## **The Last Days Of Mankind:**

**The Last Days of Mankind** Karl Kraus, 2015-11-24 One hundred years after Austrian satirist Karl Kraus began writing his dramatic masterpiece *The Last Days of Mankind* remains as powerfully relevant as the day it was first published Kraus's play enacts the tragic trajectory of the First World War when mankind raced toward self destruction by methods of modern warfare while extolling the glory and ignoring the horror of an allegedly defensive war This volume is the first to present a complete English translation of Kraus's towering work filling a major gap in the availability of Viennese literature from the era of the War to End All Wars Bertolt Brecht hailed *The Last Days* as the masterpiece of Viennese modernism In the apocalyptic drama Kraus constructs a textual collage blending actual quotations from the Austrian army's call to arms people's responses political speeches newspaper editorials and a range of other sources Seasoning the drama with comic invention and satirical verse Kraus reveals how bungled diplomacy greedy profiteers Big Business complicity gullible newsreaders and above all the sloganizing of the press brought down the Austro-Hungarian Empire In the dramatization of sensationalized news reports inured to atrocities and openness to war as remedy today's readers will hear the echo of the fateful voices Kraus recorded as his homeland descended into self destruction

**The Last Days of Mankind-Karl Kraus and His Vienna. [With Plates, Including Portraits.].** Frank FIELD (Historian.), Karl Kraus, *The Last Days of Mankind: Karl Kraus and His Vienna* Frank Field, 1967 *Karl Kraus and the Critics* Harry Zohn, 1997 Karl Kraus and the Critics the first study devoted entirely to a century of critical reactions to this controversial satirist who was both deified and vilified in his lifetime and in the six decades since his death attempts to reduce an enormous amount of criticism to manageable dimensions and to give a typology of this commentary By means of copious quotation from both major and minor studies as well as reliable translation it provides some access to criticism that has been published only in German A chronology of Kraus's life and works and an extensive bibliography of both primary and secondary writings are intended to enhance the reference value of this book and to stimulate further reading and research *The Last Days of Mankind* Karl Kraus, 2015 **The Last Days of Mankind** Karl Kraus, 1974 One third of the play is drawn from documentary sources and is highly realistic except the final scenes which are of expressionist genre *Encyclopedia of Literary Translation Into English: A-L* O. Classe, 2000

*The Six Days of Creation* Daniel Negron, 2005-07 *History 4° Celsius* Ian Baucom, 2020-07-24 In *History 4 Celsius* Ian Baucom continues his inquiries into the place of the Black Atlantic in the making of the modern and postmodern world Putting black studies into conversation with climate change Baucom outlines how the ongoing concerns of critical race diaspora and postcolonial studies are crucial to understanding the Anthropocene He draws on materialist and postmaterialist thought Sartre and the science of climate change to trace the ways in which evolving political cultural and natural history converge to shape a globally destructive force Identifying the quest for limitless financial gain as the primary driving force behind both the slave trade and the continuing increase in global greenhouse gas emissions Baucom demonstrates that

climate change and the conditions of the Black Atlantic colonialism and the postcolony are fundamentally entwined In so doing he argues for the necessity of establishing a method of critical exchange between climate science black studies and the surrounding theoretical inquiries of humanism and posthumanism *Of the Last Day, or Day of Judgment.
