

THE KORNILOV REVOLT

The Kornilov Revolt A Critical Examination Of Sources And Research

Ian F. W. Beckett

The Kornilov Revolt A Critical Examination Of Sources And Research:

The Kornilov Revolt Jorgen Larsen Munck,1987 Kornilov Revolt A Critical Examination of Sources Research **The Kornilov Revolt** Jørgen Larsen Munck,1987 The Kornilov Revolt Jørgen Larsen Munck,1987 **The Russian Revolution** Ronald Kowalski,2005-08-09 The collapse of the Soviet Union in 1991 has provided fresh perspectives from which to view the Revolution out of which it grew The Russian Revolution 1917 1921 by Ronald Kowalski reviews the ever changing debate on the nature of the Russian Revolution This collection of documents and sources includes newspapers memoirs and literature commentary and background information of each source a narrative of the major events of the period new material made available since the policy of glasnost a re examination of World War One and the Revolution focus on thematic issues such as the actions of peasants and workers For students of European history this will provide interesting and informative reading on this major event in Russia s turbulent past **Politics and the Russian Army** Brian D. Taylor,2003-06-09 Military coups have plagued many countries around the world but Russia despite its tumultuous history has not experienced a successful military coup in over two centuries In a series of detailed case studies Brian Taylor explains the political role of the Russian military Drawing on a wealth of new material including archives and interviews Taylor discusses every case of actual or potential military intervention in Russian politics from Peter the Great to Vladimir Putin Taylor analyzes in particular detail the army s behavior during the political revolutions that marked the beginning and end of the twentieth century two periods when the military was uncharacteristically heavily involved in domestic politics He argues that a common thread unites the late Imperial Soviet and post Soviet Russian army an organizational culture that believes that intervention against the country s political leadership whether tsar general secretary or president is fundamentally illegitimate *Michael Rostovtzeff, Historian in Exile* Marinus Antony Wes,1990 Es handelt sich um den ersten Versuch den Standort des fuhrenden Althistorikers Michael Rostovtzeff in den Jahren 1917 1941 anhand bisher unbekannter und unveroffentlichter russischer Archivalien Briefe usw aufzuzeigen Nach einem einleitenden Uberblick uber die russische Welt in den Jahren ca 1855 1915 in der der junge Rostovtzeff 1870 geboren wurde und aufwuchs konzentriert sich die Untersuchung auf drei Themen die Rekonstruktion des russisch amerikanischen Personennetzwerkes zu dem Rostovtzeff gehorte die Frage wie dieses Netzwerk es Rostovtzeff ermöglicht hat fur sich selbst und fur andere Verbannte und Fluchtlinge ein neues Leben in den Vereinigten Staaten aufzubauen die Frage wie die Niederlage der russischen liberal demokratischen Intelligenz in Rostovtzeffs Interpretation der Geschichte Roms ihren Niederschlag gefunden hat Franz Steiner 1990 *Russian Revolution of 1917* Sean N. Kalic,Gates M. Brown,2017-09-21 Combining reference entries and examination of primary documents from the Russian Revolution this book gives students a better understanding of how and why political forces fought to reshape the Russian empire 100 years ago and provides keen insights into the Soviet Union that resulted This invaluable reference guide provides an understanding of the social political and economic forces and

events in Russia that led to the 1905 Russian Revolution in which leftists radicals disposed of the Czar and his regime It addresses key developments such as the formation of the provisional government the Bolshevik Revolution in October 1917 and the Russian Civil War connected evolutionary historical events that fundamentally reshaped Russia into the Soviet Union This book serves students and general readers seeking a single source that provides in depth coverage of the Russian Revolution and the Russian Civil War Beyond the reference entries the book contains primary documents that cover the key events people and issues that emerged during Russia s revolutions and Civil War These documents give readers a more detailed understanding of how the Bolsheviks used calls for greater democracy to gain support for their revolution how the Bolsheviks used terror and control as means to maintain their power once the Bolshevik Revolution took place and why the Bolsheviks believed such extreme measures were needed Also included is a chronology of major events from 1890 through 1923 and a bibliography that serves as a starting point for more directed research

The Russian Baltic Fleet in the Time of War and Revolution, 1914-1918 Stephen C. Ellis, 2020-04-30 The first English language edition A useful read for anyone interested in early 20th century Russia and naval operations in the Great War StrategyPage Rear Admiral S N Timiryov was well placed to make observations on the character of many of the significant commanding officers and also many of the operations of the Baltic Fleet from the beginning of the war in 1914 up to exit from it in 1918 He trained with many of the key figures and shared battle experience with them in the Russo Japanese War of 1904 05 and the siege of Port Arthur and he spent a year in Japan as a prisoner of war with a number of them In his subsequent career in the Navy he had roles which brought him into contact with new recruits as well as with many serving officers and as the Executive Officer on the imperial yacht Shtandart for some years he came into contact with senior members of the navy establishment and of the government including the imperial household The translation of these memoirs brings an important and authoritative historical source to those interested in Russian or naval history who are unable to access them in the original Russian An excellent addition to the historiography of the Imperial Russian Navy during the twilight of its existence A key resource for scholars of the Baltic Fleet and naval aspects of the Russian Revolution The Northern Mariner The coverage of Russian operations command structure dynamics and their impact on operational capability make it worthy of recommendation Australian Naval Institute

The Russian Revolution, 1917 Rex A. Wade, 2017-02-02 This book explores the 1917 Russian Revolution from its February Revolution beginning to the victory of Lenin and the Bolsheviks in October

The Great War Ian F. W. Beckett, 2014-01-14 The course of events of the Great War has been told many times spurred by an endless desire to understand the war to end all wars However this book moves beyond military narrative to offer a much fuller analysis of the conflict s strategic political economic social and cultural impact Starting with the context and origins of the war including assassination misunderstanding and differing national war aims it then covers the treacherous course of the conflict and its social consequences for both soldiers and civilians for science and technology for national politics and for pan European

revolution The war left a long term legacy for victors and vanquished alike It created new frontiers changed the balance of power and influenced the arts national memory and political thought The reach of this account is global showing how a conflict among European powers came to involve their colonial empires and embraced Japan China the Ottoman Empire Latin America and the United States *War and Revolution in Russia, 1914-22* Christopher Read, 2017-07-12 This essential introduction synthesises the wealth of new material available on the Russian Revolution into a clear overview which is ideal for beginners Leading expert Christopher Read treats the period 1914-22 as a whole in order to contextualise and better understand the events of 1917 and their impact

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

Russia Edward Acton, 2014-09-19 This text has established itself as the best general introduction to Russian history providing a forceful and highly readable survey from earliest times to the post Soviet State At the heart of the book is the changing relationship between the State and Russian society at large The second edition has been substantially rewritten and updated and new material and fresh insights from recently accessible research have been incorporated into every chapter

Russia at War Timothy C. Dowling, 2014-12-02 This easy to use reference explores the people and events that shaped Russian military history and impacted Europe Asia and the world over the past eight centuries Russian military history is an often overlooked field Yet Russia is and has long been an important player in global politics and its military exploits have been central to its role on the world stage This study of Russia's military past provides insights into European and U S history including the conduct of the two World Wars and the Cold War and will help readers better appreciate the current geopolitical situation This work covers major events and figures in Russian military history from the end of Mongol domination in the 14th century to the present day More than 650 entries by scores of expert contributors detail events individuals organizations and ideas that have influenced Russian warfare over 800 years Two alphabetically arranged volumes explore such conflicts as the Russo Polish Wars the Great Northern War the Russo Turkish Wars the Napoleonic Wars the Crimean War the Russo Japanese War World War I World War II and the Cold War including the Soviet invasion of Afghanistan Cross references and further readings in each entry serve as jumping off points for further exploration

From Tsar To Soviets Christopher Reed, 2005-11-10 Written from the perspective of the factory worker and

peasant at the ground level this study of Russia during the Revolution 1917 21 aims to shed light on the realities of living through and participating in these tumultuous events The book is intended for undergraduate courses in history Soviet studies and politics **The Cambridge History of Russia: Volume 3, The Twentieth Century** Maureen Perrie, Ronald Grigor Suny, 2006-11-02 A major history of twentieth century Russia by leading scholars in the field *The "Russian" Civil Wars, 1916-1926* Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow Canadian Slavonic Papers ,1990

Historical Dictionary of the Russian Civil Wars, 1916-1926 Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The *Historical Dictionary of the Russian Civil Wars 1916 1926* covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War Research Guide to European Historical Biography, 1450-present: Koh-Pet James A. Moncure, 1992

The Kornilov Revolt A Critical Examination Of Sources And Research Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has been much more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such may be the essence of the book **The Kornilov Revolt A Critical Examination Of Sources And Research**, a literary masterpiece that delves deep into the significance of words and their effect on our lives. Written by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall impact on readers.
