The Last Best of All Times Robert A. Semenza, 2007 Robert Semenza has always considered himself fortunate to have been brought up in what may have been in his mind the last best of all times an era that spanned only a little more than a decade and a half from the early forties to the midfifties from World War II to the Korean police action from FDR to Harry the buck stops here Truman to Ike He was even more blessed to be raised in an environment where he was surrounded by a wealth of love and warmth from our parents and a seemingly unlimited number of relatives and piasians however the adults in our lives were there only when we needed them sort of a Charlie Brown type of existence but without his anxiety He felt that all his wonderful memories would be lost forever and wanted to preserve them for the generations to follow His tale is told in a self effacing way and from the perspective of a young boy being raised in the West a neighborhood in New Rochelle New York of Italians and colored people you never called them blacks or African Americans unless you were prepared for a fight and the rest of civilization referred to simply as

the Americans It tells of his Tom Sawyer Huck Finn type of youthful adventures and mishaps centered around a cast of colorful and unforgettable characters that roamed the streets of the West from the likes of the Goat Man who would proudly parade his goats down Union Avenue and whose route was undeniably marked by a trail of small round soft black pellets which the goats expelled as they merrily strolled to their noonday repast presumably to make more pellets to the Iron Horse to Louie Chicken Breast and to a whole host of other characters As he explains they were just there and accepted as they were except that they like everyone else in the neighborhood had a nickname which was generally linked to their physical appearance which in each case was obvious He has attempted the impossible task of trying to list all of these nicknames his nickname was Chesty the reader will learn why His personal memories transport the reader back to that time and to his boyish recollections of his family the school the church the Boys Club the games they invented and the special joys brought by each season of the year www.readerscircle.org
