General Walker and the Murder of President Kennedy Jeffrey H. Caufield, M.D. ,2015 In General Walker and the Murder of President Kennedy The Extensive New Evidence of a Radical Right Conspiracy author Jeffrey H Caufield explores the forces which led Oswald to be in Dallas that day Dr Caufield applies acquired academic methodology in rigorously researching the story through public records private correspondence and a number of sources not available to the general public until the Freedom of Information Act released them **Murder, an Analysis of Its Forms, Conditions, and**

Causes Gerhard Falk,Clifford Falk,1990 A unique study providing evidence that murder is predictable and the exceptionally high murder rate in the United States is reduceable Part I examines 50 case histories and an analysis of 912 homicides from an original study made in Erie County Buffalo New York Part II discusses multicide serial killers and mass murderers Part III covers assassinations and executions and a final part presents conclusions *The Messiah Prophecy Murders* Charles LeRoy Janes,2022-06-10 If Quentin Tarantino and Fyodor Dostoyevsky were to meet on a street in old St Petersburg and agree to collaborate on a story the Messiah Prophecy Murders is the story they would write Deep in war torn Poland in September 1939 a Red Army soldier about to execute a wounded Polish officer is brought to a trembling halt when he recognizes the officer as a boyhood friend's father who had been deeply generous to his own father when he was in desperate need of help to feed his impoverished family With the recollection of the father's acts of kindness the soldier hesitates fires a round harmlessly into the ground and whispers to the officer to lie still so that nearby soldiers who heard the shot will think their comrade did his duty and finished off the enemy officer The consequences of that act of mercy then caromed through time and space and the lives of the combatants and their progeny to land in a courtroom in Newport Rhode Island in a trial for murder in which the Polish officer's son Piotr Zaborski has been framed and betrayed by the soldier's son Nicolay Speshnev both of whom are naturalized U S citizens after having immigrated from Poland in their teens nearly thirty years earlier In the aftermath of the 9 11 attack on the World Trade Center the posh resort community of Newport was convulsed by the slayings of the stunningly beautiful daughters of three of its ultra wealthy Summer Colony families The features of the murders and the evidence found at each of the crime scenes most notably a handwritten prophecy of Christ's Second Coming strongly suggest that the killer is driven by depraved religious compulsions and obsessions Suspicion falls heavily on

Zaborski who years earlier while a novice at a nearby Benedictine monastery was expelled from the monastery for mysterious reasons Since his expulsion he has become a fixture on the streets of Newport known for his often homeless destitute and eccentric existence for his ostentatious and frequent public displays of intense religiosity and aggressive Pro Life advocacy and for his irrepressible habit of endlessly and seemingly aimlessly roaming the streets of Newport at all hours of the day and night dressed in filthy dumpster clothing embellished by an ever present outsized monk s rosary and crucifix draped conspicuously around his neck In the heated nearly hysterical atmosphere of Newport in the weeks after the murders the unsubstantiated accusations and inchoate suspicions directed at Zaborski harden into the conviction that he is the killer when law enforcement leaks to the media the text of the crime scene prophecies and the reports of forensic experts concluding that the prophecies were written in Zaborski s hand With public opinion howling for Zaborski s neck and with the summer tourist season fast approaching the city fathers mount a campaign of their own to pressure law enforcement into arresting Zaborski in the hope that with his arrest Newport will be able to return to its customary celebratory and pleasure seeking ways with crowded sun dappled beaches packed hotels and boisterous bars and restaurants The hope proves illusory however as the murder and mayhem continue even after Zaborski s arrest and incarceration pending trial From his perch as the maitre d of one of Newport s poshest waterfront restaurants the psychopathic but Armani sleek and charismatic Speshnev resumes his bloody siege of Newport which keeps the resort community in the grip of a crippling fear and dread Despite the further acts of violence while Zaborski is incarcerated the state relentlessly pursues its indictment against him Eventually it is only through the tenacious investigative efforts of Zaborski s pro bono but celebrated Boston defense counsel Anthony Caro and Caro s local Newport co counsel and love interest Maura Boyle that the long ago events in Poland are unearthed That all leads to the evidence that wins Zaborski s acquittal at trial and to the arrest of Speshnev for the murders

murderer Byran Koji Uyesugi the murder suicide case of Sahel Kazemi and the intrafamilial murders committed by Charles Stuart and Sarah Marie Johnson A comprehensive exploration of the crime of murder in American society this fascinating study is an essential resource for researchers criminologists and other professionals in a wide range of disciplines *New York Criminal Reports* ,1925 **Marathon Murders** Dr. Gary Evans,2020-01-14 Michael Thomas is a scientist with the CDC in Atlanta He is also a dedicated marathon runner and a serial killer Michael tells us in great detail about killing twenty six people over twenty six years as part of his marathon running experiences in twenty six US states He also describes many marathon locations and events where he participated in races but did not murder anyone Each murder is unique and a wide variety of murder techniques are utilized to confuse the police and the FBI A romantic relationship develops between the killer and Susan Harvey the FBI agent assigned to solve the marathon murders case Their ongoing affair adds complexity to the story and to the murder methodology Michael slowly reveals himself to Agent Harvey as she gets closer to having the evidence she needs to arrest him The story ends with a series of events that are both exciting and unexpected **The Workers Monthly** ,1924
