lonely childhood to the children of King George V and Queen Mary We see glimpses of Prince Waldemar of Prussia who enjoyed collecting fossils on the Isle of Wight and terrifying his grandmother with a pet crocodile Prince Christian Victor of Schleswig Holstein who was the first prince to attend public school despite enjoying cricket much more than education and Prince Louis of Battenberg who introduced the Katuf into his family and recorded his voice on a wax cylinder Contrasts are drawn between childhood at the English court and that of the Queen s descendants at European capitals as well as the differing attitudes of royal parents For example Queen Victoria found babies to be very froglike whereas Queen Alexandra still gave children s parties to her children when they were adults
