The Last King Of Paradise:

The Last King of Paradise Eugene Burns, 2003-01-01 **The Last King** Alexandre Dumas, 1915 Reclaiming Kalākaua Tiffany Lani Ing, 2019-10-31 Reclaiming Kal kaua Nineteenth Century Perspectives on a Hawaiian Sovereign examines the American international and Hawaiian representations of David La amea Kamananakapu Mahinulani Nalaiaehuokalani Lumialani Kal kaua in English and Hawaiian language newspapers books travelogues and other materials published during his reign as Hawai is m sovereign from 1874 to 1891 Beginning with an overview of Kal kaua's literary genealogy of misrepresentation Tiffany Lani Ing surveys the negative even slanderous portraits of him that have been inherited from his enemies who first sought to curtail his authority as m through such acts as the 1887 Bayonet Constitution and who later tried to justify their parts in overthrowing the Hawaiian kingdom in 1893 and annexing it to the United States in 1898 A close study of contemporary international and American newspaper accounts and other narratives about Kal kaua many highly favorable results in a more nuanced and wide ranging characterization of the m as a public figure Most importantly virtually none of the existing nineteenth twentieth and twenty first century texts about Kal kaua consults contemporary Kanaka Maoli Native Hawaiian sentiment for him Offering examples drawn from hundreds of nineteenth century Hawaiian language newspaper articles mele songs and mo olelo histories stories about the m Reclaiming Kal kaua restores balance to our understanding of how he was viewed at the time by his own people and the world This important work shows that for those who did not have reasons for injuring or trivializing Kal kaua's reputation as m he often appeared to be the antithesis of our inherited understanding The m struck many and above all his own people as an intelligent eloquent compassionate and effective Hawaiian leader Paradise Justus Roux, Mary and her crew crash lands on a planet where women rule everything and men have become slaves At first this seems like a woman's paradise but when Mary is given a gorgeous man named Sabre he opens her eyes to the hell that Paradise has become for men She must find out what happened to her male crew mates and deal with what she sees all around her Her growing love for Sabre further complicates everything Sabre's only mission was to become a pet to one of the high council members but he is given to Mary by the Queen He finds himself quickly feeling things for Mary that he has never felt before He had grown so use to women using his body that Mary's tenderness and compassion is almost overwhelming to him He soon finds himself trusting her enough to tell her about the Rebellion and its leader Cyrus But will she be willing to risk everything to free the men of Paradise The End of History and the Last King David Janzen, 2021-02-11 This book examines community identity in the post exilic temple community in Ezra Nehemiah and explores the possible influences that the Achaemenids the ruling Persian dynasty might have had on its construction In the book David Janzen reads Ezra Nehemiah in dialogue with the Achaemenids Old Persian inscriptions as well as with other media the dynasty used such as reliefs seals coins architecture and imperial parks In addition he discusses the cultural and religious background of Achaemenid thought especially its intersections with

Zoroastrian beliefs Ezra Nehemiah Janzen argues accepts Achaemenid claims for the necessity and beneficence of their hegemony The result is that Ezra Nehemiah like the imperial ideology it mimics claims that divine and royal wills are entirely aligned Ezra Nehemiah reflects the Achaemenid assertion that the peoples they have colonized are incapable of living in peace and happiness without the Persian rule that God established to benefit humanity and that the dynasty rewards the peoples who do what they desire since that reflects divine desire The final chapter of the book argues that Ezra Nehemiah was produced by an elite group within the Persian period temple assembly and shows that Ezra Nehemiah s pro Achaemenid worldview was not widely accepted within that community Hawaiian History Richard Lightner, 2004-08-30 Hawaii has been referred to as the crossroads of the Pacific This book illustrates how many world cultures and customs meet in the Hawaiian Islands providing a chronological overview highlighted by extracts from important works that express Hawaii s unique history This work starts with chronological chapters on general and ancient Hawaiian history and continues through early Western contact the 19th century and Hawaii s annexation to the United States Topics include politics religion social issues business ethnic groups and race relations **The Last King of Israel** Mike Chung, 2016-10-27 As death draws near life will be lived differently The Last King of Israel explores how the king of kings chose to live his final ten days culminating in the resurrection Lessons like spending time with loved ones dealing with difficult people handling criticism resting despite enormous stress and handling affliction are some of the areas addressed as Jesus faces imminent death Easter is one of the world's most revered holiday seasons this book will enhance understanding of this truly holy week Including the two days before Palm Sunday and continuing through the evening of his resurrection The Last King of Israel takes the reader on Jesus s epic final ten day journey as his mission on earth comes to an end Seeing how he died will teach all of us how to live Challenging both the heart and the mind The Last King of Israel is a must read for those who desire a deeper understanding of who Jesus is and the life he lived The Fate of the Day Rick Atkinson, 2025-04-29 In the second volume of the landmark American Revolution trilogy by the Pulitzer Prize winning and 1 New York Times bestselling author of The British Are Coming George Washington's army fights on the knife edge between victory and defeat The first twenty one months of the American Revolution which began at Lexington and ended at Princeton was the story of a ragged group of militiamen and soldiers fighting to forge a new nation By the winter of 1777 the exhausted Continental Army could claim only that it had barely escaped annihilation by the world's most formidable fighting force Two years into the war George III is as determined as ever to bring his rebellious colonies to heel But the king s task is now far more complicated fighting a determined enemy on the other side of the Atlantic has become ruinously expensive and spies tell him that the French and Spanish are threatening to join forces with the Americans Prize winning historian Rick Atkinson provides a riveting narrative covering the middle years of the Revolution Stationed in Paris Benjamin Franklin woos the French in Pennsylvania George Washington pleads with Congress to deliver the money men and materiel he needs to continue the fight In New York General William

Young Adult Science Fiction C. W. Sullivan III,1999-03-30 At the close of the nineteenth century American youths developed a growing interest in electricity and its applications machines and gadgetry When authors and publishers recognized the extent of this interest in technology they sought to create reading materials that would meet this market need The result was science fiction written especially for young adults While critics tended to neglect young adult science fiction for decades they gradually came to recognize its practical and cultural value Science fiction inspired many young adults to study science and engineering and helped foster technological innovation At the same time these works also explored cultural and social concerns more commonly associated with serious literature Nor was young adult science fiction a peculiarly American phenomenon authors in other countries likewise wrote science fiction for young adult readers This book examines young adult science fiction in the U S and several other countries and explores issues central to the genre The first part of the book treats the larger contexts of young adult science fiction and includes chapters on its history and development Included are discussions of science fiction for young adults in the U S and in Canada Great Britain Germany and Australia These chapters are written by expert contributors and chart the history of young adult science fiction from the nineteenth century to the present The second section of the book considers topics of special interest to young adult science

fiction Some of the chapters look at particular forms and expressions of science fiction such as films and comic books Others treat particular topics such as the portrayal of women in Robert Heinlein's works and representations of war in young adult science fiction Yet another chapter studies the young adult science fiction novel as a coming of age story and thus helps distinguish the genre from science fiction written for adult readers All chapters reflect current research and the volume concludes with extensive bibliographies Poland's Last King and English Culture Richard Butterwick, 1998 In Poland's Last King Richard Butterwick reassesses the achievement of Poland's most controversial king He shows how Stanislaw August s radical plans for constitutional reform and the renewal of Polish culture were profoundly influenced by his admiration of England and examines the successes and limitations of the Polish Enlightenment The Complete Book Of Muslim & Parsi Names Menka Gandhi, 2004-10-16 On the day of Qayamat you will be called by your names and the names of your fathers Therefore keep good names The Prophet The Complete Book of Muslim and Parsi Names is a practical guide for choosing the perfect name for your child The result of several years of research it is an erudite and thorough compilation of approximately 30 000 names taken from ten languages With the actual and the construed meanings and the history or mythology associated with the name given against each entry this is a precise and invaluable sourcebook for scholars and lay *In Byron's Shadow* David Roessel, 2001-11-29 Modern Greece constructed by the early nineteenth century ideals and ideas associated with Byron has been haunted holy ground in English and American literature for almost two centuries In Byron's Shadow analyzes how authors employ ideas about romantic nationalism gender politics shifts in cultural constructions and literary experimentation to create variations of Greece to suit changing eras The Last War of the Superpowers Otinel C, Iancu, 2018-01-29 The Last War of the Superpowers book takes a unique approach toward the main players and events of the drama of this world known to many as the Great Controversy between God and Satan The book begins by presenting the origin and the incipient phase of this conflict The rest of its chapters focus on the events leading up to the final climax of this universal war Using the Scriptures especially the books of Daniel and Revelation this book directs the attention of the reader toward not only past events but also toward events which are unfolding before his own eyes It enables him to see in what prophetic time he lives and what he can expect to see happening as he moves ahead into the final stage of this world s story Pseudonyms and Nicknames Dictionary: L-Z Jennifer Mossman, 1987 The Story of King **Richard II. from the Play of Shakespeare** William Shakespeare, 1904 The Middle English Legends of Visits to the Other World and Their Relation to the Metrical Romances Elizabeth Willson,1917 Hidden Critique of Solomon in the Hebrew Bible Pekka Särkiö, 2025-08-29 The period of Israel's united kingdom under King Solomon is portrayed in 1 Kings 3 11 as ideal in order to arouse hope for the restoration of Israelite kingship Conversely postexilic writers were faced with traditions that blamed the division of the united kingdom on Solomon's sins Pekka S rki explores how the writers of the Hebrew Bible used scribal tools and creativity to weave these disparate perspectives together with a subtle hidden critique
