**Garibaldi's Ski-Boat** Anthony Fleischer, 2003-09 GARIBALDI S SKI BOAT by Anthony Fleischer Extracts from press reviews SUNDAY TIMES Johannesburg This second novel more than fulfills the promise of the first It has dignity simplicity and an ease of narration that makes it not a tale told but a pattern of people and events evolving independently through some natural process Somehow the novel begins one knows when the night is turning into morning the darkness is a morning darkness and the air is chilled The sense of atmosphere conveyed in this opening sentence is maintained to the end of the book Throughout the three chief characters move speak and fulfill their destinies against a background of the elements SUNDAY TIMES London To Garibaldi Cape Coloured fisherman comes by luck and coincidence an amazing fishing boat It's unsinkable they say and at last he can venture into the Indian ocean for real fishing instead of skulking in a leaking tub in the muddy waters with his friend Sky But Sky lost his wife to the terrible ocean and can't overcome his terror so Garibaldi goes it alone This is really an elongated short story but it is beautifully told THE OBSERVER London The author handles the transition from the simple fun of the quayside to the elemental disaster of the climax with great skill He is a real writer and he knows what some writers never learn when to stop TIME TIDE London It is difficult to pin point the extraordinary attractiveness of this story perhaps it is because the author never by so much as a nod towards a more complex world leaves the setting and the characters he has drawn There are no symbols to worry us no folk wisdom to fox us no archetypes only people with special wants and special likes In all this he shows an unpretentious confidence perhaps unconscious and skill lacked by many more famous European novelists

Joseph Conrad 1857-1924 was a Polish author who wrote in English after settling in England. Conrad is regarded as one of the greatest novelists in English though he did not speak the language fluently until he was in his twenties. He wrote stories and novels often with a nautical setting that depict trials of the human spirit in the midst of an indifferent universe. He was a master prose stylist who brought a distinctly non-English tragic sensibility into English literature.
