Baghdad has a nuclear ace in his hand that he has not yet played *Dead Heat* Joel C. Rosenberg, 2008 2009 Retailer's Choice Award winner The stage is set for war Oil prices are surging to record highs A new dictator is rising in Iraq China is threatening Taiwan North Korean forces appear ready to strike south Israel is feverishly trying to complete the Third Temple And in the midst of a world ready to explode American president James MacPherson's second term is ending The battle to succeed him is heating up into the most fiercely contested presidential election in American history Who will lead a bitterly divided country over the next four years And just what role if any does the US play in history's last days As the presidential campaign narrows to a dead heat the Secret Service learns of a catastrophic terrorist plot to assassinate one of the candidates but which one Whom do they want dead And can US forces stop the terrorists before millions lose their lives From New York Times best selling novelist Joel C Rosenberg this explosive political thriller is sure to provoke discussion along with fervent hopes that this frightening vision of the future will not come true **The Copper Scroll** Joel C.

Rosenberg, 2010-09-29 Book 4 in the bestselling 5 book thriller series that has sold over 12 million copies In 1956 a scroll was uncovered that shocked the world The world is about to be shocked again On June 1 1956 the New York Times broke a story that captured the imagination of the world Another Dead Sea Scroll had been found unlike any before it describing unimaginable treasures worth untold billions buried in the hills east of Jerusalem and under the Holy City itself In the years that followed some scholars came to believe the Copper Scroll could be history's greatest treasure map one that could lead to the discovery of the Second Temple treasures and the building of the Third Jewish Temple But the scroll's code has never been broken and experts from all sides warn that any effort by Israel to rebuild their Temple in Jerusalem would undoubtedly unleash a war of biblical proportions Now more than fifty years after the Copper Scroll was unveiled New York Times bestselling author Joel C Rosenberg takes you on his most exciting and heart pounding ride yet Saddam Hussein is gone Yasser Arafat is dead A new Iraq is rising But so too is a new evil and now White House advisors Jon Bennett and Erin McCoy find themselves facing a terrifying new threat triggered by an ancient mystery *The Last Days* Joel C.

Rosenberg, 2010-08-03 The Last Days is a stunning political thriller from New York Times bestselling author Joel C Rosenberg Osama bin Laden is dead Saddam Hussein is buried Baghdad lies in ruins Now the eyes of the world are on Jerusalem as Jon Bennett a Wall Street strategist turned senior White House advisor his beautiful CIA partner Erin McCoy and the US Secretary of State arrive in the Middle East to meet with Palestinian leader Yasser Arafat On the table a dramatic and potentially historic Arab Israeli peace plan of which Bennett is the chief architect At the heart of the proposed treaty is the discovery of black gold deep underneath the Mediterranean a vast and spectacular tract of oil and natural gas that could offer unprecedented riches for every Muslim Christian and Jew in Israel and Palestine With the international media closely tracking the story the American message is as daring as it is direct Both sides must put behind them centuries of bitter violent hostilities to sign a peace treaty Both sides must truly cooperate on drilling pumping refining and shipping the newly

found petroleum Both sides must work together to develop a dynamic new integrated economy to take advantage of the stunning opportunity Then and only then the United States will help underwrite the billions of dollars of venture capital needed to turn the dream into reality At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Writing the Rapture Crawford Gribben, 2009-02-02 For the past twenty years evangelical prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music Writing the Rapture is an indispensable guide to this flourishing yet little understood body of literature

The Last Jihad Introduction

In today's digital age, the availability of The Last Jihad books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Last Jihad books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Last Jihad books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Last Jihad versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Last Jihad books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Last Jihad books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Last Jihad books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many

universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Last Jihad books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Last Jihad books and manuals for download and embark on your journey of knowledge?
