The Stick of Joseph in the Hand of Ephraim ,2020-06-16 The ancient House of Israel consisted of 12 families or tribes named for the 12 sons of Jacob Israel Ten of those tribes were conquered driven from their homelands and scattered throughout the world Although their bloodlines continue they have lost their identity with the

House of Israel The remaining two tribes have retained their identity and are now known as the Jewish people named for the tribe of Judah Over 2500 years ago the prophet Ezekiel foretold a day when the spirit of YHWH would stir the scattered remnants of Israel and restore them to life Ezekiel 37 11 14 He also prophesied of a second scriptural record to come forth from the tribe of Joseph to Judah in the hand of Joseph's son Ephraim This is that prophesied record The Stick of Joseph in the Hand of Ephraim is a sacred first temple period Israelite text written by a prophetic family from the tribe of Joseph who fled Jerusalem in 601 BCE YHWH led them for years in the wilderness and finally brought them over the wall to ancient America in fulfillment of Jacob's final blessing to Joseph Genesis 49 22 For 1 000 years these ancient Israelites kept sacred records When their civilization ended in destruction 420 CE their final prophet Mroni hid this record in the ground to come forth in the future for the prophesied restoration of scattered Israel to its former glory This record is all of the following unique and extraordinary things The shofar sounding to scattered Israel as YHWH's final attempt to gather His people A dire warning to the USA and a cry of repentance to the state of Israel Any nation that does not honor the God of Israel will not survive An independent witness of the prophets Mashiach and the covenants given by YHWH to Israel A record of the means whereby all mankind can as Moses ascend to stand in the presence of YHWH An invitation to believe and receive the promises YHWH extends to those who will be His people This is the only Hebrew Messianic ascension document in existence that has not been influenced by entanglements with Babylon Greece or Rome because those who kept the record left Jerusalem and the Eastern Hemisphere prior to the Babylonian captivity It is the most sublime and direct Jewish ascension text available This annotated Hebrew roots English edition restores the ancient Hebraic nature of the record to provide a clear understanding of Israel's God His work now underway and the coming age of Mashiach Whether you study religion in the Torah Tanakh Talmud NIV Bible Zohar New Testament Book of Mormon Catholic writings LDS scriptures biblical commentary or other holy books this volume will inspire you to greater prophetic literacy gifts in spirituality understanding of history and theology and most importantly immerse your soul in a conversation and relationship with that God who loves forgives guides and reconnects honest searchers with the tree of life The Stick of Joseph is a greater discovery than the Dead Sea Scrolls or the Nag Hammadi library though it has received far less attention It is the preeminent Messianic document in the world untwisting the false Greek caricature known as Jesus Christ of Nazareth It restores the basics of the complete ancient Israelite faith and culture largely absent from modern rabbinic Judaism The ten commandments temples altars Passover the law of Moses patterns evidence and much lost understanding all come together in this invaluable journal record of wandering Israeli Hebrews who founded a great civilization

The Trials and Passion of Christ Michael E. Cannon,2011-02-25 The Passion of Christ is observed by people all around the world as one of the more significant days on the Christian calendar In certain parts of the world such as the Philippines the re enactments of the crucifixion can go so far as to include actual nails driven through the hands of participants as they wail in pain Is this the way we are to learn about the crucifixion Will a re enactment teach us the truth of the cross The text of John 18 and 19 teaches us clearly the facts of the crucifixion and is surrounded by intrigue and mystery For too long Protestant Christianity has neglected the years of scholarship in pre reformation and post reformation Roman research In *The Trials and Passion of Christ* Michael Cannon brings together the best of Protestant and Roman scholasticism to uncover significant details surrounding the trials and the drama of the crucifixion on Golgotha This book is a journey reading nearly like an eye witness report through the trials the suffering and the passion of Christ

Eschatology of the Prophet Daniel Frederick Guttman, The prophet Daniel is a historical icon of the people of Israel although he is more special to Christian theology It is especially important for being the prophet with the most revelations received in a historical context and even in great detail addressing global issues of geopolitics and conquest centuries before such occurred Although this man is much more for Christianity than for the Jews themselves and that is why I have dedicated this work to him since unlike what would happen to a greater extent with Judaism within Christianity he is largely a turning point in eschatology The name Daniel means in Hebrew God is my judge or judgment of God although during his stay in Babel Babylon he was called in Akkadian Balatsu usur Bel protects the king transcribed to Spanish as Beltsasar He was one of the sons of the Jewish aristocracy who were taken out of Israel by Nebuchadnezzar II of Babylon during the time of Iahoiqin Joachim king of Judah that is he was taken captive back in 598 or 597 BC C although it is not officially known how old he was when he was taken or his year of birth itself Something that recently came to be known is that the book of Daniel enjoyed great popularity among the essence

community there is much information that emphasizes his writing in the Qumran Caves even considering it canonical the Jews did not put Daniel with the compendium of manuscripts of the Nebi m Prophets but with the merely historical ones the Ketubim Writings In fact if the popularity of a book is judged by the number of copies of copies found in the caves Daniel with its 8 scrolls would occupy 4th place together with the book of the 12 prophets Deuteronomy has 14 manuscripts Isaiah is 12 and the Samos are 10 *The Cabinet of Instruction,literature,and Amusement* ,1829 The Scriptural Temple: Understanding the Temple through the Scriptures Mark H. theological enrichment in the ecumenical discussions all over the world In our time the exchange of gifts plays a great role in promoting unity of the Churches Especially the concepts of African theology with the incomparable special position of Jesus Christ as proto ancestor are important for the interconfessional dialogues The veneration of the ancestors in Africa can be a help to begin ecumenical discussions in this regional context on the question of the veneration of the saints According to African tradition the ancestors also have influence on the process of purification Therefore the veneration of the ancestors contributes to providing answers to the ecumenical controversies about the understanding of the eschatological purification
