Slavery Ghosts:

Haunted Plantations Geordie Buxton, 2007 A shackled West African tribe drags themselves off a slave ship while singing drowning in a Georgia creek to avoid being sold Mysterious letters from a long ruined church near Mepkin Abbey solicit a man to join faith A French teacher disappears from a school after marking final exams in blood An Egyptian mummy triggers a heart attack in a city museum These stories and more are wrenched from the gravest parts of America's past real lives of people on plantations from Savannah and the coast of the Carolinas Most deal with the hub of the East Coast slave trade Charleston South Carolina All are richly illustrated with both historic and contemporary images Dwelling in the affairs of plantation life is to tread the fires of emotionally raw history Sifting through the folklore and legends the old hushed embers of the south ignite once again in this collection While these stories relate encounters with the supernatural readers will find that what actually happened here doesn't always need a ghost to be disquieting **The Slavery Ghosts** Luke

Wallin, 2001-07-22 Jake thirteen and his sister twelve live at Tapalyla Hill a Mississippi mansion built before the Civil War In their garden they meet Sarantha a ghost who'll do anything to free her daughter Darcy from the evil beneath the house Jake and Livy pass through a timegate to attempt the rescue They will bring back a far better grasp of their own family and culture than they could have imagined **Slave Ghost Stories** Nancy Rhyne, 2002 A compilation of stories borrowed from former slaves of North Carolina South Carolina and Georgia These tales were gathered by the WPA in the years 1935-1939 The slaves were asked questions about their family history and the widespread belief in spirits of various sorts According to these stories the five main creatures that walked the night were hags hants boo daddies plat eyes and ghosts All had separate characteristics Hags disguised themselves as regular people but at midnight they would shed their skin and torment their enemies draining them of their energy Hants lived in trees and would torture their victims day and night Boo daddies were reincarnations of witch doctors Plat eyes could take the form of an animal sometimes changing from one animal to another Ghosts were seen coming out of graveyards at night This book relates the stories of these spirits based upon eyewitness accounts of former slaves *Slavery's Ghost* Richard Follett, Eric Foner, Walter Johnson, 2011-11-01 Three thoughtful contributions attempt to deepen and extend an emerging discussion about the limits to African American freedom and autonomy Slavery Abolition President Abraham Lincoln freed millions of slaves in the South in 1863 rescuing them as history tells us from a brutal and inhuman existence and making the promise of freedom and equal rights This is a moment to celebrate and honor to be sure but what of the darker more troubling side of this story *Slavery's Ghost* explores the dire debilitating sometimes crushing effects of slavery on race relations in American history In three conceptually wide ranging and provocative essays the authors assess the meaning of freedom for enslaved and free Americans in the decades before and after the Civil War They ask important and challenging questions How did slaves and freedpeople respond to the promise and reality of emancipation How committed were white southerners to the principle of racial subjugation And in what ways

can we best interpret the actions of enslaved and free Americans during slavery and Reconstruction Collectively these essays offer fresh approaches to questions of local political power the determinants of individual choices and the discourse that shaped and defined the history of black freedom Written by three prominent historians of the period Slavery's Ghost forces readers to think critically about the way we study the past the depth of racial prejudice and how African Americans won and lost their freedom in nineteenth century America

Tales from the Haunted South Tiya Miles, 2015-08-12 In this book Tiya Miles explores the popular yet troubling phenomenon of ghost tours frequently promoted and experienced at plantations urban manor homes and cemeteries throughout the South As a staple of the tours guides entertain paying customers by routinely relying on stories of enslaved black specters But who are these ghosts Examining popular sites and stories from these tours Miles shows that haunted tales routinely appropriate and skew African American history to produce representations of slavery for commercial gain Dark tourism often highlights the most sensationalist and macabre aspects of slavery from salacious sexual ties between white masters and black women slaves to the physical abuse and torture of black bodies to the supposedly exotic nature of African spiritual practices Because the realities of slavery are largely absent from these tours Miles reveals how they continue to feed problematic Old South narratives and erase the hard truths of the Civil War era In an incisive and engaging work Miles uses these troubling cases to shine light on how we feel about the Civil War and race and how the ghosts of the past are still with us

Ghosts of the African Diaspora Joanne Chassot, 2018-01-02 The first monograph to investigate the poetics and politics of haunting in African diaspora literature *Ghosts of the African Diaspora: Re-Visioning History, Memory, and Identity* examines literary works by five contemporary writers Fred D. Aguiar Gloria Naylor Paule Marshall Michelle Cliff and Toni Morrison Joanne Chassot argues that reading these texts through the lens of the ghost does cultural theoretical and political work crucial to the writers' engagement with issues of identity memory and history Drawing on memory and trauma studies postcolonial studies and queer theory this truly interdisciplinary volume makes an important contribution to the fast growing field of spectrality studies

Haunted Property Sarah Gilbreath Ford, 2020-08-25 Winner of a 2021 South Central Modern Language Association Book Prize At the heart of America's slave system was the legal definition of people as property While property ownership is a cornerstone of the American dream the status of enslaved people supplies a contrasting American nightmare Sarah Gilbreath Ford considers how writers in works from nineteenth century slave narratives to twenty first century poetry employ gothic tools such as ghosts and haunted houses to portray the horrors of this nightmare Haunted

Property Slavery and the Gothic thus reimagines the southern gothic which has too often been simply equated with the macabre or grotesque and then dismissed as regional. Although literary critics have argued that the American gothic is driven by the nation's history of racial injustice, what is missing in this critical conversation is the key role of property. Ford argues that out of all of slavery's perils, the definition of people as property is the central impetus for haunting because it allows the perpetration of all other terrors. Property becomes the engine for the white accumulation of wealth and power, fueled by the destruction of black personhood. Specters often linger, however, to claim title, and Ford argues that haunting can be a bid for property ownership. Through examining works by Harriet Jacobs, Hannah Crafts, Mark Twain, Herman Melville, Sherley Anne Williams, William Faulkner, Eudora Welty, Toni Morrison, Octavia Butler, and Natasha Trethewey, Ford reveals how writers can use the gothic to combat legal possession with spectral possession.

Ingersoll's 'ghosts': An examination of R.G. Ingersoll's objections to the Bible; contained in his lectures on 'Ghosts', 'Hell', etc. John C. Stuart, 1885 *The Horrors of Slavery in America*. Work Projects Administration, 2022-11-13. In *The Horrors of Slavery in America*, the Work Projects Administration presents a poignant and unflinching documentation of the brutal realities faced by enslaved individuals in the antebellum United States. This comprehensive compilation encompasses firsthand narratives, historical accounts, and vivid testimonials skillfully employing a blend of oral histories and archival research to paint a harrowing picture of the inhumanity of slavery. The literary style is grounded in realism, utilizing rich evocative language that immerses readers in the lived experiences of those who endured servitude and oppression, positioned within the broader socio-political context of 20th-century America. The Work Projects Administration (WPA), established during the New Deal, aimed to provide jobs and stimulate the economy through the arts and humanities. Through this project, American writers and historians, compelled by the ethical urgency of documenting marginalized voices, sought to confront the legacy of slavery and its lingering impact on American society. Their commitment to preserving these stories reflects a crucial moment in American history and literature, where rediscovered histories were brought to the fore. This book is essential for readers interested in American history, social justice, and the complex narratives surrounding slavery. It serves as both an educational resource and a powerful statement against the atrocities of the past, encouraging a deep reflection on the enduring scars of slavery in contemporary society.

The Voices From The Past - Hundreds of Testimonies by Former Slaves In One Volume. Work Projects Administration, 2024-01-15. In *The Voices From The Past: Hundreds of Testimonies by Former Slaves In One Volume*, the Work Projects Administration compiles a poignant anthology of firsthand accounts from former slaves, capturing the raw and unfiltered experiences that shaped their lives. This comprehensive volume employs a documentary literary style, weaving together narratives that reflect the emotional, psychological, and cultural dimensions of slavery in America. Set against the backdrop of the New Deal era, the project serves

as both a historical archive and a testament to resilience illuminating voices that have been silenced across generations The Work Projects Administration WPA established during the Great Depression sought to provide employment and preserve American history through public works and cultural projects This initiative was influenced by an urgent need to document the legacies of African American slavery before they faded into memory reflecting the socio political climate of the time The narratives presented in this book are not merely historical artifacts they convey the lived experiences that continue to resonate in contemporary discussions on race and identity I highly recommend The Voices From The Past to scholars educators and general readers alike This essential collection serves not only as an important historical document but also as an evocative exploration of humanity urging readers to reflect on the enduring impact of slavery in American society The Unchained: Powerful Life Stories of Former Slaves Aphra Behn, Thomas Clarkson, Daniel Drayton, Louis Hughes, Austin Steward, Ida B.
