The Last Flight:

Summary of The Last Flight by Julie Clark C.B. Publishers, 2025-01-26 A complete chapter by chapter summary of Julie Clark's book *The Last Flight*. About the original book: *The Last Flight* is a dual narrative with Claire Cook, the wife of a renowned New York benefactor with political ambitions, and Eva James, a thirty-something woman embroiled in a massive and hazardous drug operation in Oakland, California, taking turns telling the story. For various reasons, Claire's husband abuses her. Eva's drug activities are being investigated by the feds; both women must go and start again. Claire spends months planning her escape: she saves money and buys bogus identification documents. She intends to use a trip to Detroit on behalf of one of her husband's charities, a charter school funded by the Cook Foundation, as an opportunity and send her new identity documents and money to the Detroit hotel. Her goal is then to slip into Canada under the alias Amanda Burns. However, her husband altered her assignment at the last minute and she will now attend a conference in Puerto Rico. Her plan is ruined and she is horrified.

The Last Flight Julie Clark, 2021-03-09 Two women. Two flights. One last chance to disappear. Claire Cook has a perfect life. Married to the scion of a political dynasty with a Manhattan townhouse and a staff of ten, her surroundings are elegant, her days flawlessly choreographed, and her future auspicious. But behind closed doors, nothing is quite as it seems. That perfect husband has a temper that burns as bright as his promising political career, and he's not above using his staff to track Claire's every move, making sure she's living up to his impossible standards. But what he doesn't know is that Claire has worked for months on a plan to vanish. A chance meeting in an airport bar brings her together with a woman whose circumstances seem equally dire. Together, they make a last-minute decision to switch tickets: Claire taking Eva's flight to Oakland and Eva traveling to Puerto Rico as Claire. They believe the swap will give each of them the head start they need to begin again somewhere far away. But when the flight to Puerto Rico goes down, Claire realizes it's no longer a head start but a new life. Cut off out of options with the news of her death about to explode in the media, Claire will assume Eva's identity and, along with it, the secrets Eva fought so hard to keep hidden. For fans of Lisa Jewell and Liv

Constantine, *The Last Flight* is the story of two women, both alone, both scared, and one agonizing decision that will change the trajectory of both of their lives.

The Last Flight Greg Liefer, 2016-04-19 Set against the harsh beauty of Alaska, a veteran helicopter pilot is torn between ending his own embattled life and rescuing survivors from a mountain plane crash. *Last Flight* is the heroic story of Gil Connor, a senior Army helicopter pilot and aging Vietnam vet, as he struggles with an impending terminal illness and the desire to pull off one last daring rescue. Connor finds himself in a constant battle against his internal demons during his quest to reach the survivors of a remote civilian commuter plane crash deep in the Alaskan mountains, a rescue that perhaps only he can pull off. The stranded plane's captain, Scott Sanders, takes charge after the crash in spite of his injuries and the realization that his dream of flying for a major airline is destroyed. One of the passengers, a retired school teacher, assists him while barely holding herself together; her husband was killed in a fiery plane crash years before. They

soon realize that time is not on their side in the Alaskan polar climate Connor who's haunted by the horrors of war and a turbulent past is torn between ending his life before the inevitable and saving the marooned crash victims before it's too late. His underlying intentions are unknown even to himself until the very end. Aided by an untested protégé and a mysterious young girl found at the crash site, Connor struggles in a desperate gamble to achieve the near impossible. Amid the turmoil of an approaching storm and almost certain failure, his flying skills and drive for redemption are the only hopes that remain.

The Last Flight Cydney Marshall, 2015-11-18 When a commercial airliner disappears midflight into a world of terrorism and smuggling, husband and wife CIA operatives Alexis and Markus Dain must track it down before more flights vanish and before brutal terrorists turn our own planes against us once again. Torn from the headlines, *The Last Flight* is a novel bursting with suspense and international intrigue driven by the very real dangers of air travel today: hijacked and missing planes, air disasters, and the use of commercial aircraft to smuggle weapons and drugs while committing acts of terrorism. AmerAsia Flight 56 has vanished with over two hundred passengers and crew. Has it simply run into mechanical issues and crashed into the ocean? Was it an act of terrorism or a sinister plot to kidnap the numerous diplomats onboard? When no trace of the missing airliner is found, Alexis and Markus begin to realize that the disappearance is no ordinary air crash but part of the world-wide conspiracy that will further arm terrorists and cost thousands of innocent lives. An ocean away from CIA headquarters in Langley, Virginia, a consortium of terrorists and smugglers, flush with the success of their first operation, are planning more hijackings and more atrocities. As the crack CIA team travels the globe and uncovers the truth, they find links to the highest echelons of American business and political power. As they race to solve the crime of the century and end a wave of terror, they find the love they thought had vanished long ago. Come onboard *The Last Flight*. It will have you thinking twice before boarding your next flight.

Coburn, 2023-05-22 It is difficult to overstate the chaos of August 2021 for many of those in Afghanistan particularly those who had worked closely with the international community there In a matter of days U S troops withdrew from Afghanistan and an insurgency threw out a government the international community had spent 20 years and billions of dollars supporting A government that claimed to stand for women's rights freedom of the press education and a litany of other ideals was replaced by one that did not allow girls to attend secondary school The world watched for two weeks as crowds rushed the airport bodies fell from planes a suicide bomber killed civilians and soldiers and a baby was handed to a Marine over a barbed wire wall The agony of lives so clearly destroyed as people tried to flee their homeland with little to nothing felt like images seen in the wake of natural disasters But this was not a natural disaster It was completely avoidable Part memoir and part history The Last Days of the Afghan Republic tells this story through the experiences of Arsalan Fatima Zeinab and Najeeb a scholar a doctor a student and a translator These young men and women had bought into the promise of the international intervention that if they studied worked hard and believed in democracy and human rights Afghanistan could become a new country Their lives also tell the story of Afghanistan over the past thirty years They recount from the ground up the political decisions on the American side that led to the forever war the way that Afghan political partners squandered opportunities and the ways in which the U S presence unevenly reshaped Afghan society *The Mobility Forum* , 1994-03

Why Do I Find Myself in These Situations? Harold Alston, 2022-01-27 Why Do I Find Myself in These Situations was chosen because of many unique situations during fifty five years of flying military and civilian aircraft All are specific that are unique to this pilot Many are specific that have not been experienced by other pilots and hopefully will not be experienced on

their flights Heavenly guidance was certainly present in several of these experiences that guided responses subtly prompted actions and allowed a very experienced pilot to respond beyond normal human abilities After each individual story the title question could be asked but you will enjoy that it was not you who had to deal with the same situations Enjoy
