Sir Philip Sidney The Shepherd Knight:

Sir Philip Sidney Roger Howell, 1968 *The Making of Sir Philip Sidney* Edward Berry, 1998-12-15 Does a poet make himself or do his culture and his fiction make him Sir Philip Sidney is one of the most popular and enduring of Elizabethan authors and one of those most preoccupied with the relationship between self society and art Edward Berry's *The Making of Sir Philip Sidney* explores how Sidney made or created himself as a poet by making representations of himself in the roles of some of his most literary creations Philisides Astrophil and the intrusive persona of the Defence of Poetry Focusing on the significance of these and other self representations throughout Sidney's career Berry combines biography social history and literary criticism to achieve a carefully balanced portrayal of the poet's life and work This is a book that makes a significant contribution to our understanding of Sidney and is likely to appeal to both students and scholars of Sidney as well as to those wishing to understand the cultural events that shaped this central figure of the English Renaissance Electronic Format

Philip Sidney and the Poetics of Renaissance Cosmopolitanism Robert E. Stillman, 2016-04-22 Celebrations of literary fictions as autonomous worlds appeared first in the Renaissance and were occasioned paradoxically by their power to remedy the ills of history Robert E Stillman explores this paradox in relation to Philip Sidney's Defence of Poesy the first Renaissance text to argue for the preeminence of poetry as an autonomous form of knowledge in the public domain Offering a fresh interpretation of Sidney's celebration of fiction making Stillman locates the origins of his poetics inside a neglected historical community the intellectual elite associated with Philip Melanchthon leader of the German Reformation after Luther

the so called Philippists As a challenge to traditional Anglo centric scholarship his study demonstrates how Sidney s education by Continental Philippists enabled him to dignify fiction making as a compelling form of public discourse compelling because of its promotion of powerful new concepts about reading and writing its ecumenical piety and its political ambition to secure through natural law from universal Ideas freedom from the tyranny of confessional warfare Intellectually ambitious and wide ranging this study draws together various elements of contemporary scholarship in literary religious and political history in order to afford a broader understanding of the Defence and the cultural context inside which Sidney produced both his poetry and his poetics

The Evolution of the Grand Tour Edward Chaney,2014-01-14 The Grand Tour has become a subject of major interest to scholars and general readers interested in exploring the historic connections between nations and their intellectual and artistic production Although traditionally associated with the eighteenth century when wealthy Englishmen would complete their education on the continent the Grand Tour is here investigated in a wider context from the decline of the Roman Empire to recent times Authors from Chaucer to Erasmus came to mock the custom but even the Reformation did not stop the urge to travel From the mid sixteenth century northern Europeans justified travel to the south in terms of education The English had previously travelled to Italy to study the classics now they travelled to learn Italian and study medicine diplomacy dancing riding fencing and eventually art and architecture Famous men and an increasing proportion of women all contributed to establishing a convention which eventually came to dominate European culture Documenting the lives and travels of these personalities Professor Chaney s remarkable book provides a complete picture of one of the most fascinating phenomena in the history of western civilisation

People of Paradox Michael Kammen,2012-10-03 In this major interpretive work Mr Kammen argues that most attempt to understand America s history and culture have minimized its complexity and he demonstrates that from our beginnings what has given our culture its distinctive texture pattern and thrust is the dynamic interaction of the imported and the indigenous He shows now during the years of colonization especially in the century from 1660 to 1760 many ideas and institutions were transferred virtually unchanged from Britain while simultaneously others were being transformed in the New World environment As he unravels the tangled origins of our bittersweet culture Mr Kammen makes us see that unresolved contradictions in the American experience have functioned as the prime characteristic of our national style Puritanical and hedonistic idealistic and materialistic peace loving and war mongering isolationist and interventionist consensus minded and conflict prone these opposing strands go back to the roots of our history He pursues them down through the seventeenth and eighteenth

centuries from the traumas of colonization and settlement through the tensions of the American Revolution making clear both the relevance of this early experience to nineteenth and twentieth century realities and the way in which America dualisms have endured and accumulated to produced such dilemmas as today s poverty amidst abundance and legitimized lawlessness Far from being a study in social pathology *People of Paradox* is a depiction of a complex society and am explanations of its development a bold interpretation that gives an entirely new perceptive to the American ethos

The Masters of the Revels and Elizabeth I's Court Theatre W. R. Streitberger,2017-08-17 *The Masters of the Revels and Elizabeth I's Court Theatre* places the Revels Office and Elizabeth I's court theatre in a pre modern patronage and gift exchange driven world of centralized power in which hospitality liberality and conspicuous display were fundamental aspects of social life W R Streitberger reconsiders the relationship between the biographies of the Masters and the conduct of their duties rethinking the organization and development of the Office re examining its productions and exploring its impact on the development of the commercial theatre The nascent capitalist economy that developed alongside and interpenetrated the gift driven system that was in place during Elizabeth s reign became the vehicle through which the Revels Office along with the commercial theatre was transformed Beginning in the early 1570s and stretching over a period of twenty years this change was brought about by a small group of influential Privy Councillors When this project began in the early 1570s the Queen s revels were principally in house productions devised by the Master of the Revels and funded by the Crown When the project was completed in the late 1590s the Revels Office had been made responsible for plays only and put on a budget so small that it was incapable of producing them That job was left to the companies performing at court Between 1594 and 1600 the revels consisted almost entirely of plays brought in by professional companies in the commercial theatres in London These companies were patronized by the queen s relatives and friends and their theatres were protected by the Privy Council Between 1594 and 1600 for example all the plays in the revels were supplied by the Admiral s and Chamberlain s Players which included writers such as Shakespeare and legendary actors such as Edward Alleyn Richard Burbage and Will Kempe The queen s revels

essentially became a commercial enterprise paid for by the ordinary Londoners who came to see these companies perform in selected London theatres which were protected by the Council

Death, Religion, and the Family in England, 1480-1750 Ralph Anthony Houlbrooke, 2000 The interest and importance of the social history of death have been increasingly recognized during the last thirty years Ralph Houlbrooke examines the effects of religious change on the English way of death between 1480 and 1750 He discusses relatively neglected aspects of the subject such as the death bed will making and the last rites He also examines the rich variety of commemorative media and practices and is the first to describe the development of the English funeral sermon between the late Middle Ages and the eighteenth century Dr Houlbrooke shows how the need of the living to remember the dead remained important throughout the later medieval and early modern periods even though its justification and means of expression changed

Mediatrix Julie Crawford, 2014-05-29 Women Politics and Literary Production in Early Modern England considers the roles women played as literary patrons dedicatees readers and writers in the late sixteenth and early seventeenth centuries and the intimate relationship between these literary activities and what has often been called politically active humanism Focusing on the interrelated communities centered on Mary Sidney Herbert Countess of Pembroke Lady Margaret Hoby Lucy Harrington Russell the Countess of Bedford and Lady Mary Wroth Mediatrix argues that women played integral roles not only in the production of some of the most renowned literary texts in the period including Philip Sidney's *Arcadia* John Donne's poetry and Mary Wroth's *Urania* but also in wider networks of intellectual religious and political activism Each of the communities discussed was concerned with the cause loosely identified as international or militant Protestantism and frequently mediated through the circulation of texts of all kinds Illuminating women's constitutive involvement in everything from the genres of the texts produced romances verse letters texts of religious controversy to the places in which those texts were produced and circulated the estates of Wilton Penshurst Hackness Twickenham and Loughton and the conditions and hermeneutics by which they were read Mediatrix offers an account of early modern English literary production with women at the center and political activism as one of its primary rather than merely topical concerns
