## **The Labour Party Nationalism And Internationalism 1939 51:**

*The Labour Party, Nationalism and Internationalism, 1939-1951* R. M. Douglas, Ray A. Douglas, 2004-03-01 This book traces the controversy that ensued as the British democratic left set about the task of defining the principles of a radically new international system for the postwar world The schemes proposed by Labour policymakers during these years encompassed a wide variety of political institutions aiming at the restraint or supersession of the sovereign nation state What they shared in common however was a reconceptualisation of British identity in which the hyper patriotism and national exceptionalism of the wartime period blended with the left's traditional internationalism This new muscular internationalism was to have major impact upon the evolution of entities as diverse as the United Nations Organisation the British Commonwealth and the accelerating campaign in favour of European unity after Labour assumed the reins of government in 1945 Breaking with traditional accounts that place Cold War tensions at the centre of the Attlee government's activities in the immediate postwar years R M Douglas's book provides an entirely new framework for reassessing British foreign policy and left wing concepts of national identity during the most turbulent moment of Britain's modern history This will be essential reading for all students of British foreign policy the Labour Party and international relations **BOOK JACKET** **The Labour Party, Nationalism and Internationalism, 1939-1951** R. M. Douglas, 2004-03-01 The Second World War was a watershed moment in foreign policy for the Labour Party in Britain This book traces how the British democratic left set about the task of defining the principles of a radically new international system for the post war world The author shows how the experience of total war fundamentally reshaped the left's attitudes toward national identity and international policy Breaking with the traditional accounts that place Cold War tensions at the centre of the Attlee government's activities in the immediate postwar years R M Douglas's book provides an entirely new framework for reassessing British foreign policy and left wing concepts of national identity during the most turbulent moment of Britain's modern history *American Empire* A. G. Hopkins, 2019-08-27 Compelling provocative and learned This book is a stunning and sophisticated reevaluation of the American empire Hopkins tells an old story in a truly new way American history will never be the same again Jeremi Suri author of *The Impossible Presidency* *The Rise and Fall of America's Highest Office* **Imagining Internationalism in American and British Labor, 1939-49** Victor Silverman, 2000 Vividly capturing a moment in history when American and British unions seemed about to join with their Soviet counterparts to create a world unified by its workers this wide ranging study uncovers the social cultural and ideological currents that generated worldwide support among workers for a union international as well as the pull of national interests that ultimately subverted it In a striking departure from the conventional wisdom Victor Silverman argues that the ideology of the cold war was essentially imposed from above and came into conflict with the attitudes workers developed about internationalism This work the first to look at internationalism from the point of view of the worker confirms at the level of social and cultural history that the postwar tensions between the Anglo Americans

and the Soviets took several years to become a new orthodoxy Silverman demonstrates that for millions of trade unionists in dozens of countries the Cold War began in late 1948 rather than between 1945 and 1946 as generally recorded by diplomatic historians Tracing the faultlines between politics and ideals and between national and class allegiances Silverman shows how the vision of an international working class recovery was ultimately discredited and the cold war set inexorably in motion

*Nationalism, Labour and Ethnicity 1870-1939* Angel Smith, Stefan Berger, 1999 This text looks at the inter relationships between labour nationalist movements and ethnicity during the Age of Imperialism Two of the most debated contemporary issues focus on the decline of labour particularly socialist ideologies and the rise of nationalism It is sometimes assumed that the demise of one led to the triumph of the other It is also thought that labour as an internationalist movement underestimated and misunderstood the power of nationalism This text links these historical phenomena and sets the debate in more accurate historical context

The Labour Party, Denis Healey and the International Socialist Movement Ettore Costa, 2018-05-18 This book describes how after the Second World War the Labour Party assumed leadership of the International Socialist Movement thanks to the achievements of the Attlee Government International Secretary Denis Healey guided the reconstruction of the Socialist International through the early Cold War making the British vision for socialist internationalism prevail over the French and Belgian At first the provisional Socialist International International Socialist Conference and Cominfo supported cohabitation with pro communist socialists and the USSR but with the Sovietisation of Eastern Europe it committed to militant anti communism Ambiguity between the Labour Party and Labour Government influenced British policy in Austria Czechoslovakia Greece Italy and Poland while the characterization and stereotypes of Eastern and Southern Europe shaped the language and actions of the British Furthermore the book shows how international contacts and the British and Swedish model encouraged the transition of socialist parties to responsible government parties fully embracing Western democracy and prepared the ideological revision of the 1950s

**The British Labour Party and the Wider World** Paul Corthorn, Jonathan Davis, 2007-10-24 The legacy of Blair and the invasions of Iraq and Afghanistan continue to loom large for the Labour Party whether in opposition or in government giving rise to fierce debates over Labour's attitude and posture towards the wider world This book considers the idea of Labour's international identity examining how world events and Labour's response to them have helped to shape ideology political culture and domestic agendas from the 1920s until the Iraq War It provides a fascinating and original exploration of Labour both on the world stage and at home from the influence of the Soviet Union on political thought in the interwar years to the international student revolts of the 1960s and from media in the 1990s to Kosovo and New Labour Interventionism This is essential reading for scholars of modern British politics as well as anyone interested in the motivations and influences behind the Labour Party's actions on the world stage

**The Labour Party, Nationalism and Internationalism, 1939-1951** Ray A. Douglas, 2004-03

**The Labour Party and European Integration** Matthew Broad, William King, 2025-10-21 This book uses a biographical approach

to explore the Labour Party's relationship with European integration moving beyond simple pro or anti labels to showcase the complexity of views that have existed. Its positioning within the biographical turn emphasizes the importance of formative experiences in shaping such viewpoints held by both familiar figures and more underappreciated voices. Taking a broad view of Labour history, the book covers the roots of Labour's diverse thinking on integration from the 1920s to the recent past. Its significant intervention in the fields of Labour Party history, European integration studies and history through biography helps provide essential historical context for understanding Labour's current European policies. International Relations and the Labour Party Lucian Ashworth, 2007-11-28 PLEASE NOTE THIS IS AN NJR AND BLURB SHOULD NOT BE USED IN ITS RAW FORM. From 1918 to 1945 the British Labour Party worked closely with some of the biggest names in international relations IR scholarship. Through such structures as the Advisory Committee on International Questions IR scholars were instrumental in the construction of Labour foreign policy and the experience of working closely with Labour's leadership influenced the approach to IR taken by these scholars. One of the major effects of the collaboration of Labour with IR experts was a wealth of memoranda, reports and pamphlets written by IR scholars for the Party. This material, despite its relevance to the history of the discipline of IR, has received scant attention in modern IR scholarship. This study has three major goals. The first is to add to the literature on the study of Labour foreign policy by examining the crucial role played by IR theorists and writers. The Advisory Committee and its intellectual members did much to shape the foreign policy of the Party, giving it a coherent approach to international problems. The second is to put the international theories of five key writers, Leonard Woolf, H. N. Brailsford, Philip Noel Baker, Norman Angell and David Mitrany, into the context of both the development of Labour's international policy and the evolution of the international environment between the wars. Although all five writers are acknowledged as key thinkers in this period, the memoranda on foreign affairs that they did for the Labour Party are little known within IR. The final goal is to demonstrate the inadequacy of the current interpretation within IR of the inter-war period. The obsession with the anachronistic division between realism and idealism, terms that had different connotations before the Second World War, masks both the very different debates that were going on at the time and the changing international landscape of the inter-war period itself. The Practice of Socialist Internationalism Talbot C. Imlay, 2018 How did the early twentieth-century socialist parties of Britain, France and Germany cooperate with each other to create a united vision on international issues? Talbot Imlay offers a new perspective on how European socialists practised internationalism, addressing issues such as post-war reconstruction, European integration and decolonization. A Sacred Trust Michael D. Callahan, 2004-09-29 The second volume explains how the League of Nations mandates system fused two of the predominant and compelling global forces of the twentieth century: imperialism and Wilsonian internationalism. After the First World War, Britain and France administered most of Germany's former tropical African colonies as mandates under the supervision of the League as a sacred trust of civilization. This system of international trusteeship changed British and French rule in Africa.

In short mandates were not colonies Mandates meant less militarism more commercial equality a greater emphasis on the interests of Africans and an end to the extension of European national sovereignty over colonized peoples Accountability to the League also required the British and French to reconsider traditional economic strategic and ideological assumptions about their empires In the process the sacred trust sowed the seeds of self doubt about the very purpose and future of European imperialism The mandates system continued to represent a genuine internationalisation and reformation of colonialism and had long term economic political and cultural consequences for Africans and Europeans within the mandated territories Despite the Depression repeated Anglo French foreign policy failures growing humiliations for Geneva and war in Africa and Europe the principles and practices of international trusteeship proved persistent Mandates demonstrated the relevance of international law the importance of the League of Nations and the impact of Wilsonian principles on international relations and European imperialism

*Propaganda and Public Relations in Military Recruitment* Brendan Maartens, Thomas Bivins, 2020-11-19 This book represents the first international investigation of military recruitment advertising public relations and propaganda Comprised of eleven case studies that explore mobilisation work in Africa the Americas Asia and Europe it covers more than a hundred years of recent history with chapters on the First and Second World Wars the Cold War and the present day The book explores such promotion in countries both large and small and in times of both war and peace with readers gaining an insight into the different strategies and tactics used to motivate men women and occasionally even children to serve and fight in many parts of the world Readers will also learn about the crucial but little known role of commercial advertising public relations and media professionals in the production and distribution of recruitment promotion This book the first of its kind to be published will explore that role and in the process address two questions that are central to studies of media and conflict how do militaries encourage civilians to join up and are they successful in doing so It is a multi disciplinary project intended for a diverse academic audience including postgraduate students exploring aspects of war propaganda and public opinion and researchers working across the domains of history communications studies conflict studies psychology and philosophy

**Algerian Independence and the British Left** Mélanie Torrent, 2024-11-14 Based on archives from governments parties organisations and individuals this book investigates the relationship between the British left and Algerian liberation movements during the Algerian War of Independence 1954 1962 It explores the presence of representatives of the Mouvement national algérien MNA and the Front de libération nationale FLN in London where they actively sought support for peace independence from France and the global end of European domination By surveying their interactions with individuals and groups in the anticolonial left including prominent Labour MPs and Trotskyist groups Asian and African associations and students unions Torrent shows how and why solidarity was interpreted differently across the left and in relation to Britain's own end of empire conflicts Tracing connections across Europe and beyond this book demonstrates how the war influenced conceptions of socialism communism and

internationalism in Britain what being European meant and what place the Commonwealth should have in a world where armed struggle and liberation diplomacy disrupted boundaries British International Thinkers from Hobbes to Namier I. Hall, 2009-12-07 This book will be the first to examine the variety of British international thought its continuities and innovations The editors combine new essays on familiar thinkers such as Thomas Hobbes and John Locke with important but neglected writers and publicists such as Travers Twiss James Bryce and Lowes Dickinson *Churchill's Last Stand* Felix Klos, 2017-09-30 After the Second World War with much of Europe in ruins the victorious Winston Churchill swore to build a peace across Europe that would last a generation Fighting against the new Iron Curtain which had fallen across the world and battling the personal disappointment of losing the 1945 election in Britain Churchill dedicated the rest of his life to forging a united Europe This book based in part on new evidence reveals his vision Britain as a leading member of the European family Through Churchill's own private papers Felix Klos unveils Churchill's personal battle to regain his place in world affairs his confidential conversations with European leaders and the thinking and preparation behind some of his most powerful speeches A beautifully written history of Europe after the war and a new glimpse at one of its greatest statesmen

*Churchill on Europe* Felix Klos, 2016-06-03 When the Nazi power was broken I asked myself what was the best advice I could give to my fellow citizens here in this island and across the channel in our ravaged continent There was no difficulty in answering the question My counsel to Europe can be given in a single word Unite Sir Winston Churchill in 1947 After the Second World War with Europe in ruins the victorious Winston Churchill swore to build a peace that would last Together with a group of thinkers and politicians Churchill began to build the institutions and the political will that would eventually lead to what we now know as the European Union He believed in a united Europe and wanted Britain to play a leading role This book based in part on new evidence reveals his vision Britain as a leading member of the European family On the 23rd June this book asks us all to think carefully what would Churchill have done **The Conservative Human Rights**

**Revolution** Marco Duranti, 2017 The Conservative Human Rights Revolution reconsiders the origins of the European human rights system arguing that its conservative inventors foremost among them Winston Churchill conceived of the European Convention on Human Rights ECHR as a means of realizing a controversial political agenda and advancing a Christian vision of European identity **Overseas Economic Relations and Statehood in Europe, 1860s-1970s** Gerold

Krozewski, 2023-04-06 Drawing on official archival and published sources this book explores how the formative history of the European nation state was embedded within economic globalization and associated with conceptions of the world overseas With a particular focus on France Germany Italy and Britain this research investigates how overseas relationships shaped state governance The argument departs from conventional histories by linking together the analysis of economic relationships and political cultures examining the ways in which state agency formed in different areas such as national economy building the organization of overseas raw material and food supplies labour migration and national identity

Spanning over a century the book discusses the changing role of overseas colonies in European national development. Once a means to complete economic liberalization, colonies were then envisaged as tools of crisis management. Before in the mid twentieth century complementarities in imperial colonial economies shifted away from empire. This volume covers neglected aspects of the transnational history of European nation states and is an ideal resource for students and researchers interested in the ties between Europe, Africa and Asia as well as connections between political, economic and social relations and their conceptualizations.

*The Postwar Legacy of Appeasement* R. Gerald Hughes, 2014-01-16

Focusing on the Cold War and the post Cold War eras, R. Gerald Hughes explores the continuing influence of Appeasement on British foreign policy and re-evaluates the relationship between British society and Appeasement both as historical memory and as a foreign policy process. *The Postwar Legacy of Appeasement* explores the reaction of British policy makers to the legacies of the era of Appeasement: the memory of Appeasement in public opinion and the media and the use of Appeasement as a motif in political debate regarding threats faced by Britain in the post war era. Using many previously unpublished archival sources, this book clearly demonstrates that many of the core British beliefs and cultural norms that had underpinned the Chamberlainite Appeasement of the 1930s persisted in the postwar period.

This is likewise one of the factors by obtaining the soft documents of this **The Labour Party Nationalism And Internationalism 1939 51** by online. You might not require more grow old to spend to go to the books commencement as skillfully as search for them. ## **The Labour Party Nationalism And Internationalism 1939 51 Introduction**

In today's digital age, the availability of The Labour Party Nationalism And Internationalism 1939 51 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Labour Party Nationalism And Internationalism 1939 51 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Labour Party Nationalism And Internationalism 1939 51 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Labour Party Nationalism And Internationalism 1939 51 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Labour Party Nationalism And Internationalism 1939 51 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Labour Party Nationalism And Internationalism 1939 51 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public

domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Labour Party Nationalism And Internationalism 1939 51 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Labour Party Nationalism And Internationalism 1939 51 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Labour Party Nationalism And Internationalism 1939 51 books and manuals for download and embark on your journey of knowledge?

### **FAQs About The Labour Party Nationalism And Internationalism 1939 51 Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Labour Party Nationalism And Internationalism 1939 51 is one of the best book in our library for free trial. We provide copy of The Labour Party

Nationalism And Internationalism 1939 51 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Labour Party Nationalism And Internationalism 1939 51. Where to download The Labour Party Nationalism And Internationalism 1939 51 online for free? Are you looking for The Labour Party Nationalism And Internationalism 1939 51 PDF? This is definitely going to save you time and cash in something you should think about.
