Song To Demeter:

Song to Demeter, 1987-01-01 This story is the ancient Greek explanation for the seasons of the year **The Song of Demeter and Her Daughter Persephone** Homer, 1902 **The Song of Demeter and Her Daughter Persephone** Homer, D'Ambrosio, Ralph Fletcher Seymour, R.R. Donnelley and Sons Company, 1902 **A Song for Demeter** Lasa Limpin, 2018-12-12 This is a book of poetry dedicated to the Greek goddess Demeter mother of Persephone goddess of all good things I hope these poems can be a good place deserving of Demeter's name but I know she won't mind either way being a goddess of immense kindness To be with Demeter is a privilege barred to none a secret joy open to all hiding under the simplistic telling of her myths **Horace's Iambic Criticism** Timothy S. Johnson, 2011-11-11 By examining the relationship of the iambic tradition with ritual this book studies how Horace's Epodes are more than partisan consolidating Octavian's victory by projecting hostilities onto powerless others but a meta partisan project forming fractured entities into a diversified unity *Greek and Latin Poetry of Late Antiquity* Berenice Verhelst, Tine Scheijnen, 2022-06-30 Although Greek and Latin poetry from late antiquity each poses similar questions and problems a real dialogue between scholars on both sides is even now conspicuously absent A lack of evidence impedes discussion of whether there was direct interaction between the two language traditions This volume however starts from the premise that direct interaction should never be a prerequisite for a meaningful comparative and contextualising analysis of both late antique poetic traditions A team of leading and emerging scholars sheds new light on literary developments that can be or have been regarded as typical of the period and on the poetic and aesthetic ideals that affected individual works which are both classicizing and unclassical in similar and diverging ways This innovative exploration of the possibilities created by a bilingual focus should stimulate further explorations in future research **The Works of Walter Pater: Greek studies** Walter Pater, 1901 *The Book of Easter*, 1910 *Catalogue of (printed) music. Music. Accessions, pt.[1]-94* British museum dept. of pr. books, 1884 *Music in Ancient Greece* Spencer Klavan, 2021-01-14 Life in ancient Greece was musical life Soloists competed onstage for popular accolades becoming centrepieces for cultural conversation and even leading Plato to recommend that certain forms of music be banned from his ideal society And the music didn't stop when the audience left the theatre melody and rhythm were woven into the whole fabric of daily existence for the Greeks Vocal and instrumental songs were part of religious rituals dramatic performances dinner parties and even military campaigns Like Detroit in the 1960s or Vienna in the 18th century Athens in the 400s BC was the hotspot where celebrated artists collaborated and diverse strands of musical tradition converged The conversations and innovations that unfolded there would lay the groundwork for musical theory and practice in Greece and Rome for centuries to come In this perfectly pitched introduction Spencer Klavan explores Greek music's origins forms and place in society In recent years state of the art research and digital technology have enabled us to decipher and understand Greek music with unprecedented precision Yet many readers today cannot access the resources that would

enable them to grapple with this richly rewarding subject Arcane technical details and obscure jargon veil the subject it is rarely known for instance that authentic melodies still survive from antiquity helping us to imagine the vivid soundscapes of the Classical and Hellenistic eras Music in Ancient Greece distills the latest discoveries into vivid prose so readers can come to grips with the basics as never before With the tools in this book beginners and specialists alike will learn to hear the ancient world afresh and come away with a new musical perspective on their favourite classical texts
