*ChainBound* Walid el Hour, 2014-02 Every so often a book comes along which challenges everything we think we know about love and relationships a book that takes us on an incredible journey and allows us to glimpse those rare moments in life when love truly conquers all and sometimes the most unlikely candidates find themselves drawn to each other like bees to nectar This is one such book In this book you will discover that true love has no boundaries It is the glue that holds the pages of life together for two unlikely souls who just happen to discover that love is timeless and does not come with an expiration date This book represents the intense love a man has for his wife It s an uncommon union to be sure but make no mistake about it for the love shared by these two unlikely people is real and true You only need to read this love letter written by man to his wife to understand that true love cannot be quenched or stopped it continues to grow into something intense and beautiful What makes this book special is that it proves that fairytales can really come true when you let them Here s one that did I was both entertained and fascinated It is a powerful story and well told A great read John Hughes Wilson British Writer The Ladies' museum. sermon suggestions One from every chapter in the Bible Morgan's expositions sparkle as they enhance Bible texts from every chapter in the Bible Concise and delightfully free of redundancy these selections reveal the master expositor's keen analytical insight into God's Word To encourage preachers and Bible teachers to develop their own sermon and lesson themes creatively the author mentions that these are sermon suggestions not sermons or sermon outlines He intentionally left the notes untitled preferring to let the text of Scripture be their only caption These penetrating truths firmly anchored in Scripture are best described by G Campbell Morgan himself On every page of the God-breathed Writings there are many thoughts which stretch out like long clear arms of light across the darkness discovering things which otherwise were hidden and often illuminating wider areas than those of the immediate context They are searchlights From the multitude of these I have selected one in each chapter of the Bible Perhaps the work will also serve to illustrate a method of showing how focal
