Girolamo Cardano 1501-1576 renowned as a mathematician encyclopedist astrologer and autobiographer was by profession a medical practitioner His copious writings on medicine reflect both the complexity and diversity of the Renaissance medical world and the breadth of his own interests In this book Nancy Siraisi draws on selected themes in Cardano's medical writings to explore in detail the relation between medicine and wider areas of Renaissance culture Cardano's medical advice included the suggestion that the studious man should always have at hand a clock and a mirror a clock to keep track of the passage of time and a mirror to observe the changing condition of his body The remark which recalls his astrological and autobiographical interests is emblematic of the many connections between his medicine and his other pursuits Cardano's philosophical eclecticism beliefs about occult forces in nature theories about dreams and free transitions between academic and popularizing scientific

writing also contributed to his medicine As a physician he greeted two different types of medical innovation in his lifetime with equal enthusiasm improved access to the Hippocratic corpus and Vesalian anatomy Cardano presented himself as a practitioner with special gifts Yet his medical learning remained rooted in the Galenic tradition that he often criticized Meanwhile he negotiated a career in a medical community characterized by personal and social rivalries a competitive medical marketplace and strong institutional and religious pressures Originally published in 1997 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Response** Lois K.
