Kodansha Kanji Learner's Dictionary Jack Halpern,2012 The Kodansha Kanji Learner's Dictionary answers the urgent need
for an easy to use kanji dictionary compact enough to be easily carried around yet detailed enough to satisfy the practical
needs of the beginning and intermediate learner Its basic goal is to give the learner a thorough understanding of kanji by
providing instant access to a wealth of useful information on the meanings readings and compounds Normally the learner
must memorize numerous compounds as unrelated units A unique feature of this dictionary that overcomes this difficulty is
the core meaning a concise keyword that defines the dominant sense of each character followed by detailed character
meanings and numerous compounds that clearly show how thousands of building blocks are combined to form countless
compound words Another unique feature is the System of Kanji Indexing by Patterns SKIP an indexing system that enables
the user to locate characters as quickly and as accurately as in alphabetical dictionaries Modern linguistic theory has been
effectively integrated with sophisticated information technology to produce the most useful kanji learner's dictionary ever
compiled For the first time learners have at their fingertips a wealth of information that is linguistically accurate easy to use
and carefully adapted to their practical needs FEATURES o 2 230 entry characters including all the kanji in the Joyo and
Jinmei Kanji lists o 41 000 senses for 31 300 words and word elements show how each character contributes to the meanings
of compounds o 1 200 homophones with core meanings explain differences between closely related characters o 386 variant
forms used in prewar literature and in names o 1 945 stroke order diagrams show you how to write each kanji stroke by
stroke o 7 200 character readings including name readings o Over 2 000 cross references and five appendixes give instant
access to a mass of useful reference data **Kodansha's Communicative Dictionary** Kodansha Ltd. Staff,1995-05-01

Kodansha's Essential Kanji Dictionary Kodansha International,2012-02-21 Whether full time students business people
or casual readers all have felt the need for a compact up to date practical kanji dictionary Something that would fit into a
shoulder bag or briefcase could be taken to class or would sit unobtrusively on a desktop Kodansha's Essential Kanji
Dictionary is precisely that dictionary designed specifically to meet the needs of the modern man and woman It includes all of
the 1 945 Joyo Kanji the core kanji recommended by the Japanese Ministry of Education for use in Japanese newspapers and
magazines Knowing these kanji the student can recognize virtually every Chinese character appearing in the daily press And
that is not all This dictionary also features some 18 000 kanji compounds both those with Chinese readings on yomi and those

with Japanese readings kun yomi These compounds have been carefully selected for practicality usefulness and timeliness The living language has received exclusive priority including such words as favoritism and statute of limitations For those interested in securities stocks and bonds and the diverse terminology of the business world related terms and jargon are clearly marked for easy reference Simply open the book and look for the Yen sign There you will find current price aggregate market value issue at market price and a great deal more For those who want to write kanji the stroke order of each and every character has been duly noted But more important the Essential Kanji Dictionary does its utmost to help the reader locate the needed character Aside from the traditional radical chart on the back endpaper there are three invaluable indices as well The first is by the reading of the kanji either Japanese kun or Chinese on The second is by radical but not by traditional radical alone Also included are variants and near misses directing the reader precisely to the right page The third is by stroke number if all else fails count the strokes and track the character down With a copy of Kodansha's Essential Kanji Dictionary close at hand with its definitions stroke order Chinese compounds Japanese compounds business terminology and three helpful indices the life of the typical student of Japanese should take a decided turn for the better
