the parties can't afford sitting, the possibility of just having a conversation in the house (like the one above) is essential to getting things to better connect to, because it's important to have things just fly back and forth in the air, not just in a structured way. That's what the conversation is about, it's a conversation.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.
