Seven Trumpets and the Investigative Judgment, The David D. Burdick, 2017-04-13 Earthquakes rip through the world as the Creator approaches the stars fall the sun goes dark and the moon proclaims death Jesus comes and His powerful presence causes the atmosphere to split and roll away Revelation 6 shows people wailing for the mountains to bury them Fall on us and hide us from the face of Him who sits on the throne and from the wrath of the Lamb for the great day of His wrath is come and who will be able to stand And who does stand in that day No one Not a single soul It s the total annihilation of a vile self righteous human race God s followers expected all of this to happen on October 22 1844 They watched and waited but Jesus didn t return This was only a warning preview of His return in the sixth seal In God s mercy He commands to delay the cataclysm of judgment day so that He can send to the world the needed preparation for the day of wrath That needed preparation comes with the seven trumpets of the seventh seal that occur after 1844 The postponed destruction seen in the sixth seal will yet be a future reality The Seven Trumpets and the Investigative Judgment examines chapters 4 11 in the book of Revelation and studies how recent events since 9 11 have almost completed God s gracious delay This book presents a new view of Revelation that meets the biblical rules of prophetic interpretation and of the inspired testimony of Jesus which is the spirit of prophecy Rev 19 10 How have we done in this waiting period Will we stand when Jesus returns By God s grace this book will help you prepare for that great day Farewell the Trumpets Jan Morris, 2010-12-22 Farewell the Trumpets An Imperial Retreat traces the momentous decline and fall of the greatest of empires from Queen Victoria s Diamond Jubilee to the death of Winston Churchill in 1965 With characteristic balance this masterpiece of narrative history describes the long retreat and final dissolution of the British Empire The Pax Britannica Trilogy includes Heaven s Command An Imperial Progress and Pax Britannica The Climax of an Empire Together these three works of history trace the dramatic rise and fall of the British Empire from the accession of Queen Victoria in 1837 to the death of Winston Churchill in 1965 Jan Morris is also world renowned for her collection of travel writing and reportage spanning over five decades and including such titles as Venice Coronation Everest Hong Kong Spain A Writer s World and most recently Contact The British Empire is fortunate in having found in Morris a chronicler and memorialist who can do it justice Morris writes with inspired gusto firmly rooted in erudition which carries the book into the realms of literature Sunday Telegraph One of our finest writers on Empire alive to its glory yet with a beady eye for the corruptions and failures which were at its heart along with the dreams Observer **A new solution, in part, of the seals, trumpets, and other symbols of the Revelation of st. The Call of the Trumpets Adriaan Lens Van Rijn, 2014-11-28 What is really going to happen at the End of the Age This revelatory book will be of great help to understand the hidden meanings in the prophetic books of the Bible especially the book of the Revelation of Saint John It will help us to prepare for the days ahead *The Trumpeter Swan* Winston E.

Banko,1968      **Hidden In Plain Sight: A Study of the Revelation to John** Uchenna Mezue,2015-10-03 The Revelation to John has been with us for about 2000 years and has been the subject of diverse attempts at interpretation The Revelation as given is a vision of the end time work of the Son of Man and the sole purpose is to prepare humanity for that mission and offer them the chance to recognise the last Envoy of God when He does come It is only with this understanding in view that the Revelation can be appreciated All the promised messages for the end time are now available to us and I believe we are in a better position to understand the message of The Revelation Indeed I believe that we urgently need to understand its message The urge and pressure amongst all striving human spirits to unravel the mysteries of The Revelation represents this need This study is not a substitute for The Revelation but may be regarded as a call for a deeper study and hopefully an awakening to the need to experience the times in a more alert manner The work is offered in the recognition that the Revelation is being fulfilled in this epoch and as such is a must read for all striving human spirits      The Book of Revelation

G. K. Beale,2013-09-07 This commentary series is established on the presupposition that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical linguistic and textual context Such thorough exegetical work lies at the heart of these volumes which contain detailed verse by verse commentary preceded by general comments on each section and subsection of the text An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs In this connection the authors make their own scholarly contributions to the ongoing study of the biblical text The text on which these commentaries are based is the UBS Greek New Testament edited by Kurt Aland and others While engaging the major questions of text and interpretation at a scholarly level the authors keep in mind the needs of the beginning student of Greek as well as the pastor or layperson who may have studied the language at some time but does not now use it on a regular basis      **The 7 Trumpets** Leslie Dutcher,2024-05-17 The Book of Revelation talks about three groups of seven Seven Seals Seven Trumpets and Seven Vials These three sets of seven make up the primary configuration of the Book of Revelation The Seven Seals are a long story that ends at the Battle of Armageddon The Seven Trumpets are a shorter story that also ends at the Battle of Armageddon While the Seven Vials is a real short story that ends at the Battle of Armageddon The seven vials do not begin until after the mark of the beast is administered This is known because the Bible states that the first vial will be released upon those who accepted the mark of the beast Therefore we can conclude that all seven vials will be released upon mankind during the final three and a half years before the Battle of Armageddon and the Second Coming of Jesus Christ The last three and a half year period is known as the Great Tribulation This book explains when the trumpets began and how many have already sounded      *Chronicles of the End Times* Mark Davidson,2018-10-05 Mark Davidson author of Daniel Revisited has created a unique interpretation of end time Bible prophecy using the ancient concentric reading method known as chiasmatics Lost centuries ago it was rediscovered by seminary scholars in the eighteenth

century This reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text When combined with the words meanings we receive a greater understanding of prophetic scripture In Daniel Revisited Davidson showed us the four signposts four events prophesied in Daniel 7 and 8 and Revelation 6 to occur in the Middle East prior to the Rapture and Tribulation Now in Chronicles of the End Times chiastic reading has been applied to all of Daniel Revelation and other books pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth A chiastic reading of Daniel Zechariah 1 6 Matthew 23 25 and Revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others How do Daniel 2 and 7 interact and why are the kingdoms metals and beasts What s the purpose of Daniel s Aramaic chapters and how do they affect the end times Which parts of Daniel 11 are to be fulfilled in ancient times versus end times What is the real identity of Mystery Babylon and how does this help us in the end times How do the two scrolls of Revelation give greater understanding of the trumpets and bowls What are the Seven Events of the end times and which one is next This all may seem incredible for one book but is nevertheless true The chiastic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end time prophecy *Dissertation On the Seals and Trumpets of the Apocalypse, and the Period of 1260 Years* William Cuninghame, 2024-03-08 Reprint of the original first published in 1843

Together with a collection of some memorable things in his life, 1788 **The emperor's trumpeter** Albert Lee, 1908 The Seven Parties Jewish Zélio Cabral, 2021-06-28 The seven annual Feasts of the people of Israel were Passover Bread Asmos Firstfruits Pentecost Trumpets Atonement and Tabernacles Leviticus 23 There is a huge need for the Church of Christ today understand the prophetic meanings of the feasts of the Lord even because they are linked to our redemption The seven Jewish festivals the feasts of the Lord was ordained by God to the people of Israel through his servant Moses described in the Torah the Bible specifically in the book of Leviticus chapter 23 Speak to the children of Israel and say to them The solemnities of Lord whom ye shall summon they shall be holy summons these are my solemnities My parties My commitments These are the solemnities of the Lord the holy summons which ye shall call in due time determined Leviticus 23 2 4 These parties were a teaching tool for the children of Israel They typified the coming of the Messiah and his final return for the salvation of the nation The first four parties also called festivals of the spring point to the first coming of the Messiah which were perfectly fulfilled by the Messiah Jesus Yeshua on certain days Pesach Passover points to crucifixion and death of Yeshua Jesus Fulfilled Matzot Unleavened Bread point to the burial of Yeshua Jesus Fulfilled Habikurim Firstfruits point to the Resurrection of Yeshua Jesus Fulfilled Shavuot

Pentecost point to the descent of the Ruach Hakodesh Holy Spirit on the day of Pentecost Fulfilled at his first coming and the resurrection of the Church at its second coming very close to being fulfilled The last three parties also called parties of the autumn point to the second coming of the Messiah The first festival of autumn is Yom Teruah Rosh Hashanah known as the Feast of Trumpets which prophetically point to the Rapture of the remnant of the Church Very close to being fulfilled Maranatha Yom Kippur Day of Atonement is the day of forgiveness and points for the redemption of Israel during the tribulation period still to be fulfilled Sukkot Feast of Tabernacles Point to Return from the Messiah to the earth and the establishment of the millennial Kingdom still to be fulfilled Having the cycle of the first four parties been fully fulfilled by the Messiah Yeshua at his first coming the cycle of the last three parties will also be perfectly fulfilled by the Messiah at his second coming To fully understand the prophecies of the rapture contained in the Bible it is important that attend to two points first it is important to have understanding the prophetic meaning of the Jewish festivals of the Lord and second it is important to know the Jewish idioms of the first century used by the Messiah and his apostles OK highlight that both Yeshua Jesus and the apostles they were all Jews followers of the Torah Pentateuch and the Tanach Old Testament This book is intended to help the reader understand the prophetic sense of these parties and prepare for the biggest event in human history the rapture

The Trumpeter of Säckingen Joseph Viktor von Scheffel, 1877      *The Posttribulational Rapture of the Church* Bruce Tucker, 2001-12-17

There are numerous texts written about the rapture and the end times A brief excursion to your local Christian bookstore will provide ample evidence of the interest in this topic From time to time people will attempt to give their text a twist or a slant in order to make their text different from the others Nevertheless most books about the rapture present the standard pretribulational argument and their unique nesses rest primarily in the contemporary issues which have stimulated the renewed discussion New developments in the Middle East will usually generate a new set of books Today the New World Order Y2K and even El Nino have provided fresh grist for predicting an imminent rapture The interest enthusiasm publications and even movies about the rapture are still increasing A series of fictional novels about the tribulation period are cranked out monthly Recent Hollywood motion pictures including Left Behind are based upon this This book is different for several reasons It does not emphasize any contemporary issue or current events which relate to the pretribulational scenario Instead it will spend its energies on specific biblical principles and doctrines and leave the application of those doctrines to the reader What is more unique is that this book promotes a posttribulational rapture a position which is different from most of the other books and it critiques the theology of the pretribulational rapture which is the foundation for most of the other texts Books which promote a posttribulational rapture are few indeed and they are often too technical for the average lay person There is a need for a book which is a comprehensive look at the rapture question and yet attempts to keep the language more understandable To achieve the goal of being comprehensive this book is divided into three parts 1 a critique of the major arguments for a pretribulational rapture 2 an analysis of the major biblical sections

which discuss the rapture and 3 a selective commentary on the Book of Revelation The first section defines and evaluates the major pretribulational arguments These arguments are repeated time and again in books promoting a pretribulational rapture They are significant because they either help sustain a pretribulational rapture if justified or they weaken it significantly if not The church is not destined for wrath The rapture must be imminent The distinction between the church and Israel The posttribulationists spiritualize the Bible The types and parables teach a pretribulational rapture The differences between the rapture and second coming The second part of the book is an exposition of the major sections of the Bible which discuss the rapture As the first part writes from the perspective of systematic theology the second part deals with biblical theology The Bible is evaluated independently from a system of theology and attempts to interpret the major texts on the rapture Here are the passages to be addressed The rapture passages in the Gospels The rapture passages In First and Second Thessalonians The rapture passages in First Corinthians The rapture passages in Second Peter The third part focuses upon the Book of Revelation No discussion of the issue of the rapture or eschatology could be complete without including a discussion on this book This book is both complicated and controversial and my intent is not to write a complete commentary about Revelation but only to discuss what is necessary to     The Trumpeter of Säkkingen Scheffel,1877     **A**
