Folk Songs of the Southern Appalachians as Sung by Jean Ritchie Jean Ritchie,1997-03-06 This new edition has faithfully retained all seventy seven line scores of the songs and added four new ones Loving Hannah Lovin Henry Her Mantle So Green and The Reckless and Rambling Boy The original headnotes and photographs tell the history of the song as well as how it became a part of the family s life Chords are indicated for accompaniment however music notation and the printed word can present only a reasonable facsimile of any actual song

Song for Olivia: A Novel Maruchi Mendez,2023-04-15 Gusana Esbirra Latifundista Mari is only 12 when she is called these words for the first time She knows what they mean worm henchman filthy landowner What she doesn t yet know is that they mark the beginning of her exile from her native Cuba Mari s childhood has been filled with the opulence enjoyed by Cuba s wealthy elites but as Fidel Castro seizes power her father s money and former government position place a target on their family The country she has always called home is now violently rejecting her After a fraught escape to Miami Mari and her sister Olivia must start over as Castro continues to devastate the loved ones they have left behind Miami holds both hope and desperation Mari works towards her dream of becoming a writer while Olivia meets and falls in love with a counterrevolutionary Still their family is fractured their money is scarce and their father insists they will be able to return to Cuba before they know it But Mari and Olivia know that their futures are in the US now It s up to them to find their way back to the lives they want to lead

Song Over The Bones Melissa Meszaros,2025-10-02 Love Burns When a wildfire destroys her home and her soulmate disappears without a trace Melissa is left to navigate the emotional and physical wreckage Alone and adrift she turns to her lifelong passion for music and hits the road in search of solace Traveling from coast to coast Melissa stops at influential landmarks and gravesites leaving and collecting tokens in honor of iconic figures like Kurt Cobain Chris Cornell Elvis Presley Johnny Cash and more This bold and unconventional healing journey challenges fairytales and the traditions of love and marriage It dismantles Hollywood tropes and honors the raw rebellious spirit of rock n roll that it takes to rebuild from nothing A follow up to the author s Heavy Metal Headbang Song Over the Bones breaks down the fairytales of love and healing leaving space for something raw and real It s not a traditional redemption story but a tribute to the fight to the scars that don t fade and to the fierce resilience of those who build home from the pieces life leaves behind
