The Last Days Of Israel:

The Last Days in Israel Abraham Diskin, 2003 During the 1990s many dramatic changes influenced the basic characteristics of the Israeli democracy This volume examines the challenges and circumstances the country has faced and addresses both the public's and leadership's singular goal of peace and security The book also investigates the renewed constitutional framework which attempted to meet new challenges but in reality contributed to the evolution of new politics and a new party system This new system is explored through an analytical study of the history of the party system with an emphasis on new phenomena such as the growing fragmentation of recent years Developments since the early 1990s are also examined looking at the governmental periods of Prime Ministers Shamir Rabin Peres Netanyahu and Barak **Israel and the Last Days** Kree Foster, 2012-07 When will the rapture occur What is the abomination of desolation There are so many different points of view on the subject of the end times How do you know which one is right The apostle Paul wrote two thirds of the New Testament How did he know the truth In this book you will discover how to know the truth about the end times for yourself There are rules of interpretation that every believer should know Come and take this fascinating journey throughout Scripture and discover what God thinks about Israel and the last days **The Last Days of the Kingdom of Israel** Shuichi Hasegawa, Christoph Levin, Karen Radner, 2018-11-05 Despite considerable scholarly efforts for many years the last two decades of the Kingdom of Israel are still beneath the veil of history What was the status of the Kingdom after its annexation by Assyria in 732 BCE Who conquered Samaria the capital of the Kingdom When did it happen One of the primary reasons for this situation lies in the discrepancies found in the historical sources namely the Hebrew Bible and the Assyrian texts Since biblical studies and Assyriology are two distinct disciplines the gaps in the sources are not easy to bridge Moreover recent great progress in the archaeological research in the Southern Levant provides now crucial new data independent of these textual sources This volume a collection of papers by leading scholars from different fields of research aims to bring together for the first time all the available data and to discuss these conundrums from various perspectives in order to reach a better and deeper understanding of this crucial period which possibly triggered in the following decades the birth of new Israel in the Southern Kingdom of Judah and eventually led to the formation of the Hebrew Bible and its underlying theology **Israel, the Church, and the Last Days** Asher Intrater, Dan Juster, 2011-07-28 As the last days approach Dan Juster and Keith Intrater present an optimistic view for believers around the world A restoration of the Body of Christ is beginning to take place as the church asserts her unity power gifts and begins to establish the five fold ministry as found in the example of the first century church What is the key element for the Church in these last days as she asserts her power Establishing a saved remnant of Israel How does one help establish a saved remnant especially a saved Jewish remnant [Covenant: G-D's plan for Israel in the last days](#) Baruch Battelstein, 2005 Lo I will send you Elijah the prophet before the coming of the great and awesome day of the Lord that he may turn the heart of the fathers back through the

children and the heart of the children back through their fathers Malachi 3 23 24 Are you ready for the great and awesome Day of the Lord Do you know and recognize with understanding how the horrendous events that will take place shortly on this earth are going to impact your life and those around you Perhaps you are one watching from afar thinking it will not come near me No one will be able to escape Are you ready Like a tsunami racing across the ocean events are taking place today that in our minds only a few short years ago we could not in fact would not even dare conceive yet they have come to pass Events and changes that are happening seemingly in the blink of an eye This book has been written with a pen of a ready writer The author has brought forth in clarity God s plan for the spiritual and physical redemption of His people His land and Jerusalem His plan as revealed in the Tanach Bible is unfolding right before our very eyes The time is very near when the God of Israel will bring His people into the bond of the covenant a new covenant into which the whole house of Israel will enter and they will be His people and He will be their God However there will be much tribulation during this time known as the Day of the Lord not only for the Jewish people themselves but also for all nations and peoples of the world

Israel, Rapture, Tribulation Michael Earl Riemer,2021-05-23 Jesus is coming soon for all signs point to His arrival again The Last Days are upon us again The Great Tribulation is about to start again We will see the Lord coming in clouds of glory for we are the last generation again Even before William Miller pronounced these kinds of tidings for 1843 and when it didn t occur he assured his followers it would happen on October 22 1844 this refrain was common from Christians down throughout the ages However since the time of Miller and especially since 1948 when the nation of Israel was given birth the chorus of Christian voices proclaiming End Times and Last Days is a constant message The problem all those who have preached this since 70AD have been wrong always 100% of the time In the Revelation of Jesus given to Saint John he assures the seven Churches the time was near it was in fact at hand The letter closes with the assurance of that fact the Lord was coming soon for Jesus states Surely I come quickly Revelation 22 20 So that leaves us with two perplexing and bewildering conclusions

Jesus was wrong about His soon coming and those who preach this have also been preaching a tall tale a cock and bull story However the early Christians did not believe what is being taught across today s pulpits concerning this teaching They knew those events would happen in their lifetime not 2 000 years in the future they took Jesus at His word and it saved their lives In this book you will find the doctrine believed by early Christians and the reason the modern Last Days doctrine has always been wrong and how it was fulfilled You will also find the message taught by Jesus and presented throughout the Holy Scriptures hope and victory for Christ s Church The Banner of Israel ,1893
