginning
