everyone in her family will enjoy This summer she has arranged a dream trip in the Mediterranean on a luxurious yacht which she hopes will be the most memorable vacation of all Her lavish gesture every year expresses her love for them and regret at all the important times she missed during her children s younger years Her younger daughter Cassie a hip London music producer refuses the invitation altogether as she does every year Her older daughter Liz lives in her mother s shadow with a terror of failure as she tries to recapture her dream of being a writer And her sons John and Phillip work for Olivia for better or worse with wives who wish they didn t In the splendor of the Riviera this should be a summer to remember with Olivia s children grandchildren and daughters in law on board But as with any family gathering there are always surprises and no matter how glamorous the setting things don t always turn out as ones hopes Family dynamics are complicated old disappointments die hard and as forgiveness and surprising revelations enter into it new bonds are formed and the future takes on a brighter hue And one by one with life s irony Olivia s children find themselves committing the same sins for which they blamed their mother for so many years It is a summer of compassion important lessons and truth The Sins of the Mother captures the many sides of family love complex challenging funny passionate and hopefully enduring Along the way we are enthralled by an unforgettable heroine a mother strong enough to take more than her fair share of the blame wise enough to respect her children for who they really are and forgiving enough to love them unconditionally **BONUS** This edition includes an excerpt from Danielle Steel s *Winners* *The Sins of the Mothers* Jenna Carole, Pigtales Publishing, 2001 **The Best From Fantasy and Science Fiction** Edward L.
