*Keepers of the Sanctuary* Osafo Kofi Asante, 2015-11-18 The Monkey Sanctuary of Boabeng Fiema was the last place students from Kyerewaa Memorial would choose for an excursion The quest to experience wildlife in its natural habitat would however be enough persuasion for a teacher to get six of her class to follow her to the sanctuary They made their journey to Boabeng Fiema from where they secured the services of a tour guide who led them into the sanctuary Their expectation of a beautiful academic excursion was crudely cut short when loud drumming and chants pierced the silence that was characteristic of the sanctuary These loud noises were the result of

very unnatural and barbaric rituals that targeted monkeys for sacrifices Unsettled by this the monkeys would respond with a self defense stance to prevent more deaths Caught in the midst of this ensuing scuffle Miss Brefi and her students are presented with a whole new experience that was unexpected and very unacademic Miss Brefi and her students must now find their way out of the forest and out of harms way With their tour guide dead they must work together to outwit the monkeys who were now on a rampage to kill anything human *The Legacy* Trudie-Pearl Sturgess,2022-08-17 Jaden Brendan Knight joined the National Democratic Party at the age of twenty seven He excelled very rapidly within the NDP On his thirtieth birthday Jaden was elected party leader and overthrew the government by exposing the leader s corruption and dictatorship Four years later Jaden was elected the President of Ghana Jayzel Carter is now twenty six years old she has been on the silver screen since she was six months old Sensuous beautiful and generous to a fault Jayzel s great grandfather is the Ashante king Jayzel and Jaden will meet at a charity event and they will fall passionately in love How will the king and the Ashante kingdom react to their union especially when Jaden have shared blood to gain power in his kingdom Family Stampede William Kwami Kortse,2025-08-12 Atop the sacred hill of Bansoa where kings of Aserewa had been buried for generations drums beat low and slow The final funeral rites of Nana Osei Kwabena Ankobia the last crowned king of the Ankobia dynasty was beginning with unease and forced silence These rites had been delayed for several full moons but are finally being performed as custom demands A line of twelve cloaked figures wrapped in royal kente that shimmered with gold thread walked in solemn procession They moved as one like shadows of a fallen tree heavy with roots They were the last of the royal bloodline **The White Family** Maggie Gee,2022-03-03 Alfred White a London park keeper rules his home with a mixture of rigidity and tenderness that has estranged his three children For years Alfred s daughter Shirley and her black partner Elroy have avoided her comically ignorant younger brother Dirk who admires his father and hates people of colour But family ties are strong when Alfred collapses on duty one day all the children rush to be with him The scene is set for bloodshed forcing Alfred to make a climactic choice between justice and kinship Exploring the roots of racism in British society *The White Family* traces what happens when a family reaches breaking point after years of love and hate violence and polite silence This twentieth anniversary edition includes an introduction by Bernardine Evaristo and a note from the author revealing the story behind this contemporary classic **SHORTLISTED FOR THE ORANGE PRIZE FOR FICTION AND THE INTERNATIONAL IMPAC DUBLIN LITERARY AWARD** In this ground breaking new novel Maggie Gee bravely and uniquely explores the nuances of racism from the perspective of the perpetrators within the context of family relationships The resulting work is a brilliant depiction of British society at the end of the twentieth century Bernardine Evaristo author of *Girl Woman Other* Outstanding tender sexy and alarming Jim Crace Courageous honest powerfully real *The Times* Gee is unflinching in her exploration of the causes and consequences of racism *The Observer* *The White Family* points to new directions in British writing Full of power and passion as well as some timely warnings it deserves the widest possible

For fans of *Black Mirror* and *True Detective*, a visceral high concept thriller about a psychologist who must protect the life of an eleven year old girl whose ability to remember past lives makes them both targets of a ruthless assassin. Dr. Matilda Deacon is a psychologist researching how memories are made and stored when she meets a strange eleven year old girl named Ashanique. The girl claims to harbor the memories of the last soldier killed in World War I and Matilda is skeptical. But when Ashanique starts talking about being chased by the Night Doctors, a term also used by an unstable patient who was later found dead, Matilda can't deny that the girl might be telling the truth. Matilda soon learns that Ashanique and her mother have been on the run their whole lives from a monstrous assassin named Rade. Rade is seeking a certain component ingrained solely in memories and has left a bloody trail throughout the world. Matilda realizes that Ashanique is in unimaginable danger and that her unique ability comes with a deadly price. A taut, riveting thriller, a perfect balance of scientific speculation and storytelling. James Rollins, New York Times bestselling author.
