George Kennan on the Spanish-American War Frank Jacob,2017-11-07 This book presents a critical edition of the lecture Cuba and the Cubans by George Kennan the Elder with a wide ranging introduction examining its influence on American public opinion of the Spanish American War A well known journalist and travel writer George Kennan went to Cuba in 1898 to report on the war and conditions on the island for American readers After the war he delivered his lecture Cuba and the Cubans to audiences across the United States depicting a backwards inferior culture unprepared for independence Frank Jacob s introduction offers rich context for his life lecture and influence arguing that he contributed to the shift in public perception of Cuba from respected ally to wayward neighbor in need of American intervention This critical edition illuminates the interaction between journalism public opinion and U S foreign policy at a key moment in the U S Cuban relationship that still reverberates today

The Weird Tale S. T. Joshi,2003-01-01 The leading critic of supernatural literature here examines the roots of the weird tale as Lovecraft called it through detailed examinations of five founding

fathers of the genre Arthur Machen Lord Dunsany Algernon Blackwood M R James and H P Lovecraft The result is a thorough study of the art craft philosophy and aesthetics of an enduring genre of fantastic literature *The Year That Defined American Journalism* W. Joseph Campbell, 2013-10-08 The Year that Defined American Journalism explores the succession of remarkable and decisive moments in American journalism during 1897 a year of significant transition that helped redefine the profession and shape its modern contours This defining year featured a momentous clash of paradigms pitting the activism of William Randolph Hearst s participatory journalism of action against the detached fact based antithesis of activist journalism as represented by Adolph Ochs of the New York Times and an eccentric experiment in literary journalism pursued by Lincoln Steffens at the New York Commercial Advertiser Resolution of the three sided clash of paradigms would take years and result ultimately in the ascendancy of the Times counter activist model which remains the defining standard for mainstream American journalism The Year That Defined American Journalism introduces the year study methodology to mass communications research and enriches our understanding of a pivotal moment in media history

Encyclopedia of American Literature Manly, Inc., 2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Bruccoli George Parker Anderson Judith S *A Much Misunderstood Man* Ambrose Bierce, 2003 The binding thread throughout this edited collection of Ambrose Bierce s letters is the argument that Bierce has too often vilified as a cynical misanthrope Joshi and Schultz believe that Bierce s human side has been ignored by scholars and they work here to rectify this oversight The importance of this collection is underscored by the fact that no collection of Bierce s letters has been published since 1922 This selection represents a sampling of nearly one half million words of Bierce s correspondence which Joshi and Schultz are the first to gather and transcribe The letters reveal many sides of Bierce that he deliberately concealed in his literary work the caring father who keenly felt the deaths of his two sons and took constant interest in the welfare of his only daughter the literary giant of San Francisco who gathered around him a substantial cadre of disciples whose work he encouraged and meticulously criticized the vigorous castigator of chicanery hypocrisy and injustice wherever he saw it and the author of coyly flirtatious letters to a number of female correspondents For the first time a well rounded picture of Bierce the man and writer emerges in his own words The volume ends chillingly with Bierce s last surviving letter written from Chihuahua Mexico on December 26 1913 which concludes As for me I leave here tomorrow for an unknown destination Bierce was never heard from again The letters have been scrupulously edited from manuscript sources and exhaustively annotated to elucidate obscure historical literary and other references BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Ghost-watching American Modernity** María del Pilar Blanco, 2012 Ghost watching American Modernity explores the intersections of haunting and space in nineteenth and twentieth century works from Spanish America and the US In an intervention that will reconfigure the critical uses of haunting for scholars across different fields Blanco advances ghost watching as a method for rediscovering haunting on its

own terms *Race and the Production of Modern American Nationalism* Reynolds J. Scott-Childress, 2014-01-14 This important book addresses the ways race has both helped and hindered Americans in determining national identity Contributors consider race and American nationalism from a variety of historical and disciplinary vantage points Beginning with the aftermath of the Civil War and unfolding chronologically through to the present the essays examine a multitude of different groups Japanese Americans Chinese Americans Puerto Ricans African Americans whites Jews Irish Americans German Americans by examining race and nationalism represented in public memorials photography film classic and minor literature gender issues legal studies and more The book offers rereadings of some of the pivotal figures in American culture and politics including Herman Melville Frances Harper William James Frederic Remington Charles Francis Adams W E B DuBois George Creel Zora Neale Hurston Louis Chu and others In the course of these essays readers will learn how Americans in different periods and circumstances have grappled with the changing issues of defining race and of defining American as a race as a nationality or as both *Updating the Literary West* , 1997 Western writers says Thomas J Lyon in his epilogue to *Updating the Literary West* have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth The editors of the *Literary History of the American West* TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West's literary heritage Out of this hope comes *Updating the Literary West* a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of *LHAW* western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along with new tactics for literary study New authors have risen to prominence and the range of subjects has changed and widened *Updating the Literary West* looks at topics ranging from western classics to cowboys and Cadillacs and considers children's literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of *LHAW* This volume again affirms the West's literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries Selected list of contributors James Maguire Fred Erisman Susan J Rosowski Gerald Haslam Tom Pilkington A Carl Bredahl Richard Slotkin John G Cawelti Robert F Gish Ann Ronald Mick McAllister *Ambrose Bierce's Civilians and Soldiers in Context* Donald T. Blume, 2004 Donald T Blume rejects the view that *In the Midst of Life* the second volume of Bierce's collected works is his most important literary work Instead he posits that Bierce's original 1892 collection is his most definitive and authoritative opus *The Policy of the United States Towards Its Territories with Special Reference to Puerto Rico* José López Baralt, 1999 This work of considerable value in terms of the constitutional history of Puerto Rico discusses the historical background of U S territorial policy prior to 1898 The second part deals with events subsequent to that date *Armchair Warriors* Joel R. Davidson, 2008-10-01 This book is a

history of public information and personal ideas specifically ideas about war and the military over the last century It examines the interplay between popular media coverage of the nation's wars and the perceptions of ordinary Americans regarding military issues Armchair Warriors begins with the premise that the press provided most Americans with their primary source of insight into the practical military problems confronting the United States In a nation where military service was the exception rather than the rule the public relied on news outlets to make sense of what war really was Such articles and editorials not only celebrated the country's successes in war but also attempted to explain its setbacks as well as the perils and opportunities that lay ahead The American people responded to this abundance of information by taking an active role in the intellectual aspects of the nation's military effort Often encouraged by various media sources ordinary citizens produced a wealth of proposals aimed at solving particular tactical or strategic conundrums These armchair warriors often sidestepped the press and sought to bring their ideas directly before those entrusted with directing U S armed forces Together the media accounts of military issues and the practical minded suggestions from the masses constitute a heretofore unexamined national dialogue about one of the most important aspects of U S history

A Prescription for Adversity

Lawrence I. Berkove, 2002 A Prescription for Adversity makes the revolutionary case that Ambrose Bierce far from being a bitter misanthrope was instead both a compassionate and moral author Berkove focusing on Bierce's short fiction establishes the necessity of recognizing the pattern of his intellectual and literary development over the course of his career The author shows that Bierce probably the American author with the most extensive experience of the Civil War turned to classical Stoicism and English and French Enlightenment literature in his postwar search for meaning Bierce's fiction arose from his ultimately unsatisfying encounters with the philosophies those sources offered but the moral commitment as well as the literary techniques of his authors particularly Jonathan Swift inspired him Dating Bierce's fiction and introducing uncollected journalism correspondence and important new literary history and biographical information Berkove brings new insights to a number of stories including A Son of the Gods and A Horseman in the Sky but especially An Occurrence at Owl Creek Bridge and presents compelling readings of the Parenticide Club tales and Moxon's Master A Prescription for Adversity substantiates how Bierce at his best is one of the few American authors who rises to the level of Mark Twain and the only one who touches Jonathan Swift A work of both biography and literary criticism this book rescues Ambrose Bierce and his literature from the neglect to which it has been assigned by ill founded obtuse and unproductive approaches based on skewed notions of his personality and forced or facile readings of individual stories

Focus On: 100 Most Popular

American Agnostics Wikipedia contributors, [Rereading Jack London](#) Leonard Cassuto, Jeanne Campbell Reesman, 1996 Jack London has long been recognized as one of the most colorful figures in American literature He is America's most widely translated author into more than eighty languages and although his works have been neglected until recently by academic critics in the United States he is finally winning recognition as a major figure in American literary history The breadth and

depth of new critical study of London's work in recent decades attest to his newfound respectability. London criticism has moved beyond a traditional concerns of realism and naturalism as well as beyond the timeworn biographical focus to engage such theoretical approaches as race, gender, class, post structuralism and new historicism. The range and intellectual energy of the essays collected here give the reader a new sense of London's richness and variety, especially his treatment of diverse cultures. Having in the past focused more on London's personal world, we are now afforded an opportunity to look more closely at his art and the numerous worlds it uncovers. *Professional Journal of the United States Army*, 1980

Skepticism And Dissent Selected Journalism 1898 1901 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Skepticism And Dissent Selected Journalism 1898 1901 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Skepticism And Dissent Selected Journalism 1898 1901 has opened up a world of possibilities. Downloading Skepticism And Dissent Selected Journalism 1898 1901 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Skepticism And Dissent Selected Journalism 1898 1901 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Skepticism And Dissent Selected Journalism 1898 1901. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Skepticism And Dissent Selected Journalism 1898 1901. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of

authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Skepticism And Dissent Selected Journalism 1898 1901, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Skepticism And Dissent Selected Journalism 1898 1901 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
