**Book One** Valerie Elverton Dixon, 2012-11 In these essays I often refer to social contracts such as the Declaration of Independence the Constitution of the United States the Universal Declaration of Human Rights and other international conventions that describe a vision of just human relations especially in the area of culture and health care We do not live behind a veil of ignorance where we enter into contemplation of questions of right and wrong without an awareness of our own particularities Moreover we do not always determine what is right based on reason But we do make decisions every day about how we will live within the social contracts that govern our lives Many of us go along to get along with a let s not rock the boat preserve the status quo caution Then there are those of us who use the documents of our social contracts to secure more justice and more peace The purpose is to rock the boat and to disrupt the status quo when it is unjust I understand Christ as a title not as a person It is a designation of an anointing This in my opinion is the anointing of radical love Christ is the human incarnation of divine love We each ought to strive to become this whether or not we are Christian whether or not we are even believers Those of us who are Christians believe that Jesus paid it all There is no more need for blood shed sacrifice Murder is never holy God does not need it or want it Our work now is to become living sacrifices that will redeem this world through justice and peace That is the meaning of these essays From the Introduction

**Women** Liam Clancy, 2002-04-30 In an irresistible tale of a life lived fully if not always wisely Liam Clancy of the legendary Irish group the Clancy Brothers describes his eventful journey from a small town in Ireland in the 1930s into the heart of the New York music scene in the 1950s and 60s Following in the grand tradition of such Irish memoirs as Angela s Ashes and Are You Somebody Liam Clancy relates his life s story in a raucously funny and star studded account of moving from provincial Ireland to the bars and clubs of New York City to the cusp of fame as a member of Tommy Makem and the Clancy Brothers Born in 1935 the eleventh out of as many children young Liam was a naive and innocent lad of the Old Country His memories of childhood include bounding over hills streams and the occasional mountain getting lost and eventually found and making mischief in the way of a typical Irish boy As an aimless nineteen year old Clancy met a strange and wonderfully energetic lover of music Ms Diane Guggenheim an American heiress She and a colleague from America had set out to record regional Irish folk music and their undertaking led them to Carrick on Suir in the shadow of Slievenamon The Mountain of the Women where Mammie Clancy had been known to carry a tune or two in her kitchen Guggenheim fell for young Liam and swept him along on her travels through the British Isles the American Appalachians and finally Greenwich Village the undisputed Mecca

for aspiring artists of every ilk in the late 1950s Clancy was in New York to become an actor But on the side he played and sang with his brothers Paddy and Tom and fellow countryman Tommy Makem in pubs like the legendary White Horse Tavern In the heady atmosphere of the Village Clancy's life was a party filled with music sex and McSorley's His friendships with then unknown artists such as Bob Dylan Maya Angelou Robert Redford Lenny Bruce Pete Seeger and Barbra Streisand form the backdrop of the charming adventures of a small town boy making it big in the biggest of cities In music circles the Clancy Brothers and Tommy Makem are known as the Beatles of Irish music The band's music continues to play on jukeboxes in pubs and bars in living rooms of folk music fans and in Irish American homes throughout the country Liam Clancy's lively memoir captures their wild adventures on the road to fame and fortune and brings to life a man who never lets himself off the hook for his sins and happily views his success as a blessing *Richard Dyer-Bennet* Paul Jenkins, 2011-01-01 In the 1940s and 50s Richard Dyer Bennet 1913 1991 was among the best known and most respected folk singers in America Paul O Jenkins tells for the first time the story of Dyer Bennet often referred to as the Twentieth Century Minstrel Dyer Bennet's approach to singing sounded almost foreign to many American listeners The folk artist followed a musical tradition in danger of dying out The Swede Sven Scholander was the last European proponent of minstrelsy and served as Dyer Bennet's inspiration after the young singer traveled to Stockholm to meet him one year before Scholander's death Dyer Bennet's achievements were many Nine years after his meeting with Scholander he became the first solo performer of his kind to appear in Carnegie Hall This book argues Dyer Bennet helped pave the way for the folk boom of the mid 1950s and early 1960s finding his influence in the work of Joan Baez Judy Collins and many others It also posits strong evidence that Dyer Bennet would certainly be much better known today had his career not been interrupted midstream by the anticommunist Red scare blacklist and its ban on his performances *A History of the Handel Choir of Baltimore (1935-2013)* Carl B.
