Six World Religions Leopold Aletrino,1968      Six World Faiths W. Owen Cole,1996-01-01 Examines six major world religions Hinduism Judaism Christianity Islam Sikhism and Buddhism Each chapter is written by a member of the faith concerned and the book offers an introduction for all those seeking an understanding of a multi faith society      **Believers All - a Book of Six World Religions** David Simmonds,2014-11 NO description available      **World Religions** Jeaneane D. Fowler,2000-09-01 An introduction to the world religions of Judaism Christianity Islam Hinduism Buddhism and Sikhism Emphasis is placed on the living religion and the whole work is designed as a first level introduction for those who have little or no previous knowledge of these religions      **World Religions in Practice** Paul Gwynne,2011-09-07 World Religions in Practice introduces five of the world s great religions Hinduism Buddhism Judaism Christianity and Islam and explores how they are lived and expressed in custom ritual and symbol A major new textbook exploring the world s great religions through their customs rituals and everyday practices by focusing on this lived experience it goes beyond many traditional introductions to religious studies Adopts a directly comparative approach to develop a greater understanding of the nature of religion Each chapter engages with an individual theme such as birth death food pilgrimage and ethics to illustrate how religious practices are expressed Broadens students understanding by offering an impartial discussion of the similarities and differences between each religion Includes chapter by chapter opening themes and summaries and will be accompanied by a website at [www.blackwellpublishing.com/gwynne](http://www.blackwellpublishing.com/gwynne) featuring additional resources and study questions      **Death, Religion and Law** Peter Hutton,Ravi Mahajan,Allan Kellehear,2019-11-01 This practical guide summarizes the principles of working with dying patients and their families as influenced by the commoner world religions and secular philosophies It also outlines the main legal requirements to be followed by those who care for the dying following the death of the patient The first part of the book provides a reflective introduction to the general influences of world religions on matters to do with dying death and grief It considers the sometimes conflicting relationships between ethics religion culture and personal philosophies and how these differences impact on individual cases of dying death and loss The second part describes the general customs and beliefs of the major religions that are encountered in hospitals hospices care homes and home care settings It also includes discussion of non religious spirituality humanism agnosticism and atheism The final part outlines key socio legal aspects of death across the UK **Death Religion and Law** provides key knowledge discussion and reflection for dealing with the diversity of the everyday care of dying and death in different religious secular and cultural contexts It is an important reference for practitioners working with dying patients their families and the bereaved      **World Religions Reader** Gwilym Beckerlegge,2001 Gathers together material on six of the world s most influential faiths with readings drawn from a broad range of historical and contemporary sources      **Children and Childhood in World Religions** Don S. Browning,Marcia J. Bunge,2009-08-14 While children figure prominently in religious traditions few books have directly explored the complex

relationships between children and religion This is the first book to examine the theme of children in major religions of the world Each of six chapters edited by world class scholars focuses on one religious tradition and includes an introduction and a selection of primary texts ranging from legal to liturgical and from the ancient to the contemporary Through both the scholarly introductions and the primary sources this comprehensive volume addresses a range of topics from the sanctity of birth to a child s relationship to evil showing that issues regarding children are central to understanding world religions and raising significant questions about our own conceptions of children today

**Six Stages on the Spiritual Path** Ruth Whitney,2021-05-21 In Six Stages on the Spiritual Path we learn about spirituality and its stages as well as how spirituality helps to reduce our suffering and create more love Writings from ancient to contemporary mystics across the world provide us with practical and spiritual wisdom that will make our lives happier and more loving In the first stage on the mystic way children experience awe and wonder but they do not realize that this is a spiritual experience While all indigenous people recognize awe as a mystical experience only some adults and most artists do When parents and religious leaders teach children about God they cause their spiritual growth to flourish or to become stunted at an elementary school level Awakening is an experience of the Divine that helps us realize that the Sacred Spirit is within us and loves us Awakening produces love for our neighbors and ourselves Then love nurtures more awakenings Illumination and union are deeper mystical experiences that the Holy One is not only within all of us and all of creation but also that we are within the ONE Illumination creates more love for all people and all the universe

**World Religions and Cults Volume 1** Bodie Hodge,Roger Patterson,2015-08-13 Religions in today s culture seem to be multiplying Have you ever wondered why certain religions believe and practice what they do Or how they view the Bible This volume delves into these and other engaging questions such as How can a Christian witness to people in these religions Do these other religions believe in creation and a Creator How do we deal with these religions from a biblical authority perspective Many religions and cults discussed in this first volume openly affirm that the Bible is true but then something gets in their way And there is a common factor every time man s fallible opinions In one way or another the Bible gets demoted reinterpreted or completely ignored Man s ideas are used to throw the Bible s clear teaching out the window while false teachings are promoted This book is a must for laymen church leaders teachers and students to understand the trends in our culture and around the world where certain religions dominate helping you discern truth and guard your faith When you understand a religion s origins and teachings you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions
