**Bad Soldier** Chris Ryan, 2016-08-25 first rate set operational pieces Sunday Times A migrant boat battles through the rough Mediterranean Its passengers are desperate starving and scared They are also being ruthlessly targeted by the SAS Islamic State militants are smuggling themselves into Europe using these boats Only by locating such men before they make it into the UK can the Regiment stop them committing their acts of terror on British soil When one of these migrants reveals plans for a sickening Christmas Day atrocity in London SAS operative Danny Black is tasked with infiltrating the most dangerous theatre of war in the world Islamic State heartland There he and his team must lift a brutal IS commander the only man who knows all the details of the London attack The commander surrounds himself with vicious militants and a harem of sex slaves whom he treats in the most sadistic ways imaginable And his jihadi wife is if possible even more abominable than him As Danny pits himself against the violent thugs of the Islamic State he learns that it is not just the UK that is under threat His very presence on the mission has put at risk the safety of those closest to him And he discovers that there are greater forces at work here who do not care if the innocent live or die Now there is nothing Danny will not do no line he will not cross to protect his family Whether that makes him a good soldier or a bad soldier he neither knows nor cares Because as he is fast learning it is sometimes impossible to tell the difference between the two And as every SAS soldier is trained to understand the worst threats often come from the most unexpected places

**The Kremlin's Nuclear Sword** Steven J. **The Kremlin's Confidant** David S Tonge, 2024-07-30 Martin Packard is an extraordinary man who has led an extraordinary life An idealist and a man of liberal instincts his enthusiasms resulted in him having an inside track in several major events of recent decades including the coup and bloody dictatorship in Greece and the unravelling of the Soviet Union Easy going warm and generous with his friendship his life story is a ripping read Peter Murtagh journalist and author of The Rape of Greece Simon Schuster London 1994 His story needed telling Peter Preston editor of The Guardian 1975 1995 This gripping biography is a classic tale of fact being stranger

than fiction Martin Packard was an incurable romantic who thought he could do ethical business in the chaos of Gorbachev's perestroika Russia but was constantly thwarted by more ruthless rivals or incompetent partners He was a Don Quixote of the Cold War His story is a fascinating alternative and very personal view on the confrontations of his times from the cynical US and UK policies towards Greece and Cyprus to the chaotic collapse of the USSR His tale suggests that cock up not conspiracy is usually the most plausible explanation of history Quentin Peel former Moscow Correspondent and Foreign Editor of the Financial Times Wonderful They don't make men like that anymore Helena Smith Correspondent of The Guardian for Greece and Cyprus This biography describes how a British naval officer became a Kremlin favorite and CIA target as Gorbachev's Kremlin decided to open the Soviet economy to the west In 1985 Moscow reached out to Martin Packard a retired British naval commander He was promised unrivalled access to the hidden riches of the Soviet Empire with a cornucopia spread before him as he traveled this long closed land from the Baltic to the Bering Sea A harbinger of the technology and foreign exchange needed to halt the Soviet decline to some Russians he was the most important foreign businessman in the Soviet Union But as the Communist Party imploded this previously undescribed offer turned into a Faustian bargain and his life became a captivating saga of rags to riches to rags This book describes his rise the details of his freelancing for Gorbachev and his fall A former intelligence analyst at the British Mediterranean command in Malta Packard's role as Scarlet Pimpernel of the Greek Colonels saw him forced out of the Royal Navy He then became one of the largest jeans manufacturers in Europe In this capacity the insiders of Gorbachev's perestroika identified him to help them lift the life of the Soviet peoples an unlikely partnership of the Kremlin and a quintessential Briton a scion of Empire Church and Navy but a non conformist in every sense It is a political tale where Packard clashes with the British Foreign Office and the CIA in Cyprus and the Colonels Greece Forced out of the Navy he heads the English Cell of the Greek resistance shipping printing presses passports and petards across Europe to Athens He then becomes an intimate of the wayward but brilliant Dom Mintoff and survives a mysterious poison attempt by Erica at a Moscow airport It is also a deeply human tale of a charismatic figure who rose so high mingled with the mighty of East and West and then lost it all

**The Bleeding Sun** Abhishek Roy, 2015-11-07 Spread across the geographies the imminent danger of the rise of a new world order constantly looms Radical extremists politicians bureaucrats and tycoons together form an unholy alliance constantly disrupting world peace While working on a routine reconnaissance mission agent Lucas uncovers something that is a lot more sinister and which could in turn change the world order With the definition of Allies and Enemies constantly becoming vague and world peace hanging by a line of thread can Lucas prevent the inevitable

Vortex Chris Ryan, 2009-09-15 When Ben Tracey sets out with his cousin to spot hen harriers a protected bird of prey he doesn't expect to stumble upon a secret operation But renegade researchers are using a military base near the birds nest site to develop Project Vortex a project concerned with a top secret utterly illegal and highly lethal weapon As the clock ticks down Ben and Annie are in a race against time to prevent disaster But their enemies are

determined to stop them and they will go to any lengths      *The Kremlin Vs. the People* Robert Magidoff,1953      *White Flag?* Michael Ashcroft, Isabel Oakeshott, 2018-10-02 FOREWORD BY GENERAL SIR MIKE JACKSON After the pain of Iraq and Afghanistan it is hard to imagine the UK being drawn into another war Defence chiefs warn that there is a real prospect of future conflict but they have struggled to persuade most politicians to take them seriously Our leaders have concluded there are no votes in defence and have progressively run down the armed forces Today the army is at its smallest since the Napoleonic Wars the RAF is less than half its size twenty five years ago and the Royal Navy will struggle to muster the ships and weapons required to protect our new aircraft carriers Is there really a risk of war Is our military less capable and if so what could that mean for our future White Flag explains what has happened to our armed forces in recent years and asks whether their decline endangers our safety and prosperity
