The Kremlin Control:

The Kremlin's Nuclear Sword Steven J. Zaloga, 2014-05-27 The prevailing Western view of Russia's Cold War strategic nuclear weapons policy is that it resulted from a two part interplay between the leaders of the Communist Party and the military Steven J Zaloga has found that a third contributor the Russian defense industry also played a vital role Drawing from elusive Russian source material and interviews with many proud Russian and Ukrainian engineers Zaloga presents a definitive account of Russia's strategic forces who built them and why The book is the first in English to refer to the weapons by their actual Soviet names providing the bedrock for future works Helpful appendices list U S NATO and other designations and the illustrations provide clear visual references

The Kremlin's Noose Amy Knight, 2024-06-06 A Guardian Book of the Day By telling the story of Putin and Berezovsky a sort of modern reincarnation of Stalin and Trotsky Knight shines a penetrating light on post communist Russia In *The Kremlin's Noose* Amy Knight tells the riveting story of Vladimir Putin and the oligarch Boris Berezovsky who forged a relationship in the early years of the Yeltsin era Berezovsky later played a crucial role in Putin's rise to the Russian presidency in March 2000 When Putin began dismantling Boris Yeltsin's democratic reforms Berezovsky came into conflict with the new Russian leader by reproaching him publicly Their relationship quickly disintegrated into a bitter feud played out against the backdrop of billion dollar financial deals Kremlin in fighting and international politics Dubbed the Godfather of the Kremlin by the slain Russian American journalist Paul Klebnikov Berezovsky was a successful businessman and media mogul who had an outsized role in Russia after 1991 Worth a reported 3 billion by 1997 Berezovsky engineered the re election of Yeltsin as president in 1996 and negotiated an end to the 1995-96 Chechen war Despite his own wealth power and influence once he became Putin's enemy Berezovsky was forced into exile in Britain where he waged a determined campaign to topple Putin Kremlin authorities responded with bogus criminal charges and demanded Berezovsky's extradition Death threats soon followed In March 2013 after losing a British court battle with another Russian oligarch Berezovsky was found dead at his ex wife's mansion outside London Whether he died from suicide or murder remains a mystery *The Kremlin's Noose* sheds crucial new light on the Kremlin's volatile politics under Yeltsin and Putin helping us understand why democracy in Russia failed so badly Knight provides a fascinating narrative of Putin's rise to power and his authoritarian rule told through the prism of his relationship with Russia's once most powerful oligarch Boris Berezovsky

Rockin' the Kremlin David Junk, 2024-07-02 Read the true story of Universal Music Russia's first CEO and his quest to bring Western popular music to post Soviet Russia in an account that Publishers Weekly calls an exciting and colorful look at a dynamic period in Russia's cultural history and Library Journal calls an absorbing illustration of the mutuality of music and politics When the Soviet Union collapsed in 1991 Russia opened its borders and Russian audiences were hungry for Western popular music and the values it espoused David Junk was one of the first idealistic young Americans to seize this opportunity *Rockin the Kremlin* is the thrilling true story of how David became the

first CEO of Universal Music Russia and built impactful cultural bridges with music but also how that would all shatter with the rise of Vladimir Putin and invasions of Ukraine There was no proper music industry in the USSR and creating a modern music industry in Russia would be far more challenging than anyone had anticipated David assembled a team of young and talented Russians and they navigated a terrain filled with political chaos organized crime powerful oligarchs bombings and violence with cultural clashes tinting many aspects They captivated millions by bringing superstar acts to Russia for the first time ever including Metallica Mariah Carey Sting Eminem and Enrique Iglesias while developing local talent such as Alsou and t A T u Russia s greatest selling pop act of all time Eventually David would even build a music industry in Ukraine and other countries in Eastern Europe While Russia s descent into authoritarianism and two invasions of Ukraine have tarnished this the industry that David shepherded has birthed a newer generation of Russian musicians who are speaking out against the war and Putin Filled with unique insights as well as gripping and sometimes humorous stories this book reveals how it all happened

The Politics of Sub-National Authoritarianism in Russia Cameron Ross,2016-02-24 By the end of the 2000s Russia had become an increasingly authoritarian state which was characterised by the following features outrageously unfair and fraudulent elections the existence of weak and impotent political parties a heavily censored often self censored media weak rubber stamping legislatures at the national and sub national levels politically subordinated courts the arbitrary use of the economic powers of the state and widespread corruption However this picture would be incomplete without taking into account the sub national dimension of these subversive institutions and practices across the regions of the Russian Federation After the collapse of the Soviet Union sub national political developments in Russia became highly diversified and the political map of Russia s regions became multi faceted The period of 2000s demonstrated a drive on the part of the Kremlin to re centralise politics and governance to the demise of newly emerging democratic institutions at both the national and sub national levels Yet federalism and regionalism remain key elements of the research agenda in Russian politics and the overall political map of Russia s regions is far from being monotonic Rather it is similar to a complex multi piece puzzle which can only be put together through skilful crafting The 12 chapters in this collection are oriented towards the generation of more theoretically and empirically solid inferences and provide critical evaluations of the multiple deficiencies in Russia s sub national authoritarianism including principal agent problems in the relations between the layers of the power vertical unresolved issues of regime legitimacy that have resulted from manipulative electoral practices and the inefficient performance of regional and local governments The volume brings together a team of international experts on Russian regional politics which includes top scholars from Britain Canada Russia and the USA *Assessing Russia's Decline* Olga Oliker,Tanya Charlick-Paley,2002-11-26 What challenges does today s Russia pose for the United States and the U S Air Force If certain economic military social and political negative trends in Russia continue they may create a new set of dangers that might prove more real and therefore more frightening than the far off specter of Russian attack ever was In a

number of scenarios the U S Air Force is certain to be called upon for transportation and perhaps for various military missions in a very demanding environment

After Putin's Russia Stephen K. Wegren, Dale R. Herspring, 2009-08-16 A fifth edition of this book is now available Now in a thoroughly revised expanded and updated edition this classic text provides the most authoritative and current analysis available of contemporary Russia and the challenges facing Vladimir Putin and his successor Dmitri Medvedev Leading scholars offer a full scale reassessment of Putin s leadership exploring Russia s ongoing daunting domestic and international concerns Evaluating the regime s continued efforts to rebuild a country once on the verge of collapse they consider a comprehensive array of economic political and social issues along with Putin himself whose popularity has remained high despite his authoritarian approach The contributors conclude that Putin s influence will continue to be felt for years to come not only because he remains powerful in his new post as prime minister but because he laid the groundwork for dealing with the many problems still confronting Russia Only by understanding these challenges and Putin s previous efforts to deal with them will it be possible to understand the rhetoric and actions of his successor Clearly written and organized this text is an indispensable guide for anyone wanting to understand Russia today Contributions by Gregory Gleason Timothy Heleniak Kathryn Hendley Dale R Herspring Maria Lipman Michael McFaul Nikolai Petrov Thomas F Remington Peter Rutland Richard Sakwa Louise Shelley Darrell Slider Andrei P Tsygankov and Stephen K Wegren

The Authoritarian International Stephen G. F. Hall, 2023-05-25 Stephen Hall argues that democracies can preserve their norms and values from increasing attacks and backsliding by better understanding how authoritarian regimes learn He focuses on the post Soviet region investigating two established authoritarian regimes Belarus and Russia and two hybrid regimes Moldova and Ukraine with the aim of explaining the concept of authoritarian learning and revealing the practices that are developed and the sources of that learning Hall finds clear signs of collaboration between countries in developing best survival practices between authoritarian minded elites and demonstrates that learning does not just occur between states rather it can happen at the intra state level with elites learning lessons from previous regimes in their own countries He highlights the horizontal nature of this learning with authoritarian minded elites developing methods from a range of sources to ascertain the best practices for survival Post Soviet regional organisations are crucial for the development and sharing of these survival practices as they provide learning rooms and training exercises

Politics Russia Catherine Danks, 2014-01-14 Politics Russia provides the most comprehensive accessible and up to date introduction to all aspects of the political development of Russia in the post communist era Writing with the undergraduate student specifically in mind Danks fluent style and masterly grasp of complex material will make this an indispensable guide for many years to come Divided into five sections Politics Russia maps a clear path towards an understanding of Russia and its politics in the twenty first century In Part One the emergence of contemporary Russia is put into context by a consideration of the end of the USSR and the move towards democratization under Gorbachev Part Two provides a clear sighted and stimulating overview of the nature of the executive and the legislature in contemporary Russia Part Three examines civil society the role of the media and the representative process Part Four is focussed on the policy process from foreign and defence policies to the development of domestic social policies from the provision of healthcare to education Part Five the final provides an overall consideration the contemporary state of Russia examining the development from Yeltsin to Putin to Medvedev and considers the possible futures of the region The book is supported by a host of pedagogical features including Annotated further reading lists Definitions of key political terms Short biographies of key figures

Centre-periphery Relations in Russia Geir Honneland, Helge Blakkisrud, 2018-02-06 This title was first published in 2001 This study of centre periphery relations in Russia looks at general developments in law politics and economy as well as resource management and military presence The book is the result of several years of co operation between the Centre for Russian Studies and the Polar Programme

Russian Foreign Policy Jeffrey Mankoff, 2009-04-16 A second edition of this book is now available This thoughtful and balanced text examines the development of Russian foreign policy since the end of the Cold War Presenting an evenhanded treatment of controversial issues Jeffrey Mankoff analyzes Russia's interactions with major global actors including the United States the European Union the Commonwealth of Independent States and China Despite Moscow's often harsh rhetoric and the deployment of Russian forces against Georgia in 2008 the author convincingly demonstrates that today's Russia is more interested in restoring what its leaders consider to be its rightful place among the world's major powers than in directly challenging the West Thoroughly researched and knowledgeable this book will be invaluable for all students of Russia

The Strategic Survey 2022 The International Institute Strategic Studies (IISS), 2022-12-05 Strategic Survey 2022 The Annual Assessment of Geopolitics provides objective in depth analysis of the events that have shaped relations between major powers region by region over the past year and highlights the pressing geopolitical and geo economic challenges that will

shape the international agenda in 2023 It features essays on global issues such as Russia's war in Ukraine the arms race in space and the deepening US China rivalry as well as in depth analysis of the major themes shaping each continent Specially commissioned maps and graphics illustrate major arguments and multi source data illuminates longer term trends in power relations

China and Russia after the Ukrainian War Tilman Pradt, 2025-08-23 This book provides a comprehensive analysis of the status quo of Sino Russian relations against the backdrop of the war in Ukraine The war in Ukraine marks a turning point in international relations Russia has obviously underestimated the united stand of the West following its invasion of Ukraine The international isolation boycott of exports and Western economic sanctions will harm Russia's development in the long term And China Russia's most important political partner is confronted with a dilemma supporting Russia too visibly will further alienate its Western partners On the other hand Russia expects support from its strategic partner in a challenging situation like this Written in an easy and accessible style this book examines how both actors handle this difficult situation and outlines what the future of the China Russia partnership will look like

Russian Government and Politics Eric Shiraev, 2020-10-06 Few countries have been transformed as rapidly and dramatically as Russia since the end of the Communist regime Yet the more that certain things change in Russia the more others remain the same The result is a political and social system of which almost every aspect is a work in progress marked by sudden accelerations slowdowns turnarounds and conundrums This lively and innovative third edition provides a clear and comprehensive picture of Russian politics which does full justice to its changes challenges and paradoxes A distinctive feature throughout is its emphasis on outlining basic facts and developments and setting these in historical contexts before moving on to critical analysis This is the ideal text for upper level undergraduate and postgraduate students studying Russian politics or comparative government and politics more broadly New to this Edition Fully updated to cover the latest developments including 2018's presidential election Two chapters offering expanded coverage of foreign policy which better balances coverage of domestic and international affairs New content on elections presidential power constitutional amendments events in Ukraine political opposition economic and business policies domestic and global challenges facing Russia and Russia's vision of the world Accompanied by a revamped set of online resources such as multiple choice questions and PowerPoint slides

The Kremlin Control Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Kremlin Control has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Kremlin Control has opened up a world of possibilities. Downloading The Kremlin Control provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Kremlin Control has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Kremlin Control. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Kremlin Control. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Kremlin Control, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Kremlin Control has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on

a journey of continuous learning and intellectual growth.
