Sinning Lens:

Original Sins Peg Kingman, 2025-04-25 Why would a runaway Virginia slave having built a rewarding life in the East Indies as a silk merchant risk everything by returning to America in 1840 eighteen years after taking her freedom Anibaddh Lyngdoh claims that she intends to introduce a new kind of silk to the floundering American silk industry But her true reason as her old friend Grace MacDonald Pollocke discovers is far more personal Grace now a Philadelphia portrait painter undertakes a perilous investigation that leads to the discovery of old sins and crimes and the commission of new ones What laws may be broken what sins and crimes committed in the service of a higher justice Deceit forgery fraud perjury even murder This novel thrillingly evokes a nineteenth century America not so different from the present a time of stunning new technologies and financial collapse when religious and racial views collided with avowed principles of morality and law

grounding of spirit Fox argues that our culture has concentrated far too much on transgressions of the flesh while failing to take into account its sacredness Artfully weaving together the wisdom of East and West he considers Thomas Aquinas's definition of sin as misdirected love and applies parallels between the Eastern teachings of the seven chakras and the Western teachings of the seven capital sins Fox explains how the chakras teach us to direct the love energies we all possess and proposes seven positive precepts for living a full and spirited life He invites us to change the way we think about sin and asserts that we can combat and transform evil through love generosity letting go and creativity Crafting a blueprint for social change *Sins of the Spirit Blessings of the Flesh* points the way toward a deeper and more compassionate way to live while eloquently revealing the means to confront evil both within and without From the Trade Paperback edition *Original Sins* Eve L. Ewing, 2025-02-11 A fascinating and eye opening look at how American schools have helped build and reinforce an infrastructure of racial inequality a must read for every American parent and educator Esquire Most Anticipated Books of 2025 Though the argument of this book is bleak it illuminates a path for a more just future that is nothing short of dazzling Oprah Daily Most Anticipated Books of 2025 This book will transform the way you see this country Michelle Alexander author of *The New Jim Crow* If all children could just get an education the logic goes they would have the same opportunities later in life But this historical tour de force makes it clear that the opposite is true The U S school system has played an instrumental role in creating and upholding racial hierarchies preparing children to expect unequal treatment throughout their lives In *Original Sins* Ewing demonstrates that our schools were designed to propagate the idea of white intellectual superiority to civilize Native students and to prepare Black students for menial labor Education was not an afterthought for the Founding Fathers it was envisioned by Thomas Jefferson as an institution that would fortify the country's racial hierarchy Ewing argues that these dynamics persist in a curriculum that continues to minimize the horrors of American history The most insidious aspects of this system fall below the radar in the forms of standardized testing academic tracking disciplinary policies and uneven access to resources By demonstrating that it's in the DNA of American schools to serve as an effective and underacknowledged mechanism maintaining inequality in this country today Ewing makes the case that we need a profound reevaluation of what schools are supposed to do and for whom This book will change the way people understand the place we send our children for eight hours a day **The 10 Cardinal Sins of Leadership** Casey J. Bedgood, 2022-06-07 Why do some leaders succeed and others fail Is there a magic ingredient that the leaders must consider in their career journey to ensure the joy ride does not turn into a nightmare What is the key to maximizing leaders success in ways that are sustainable long term The purpose of this book is to provide a simple road map for leaders aspiring leaders students and anyone interested in the art of leadership to succeed in high risk environments Often leaders don't know what they don't know One main culprit is the lack of assessing measuring analyzing and addressing risk Simply put we don't know what we don't measure What is not known can and will eventually harm leaders organizations and their customers Change is the new

normal and only constant As change grows so does risk Risk can be a friend or foe to thought leaders It all depends on perspective insight and knowledge Ignorance is never bliss and leaders must leverage knowledge to mitigate risks at every turn In *The 10 Cardinal Sins of Leadership What Thought Leaders Must Never Do to Succeed in High Risk Environments* readers will learn How to identify measure analyze and address various types of risk How to determine if risk is a friend or a foe Strategic planning concepts that will allow leaders to magnify plan for leverage and marginalize risks long term Methods to ensure that inclusion efforts do not become overly exclusive thus excluding key stakeholders and creating new levels of organizational risk Techniques for looking back at organizational yesteryears to create a high performing journey map for the road ahead The value of perspective how we view things determines how we respond or wait to be disrupted unknowingly

Ancient Sins . . . Modern Addictions R. Scott Sullender, 2013-07-05 There is a virtual epidemic of addiction in the United States both traditional addictions to drugs and alcohol but also newer addictions like sex gambling rage work and food eating Some authorities have labeled addictions the number one mental health problem in America We are spending millions of dollars annually trying to prevent understand and treat this epidemic and yet by any measure of success we are losing this war In this cultural context Dr Sullender invites us to look again at the spiritually based scheme of the Seven Deadly Sins which originated at the dawn of Western civilization He suggests that what our spiritual forebears meant by deadly is best captured in the modern concept of addiction Based on this thesis this book explores what is addictive about the sins of pride envy anger greed gluttony sloth and lust and suggests that these sins are all obsessive and as such become the mental component in the addictive cycle Each chapter concludes by offering some spiritual resources practices and insights that can help us win the battle against addiction which is ultimately won or lost on a mental or spiritual plane *Broken*

Lenses Volume 3 Emily Bernath, 2023-09-19 As the third book in Emily Bernath's *Broken Lenses* series *Broken Lenses Volume 3 Experiencing God's Freedom in a World of Sin* steps back to answer the questions Who is God Do I want to get to know God What do I get out of it Anyone can walk into a church and hear messages about the goodness and holiness of God but what does that really mean And how does God's goodness impact everyday people *Broken Lenses Volume 3* aims to answer these questions head on with each chapter looking at a different characteristic of God's nature how God emulates that characteristic and how having a God who holds those characteristics impacts every human being It's one thing to know that God is holy sovereign and merciful it's another to know how God chooses to exercise that holy sovereign and merciful nature Everyone wants freedom from the shame and guilt of sin but only God is qualified to provide that freedom While many paint their own picture of God's identity and intention *Broken Lenses Volume 3* aims to dispel conflicting information about the heart of God and teach readers about God's true nature and the true freedom available to all who seek a relationship with Him *Broken Lenses* Emily Bernath, 2019-06-04 *Broken Lenses* reveals the truth of who God made people to be and the freedom that results from living out that truth A rape survivor Emily Bernath's life quickly turned away from having

everything to feeling hopelessness and worthlessness It was during that time of being open about her experience that it became apparent to her just how many other people experience those same feelings and so easily allow things that aren't true about them define who they are Broken Lenses stems from a passion to take outreach to the next level Inside Emily identifies some of the most popular lies people believe about themselves and pulls out the 12 biggest Biblical truths Christians should embrace in their own lives such as I am lovable and I am not a failure With her scientific background and tell it how it is approach Emily analyzes and connects each truth to God's word through a few key lessons for each truth She calls out the ways in which the enemy prevents people from believing these truths about themselves and what it looks like to truly embrace each of these truths Ultimately Broken Lenses helps readers achieve a more intimate relationship with God and the freedom that He desires each of his children to live in

Sinning Like a Christian William H. Willimon, 2011-07-19 The seven deadly sins are a well known topic but surprisingly not much has been written about them in recent years from a serious theological viewpoint Dr Willimon feels that a new book on this topic would be timely and of great interest to Christians He takes an unflinching look at the meaning and substance of sin Study questions by Dr Willimon are included The felt need is an increasing dissatisfaction with shallow feel good Christianity which does not attempt to grapple with our propensity visible around us and in our own lives to do evil

Broken Lenses: Volume 2 Emily Bernath, 2021-03-02 The inspirational Christian author presents a positive emotional and straightforward manual on Christian coping strategies Kirkus Reviews In the first book of the series Broken Lenses Identifying Your Truth in a World of Lies we learn to see ourselves as God sees us In doing so we begin to experience intimacy in our personal relationship with Him This second book addresses how we should see others the same way God sees them When we see others the way God sees them it facilitates an environment of unity rather than the division we commonly see in this world Broken Lenses Seeing Others Value in a World of Division focuses on twelve different truths such as They are Worthy They are Welcome and They Belong Each chapter explores what it means to value others using lessons from the Bible to show us how we can apply these truths in our own lives God sees everyone on this earth as valuable enough to die for In Broken Lenses Seeing Others Value in a World of Division Emily Bernath encourages readers to see the value He sees looking past people's worldly image to appreciate their Godly image
