The Last Ride Of Shadow Briggs:

The Last Ride of Shadow Briggs Sam Fadala, 2018-09-04 Justice must be served when eighteen year old Billy Point is murdered on the Arizona Mexico border But the prominent family of the young man is incensed that the lawman chosen to go after the killers is a retired Arizona Ranger John Shadow Briggs Shadow Briggs has never been one to shirk his duty and this time is no different The best of the best he follows the cold trail of the murderers muddled by the attempts of the young man's hot headed father to take the law into his own hands The re telling of this last assignment the steady pursuit and the final outcome is the precious gift Shadow Briggs bequeaths an aspiring young writer This is the story of how tangled justice was sorted by one man Duty lies heavy on a man's shoulders and some things can never be forgotten Such was THE LAST RIDE OF SHADOW BRIGGS The Last Ride of Shadow Briggs brought me back to the border country where I ranched on the Turkey Track spread Fadala has managed to breathe life into the last of the Wild West This one goes on the shelf with my favorite novels John Kane American cowboy Colorado The Last Ride of Shadow Briggs is destined to take its place alongside Shane and The Ox Bow Incident as a serious classic work in Western fiction The characters come to life vividly and realistically The story is unforgettable Jake Astor Oregon [The Last Ride of Shadow Briggs](#) Sam Fadala, 2012-03-22 A story of age and duty

A retired Arizona Ranger follows two killers into Mexico **Celestial Shadows** John Westfall, William Sheehan, 2014-11-19 Much of what is known about the universe came from the study of celestial shadows This book looks in detail at the way eclipses and other celestial shadows have given us amazing insights into the nature of the objects in our solar system and how they are even helping us discover and analyze planets that orbit stars other than our Sun A variety of eclipses transits and occultations of the moons of Jupiter and Saturn Pluto and its satellite Charon asteroids and stars have helped astronomers to work out their dimensions structures and shapes even the existence of atmospheres and structures of exoplanets Long before Columbus set out to reach the Far East by sailing West the curved shadow of the Earth on the Moon during a lunar eclipse revealed that we inhabit a round world a globe More recently comparisons of the sunlit and Earthlit parts of the Moon have been used to determine changes in the Earth's brightness as a way of monitoring possible effects in cloud coverage which may be related to global warming Shadows were used by the Greek mathematician Eratosthenes to work out the first estimate of the circumference of the Earth by Galileo to measure the heights of the lunar mountains and by eighteenth century astronomers to determine the scale of the Solar System itself Some of the rarest and most wonderful shadows of all are those cast onto Earth by the lovely Evening Star Venus as it goes between the Earth and the Sun These majestic transits of Venus occur at most two in a century after the 2012 transit there is not a chance to observe this phenomenon until 2117 while the more common sweep of a total solar eclipse creates one of the most dramatic and awe inspiring events of nature Though it may have once been a source of consternation or dread solar eclipses now lead thousands of amateur astronomers and eclipse chasers to travel the globe in order to experience the dramatic view under

totality These phenomena are among the most spectacular available to observers and are given their full due in Westfall and Sheehan s comprehensive study *Shadows at War* Kenneth L. Capps,2018-08-01 Kenneth L Capps has Turned the Reality of Corruption into a Page Turning Thriller In the background of Operation Iraqi Freedom and the war in Iraq with a dedicated soldier as their pawn two powerful men play a high stakes game One works on the side of good but is corrupted when he realizes what he could gain by utilizing his position to his own advantage The other has been working for years patiently waiting for his chance to possess his prize But which of them is the lesser of two evils The young soldier struggles to figure out who to trust when the line between right and wrong is blurred by a shadow that grows darker with each carefully crafted lie Fans of Brad Thor Brad Meltzer Ted Bell and Karl Mailantes will love the twists and turns of this suspense filled thriller written by a former Marine who served in Operation Desert Shield **Summer of Shadows**

Jonathan Knight,2010-12-01 Summer of Shadows is an intertwining narrative that tells the story of the 1954 Cleveland Indians which would etch itself in history as one of the greatest baseball teams in MLB history and the infamous murder of the wife of Dr Sam Sheppard in their home along the shore of Lake Erie which held both the city and the nation spellbound that summer Both of these generation defining stories take place in the final days of the Best Location in the Nation the nickname for the Cleveland of the 1950s which truly was one of the great and most influential cities in America The Sheppard case would influence the television series The Fugitive a decade later and give Cleveland s reputation a black eye following the shoddy and unethical behavior of the city s police department and news media which led to the conviction of an innocent man Meanwhile the 1954 Indians would post the greatest season in American League history and dethrone the five time champion New York Yankees in a dramatic pennant race culminating in a September doubleheader before 86 000 fans at Cleveland Stadium The powerful Indians would then be swept by Willie Mays and the New York Giants in the World Series These two parallel tragedies harbinger an onslaught of adversity that dragged Cleveland from its lofty standing as a leading American city to one with a bleak even comic reputation Summer of Shadows is essentially a postcard from that gilded age when the city enjoyed its own golden October not knowing that decades of dismal bitter winter lay ahead *Jeff Briggs's Love Story* Bret Harte,2021-04-24 In Jeff Briggs s Love Story Bret Harte weaves a captivating narrative that transcends the conventions of 19th century American literature Set against the backdrop of the California gold rush the novella explores themes of love social status and moral integrity through the lens of its titular character Jeff Briggs Harte employs a vivid and evocative literary style characterized by regional dialect and rich descriptions which immerse the reader in the rugged yet romantic landscape of the American West This work not only contributes to the local color movement of the time but also adeptly critiques the social hierarchies that dictated relationships and personal aspirations in that era Bret Harte an American author known for his depictions of life in California during the Gold Rush found inspiration from the myriad cultures struggles and dreams that converged in the West His firsthand experiences as a gold miner and newspaper editor

informed his nuanced understanding of both the hardships and romanticized ideals of frontier life This autobiographical lens adds depth to the characters and the intricate dynamics of their relationships in Jeff Briggs s Love Story Readers seeking a richly textured exploration of love amidst adversity will find Harte s novella both poignant and illuminating Its exploration of character and place offers timely reflections on human connections and societal expectations making it an essential addition to anyone s literary collection

Giant in the Shadows Jason Emerson, 2012-03-27 University Press Books for Public and Secondary Schools 2013 edition Book of the Year by the Illinois State historical Society 2013 Although he was Abraham and Mary Lincoln s oldest and last surviving son the details of Robert T Lincoln s life are misunderstood by some and unknown to many others Nearly half a century after the last biography about Abraham Lincoln s son was published historian and author Jason Emerson illuminates the life of this remarkable man and his achievements in *Giant in the Shadows: The Life of Robert T Lincoln* Emerson after nearly ten years of research draws upon previously unavailable materials to offer the first truly definitive biography of the famous lawyer businessman and statesman who much more than merely the son of America s most famous president made his own indelible mark on one of the most progressive and dynamic eras in United States history Born in a boardinghouse but passing his last days at ease on a lavish country estate Robert Lincoln played many roles during his lifetime As a president s son a Union soldier an ambassador to Great Britain and a U S secretary of war Lincoln was indisputably a titan of his age Much like his father he became one of the nation s most respected and influential men building a successful law practice in the city of Chicago serving shrewdly as president of the Pullman Car Company and at one time even being considered as a candidate for the U S presidency Along the way he bore witness to some of the most dramatic moments in America s history including Robert E Lee s surrender at Appomattox Courthouse the advent of the railroad telephone electrical and automobile industries the circumstances surrounding the assassinations of three presidents of the United States and the momentous presidential election of 1912 *Giant in the Shadows* also reveals Robert T Lincoln s complex relationships with his famous parents and includes previously unpublished insights into their personalities Emerson reveals new details about Robert s role as his father s confidant during the brutal years of the Civil War and his reaction to his father s murder his prosecution of the thieves who attempted to steal his father s body in 1876 and the extraordinary measures he took to ensure it would never happen again as well as details about the painful decision to have his mother committed to a mental facility In addition Emerson explores the relationship between Robert and his children and exposes the actual story of his stewardship of the Lincoln legacy including what he and his wife really destroyed and what was preserved Emerson also delves into the true reason Robert is not buried in the Lincoln tomb in Springfield but instead was interred at Arlington National Cemetery Meticulously researched full of never before seen photographs and new insight into historical events *Giant in the Shadows* is the missing chapter of the Lincoln family story Emerson s riveting work is more than simply a biography it is a tale of American achievement in the Gilded Age and the endurance of the Lincoln legacy
