The Collected Lyric Poems of Luís de Camões Luís de Camões,2008-07-21 Lu s de Cam es is world famous as the author of the great Renaissance epic The Lus ads but his large and equally great body of lyric poetry is still almost completely unknown outside his native Portugal In The Collected Lyric Poems of Lu s de Cam es the award winning translator of The Lus ads gives English readers the first comprehensive collection of Cam es s sonnets songs elegies hymns odes eclogues and other poems more than 280 lyrics altogether all rendered in engaging verse Cam es 1524 1580 was the first great European artist to cross into the Southern Hemisphere and his poetry bears the marks of nearly two decades spent in north and east Africa the Persian Gulf India and Macau From an elegy set in Morocco to a hymn written at Cape Guardafui on the northern tip of Somalia to the first modern European love poems for a non European woman these lyrics reflect Cam es s encounters with radically unfamiliar peoples and places Translator Landeg White has arranged the poems to follow the order of Cam es s travels making the book read like a journey

The work of one of the first European cosmopolitans these poems demonstrate that Cam es would deserve his place among the great poets even if he had never written his epic Enough to Say It's Far Chaesam Pak,2006-07-23 This is the first English translation of selected poems by one of the most important and unusual modern poets of South Korea In contrast to the strident political protests found in the poetry of many of his contemporaries Pak Chaesam s work is characterized by intimate portraits of place nature childhood and human relationships and by indirection nostalgia and reflectiveness Often focused upon the border of this world and some other Pak writes with a spareness of presentation but a cornucopia of imagery meticulously exploring objective and subjective realms of existence and memory Encouraging the reader to see and listen and to allow the sensory to reshape the analytical Pak s poetry opens up new realms of experience A fellow Korean poet described Pak s poetry as being the most exquisite expression of the Korean sense of han or melancholy **In Hora Mortis / Under the Iron of the Moon** Thomas Bernhard,2024-05-14 Haunting and darkly humorous poems by the internationally acclaimed Austrian novelist playwright and memoirist Thomas Bernhard 1931 1989 has been compared to Kafka and Beckett and critics have ranked his novels among the masterpieces of the twentieth century But in fact he began his career in the 1950s as a poet publishing three books of well received verse before turning to fiction In Hora Mortis Under the Iron of the Moon is the first book of his expressionist like poetry to be published in English Bringing together Bernhard s second and third books of poetry the collection s short untitled lyrics reveal his early explorations of themes that would continue to preoccupy him in his novels plays and other writings especially his intense ambivalence toward the land and people of Austria and their then recent Nazi past As the translator James Reidel writes in his preface Bernhard found Austrian soil to be like a hair shirt and a blanket It is a killing ground but with a postcard setting In poems that both subvert and pay homage to such influences as Georg Trakl Bernhard begins to develop his characteristic dark humor while exploring themes of nature death meaninglessness and faith The Greener Meadow Luciano Erba,2007 Publisher description

Final Matters Szilárd Borbély,2019-02-05 acclaimed translator Otilie Mulzet reveals the full range and force of Borb ly s verse by bringing together generous selections from his last two books Final Matters and To the body Borb ly weaves into his work an unlikely mix of Hungarian folk songs Christian and Jewish hymns classical myths police reports and unsettling accounts of abortions back cover Brief Homage to Pluto and Other Poems Fabio Pusterla,2023-04-11 Pusterla is a contemporary Swiss poet who writes in Italian This volume is a selection from Pusterla s six most recent books of poetry published in Italian The poems create a solid sense of place mountains lakes streams villages occasionally a city They move from precise and delicate observations of creatures plants and atmosphere to harshly historical and sociological pieces wounded by Italy s past and present They find striking and unpredictable ways into their subjects often ending on a surprising crystallized image And in the series editors words the translations compel throughout through their cadence pacing assonance and tactful alliteration their texture and their touch The effect of the whole of the supple verse renderings

and the prose poetry is of lively variety in theme point of view and form and Pusterla Schutt in this manuscript emerges as an authentic original passionate albeit subtle voice The Complete Elegies of Sextus Propertius Propertius, 2016-07-07 The Roman poet Propertius is best known as the writer who perfected the Latin love elegy a technical as much as a psychological and cultural feat Propertius has been admired for both his metrical genius and the modernity of his narrative flow Many of the poems here pay tribute to Cynthia Propertius's romantic obsession but the scope of these 107 elegies is broad Propertius's poetry offers a fascinating look into life in the Augustan age addressing social political and historical subjects A contemporary of Virgil and Horace Propertius has influenced scores of poets from Ovid to Housman to Pound His poetry appears here for the first time in a dual language edition with the translations facing the original Latin Rendered into English by a poet who is also one of the nation's pre eminent Propertius experts the volume brings Propertius's difficult mix of vernacular and high literary allusion into contemporary language Cynthia was the first She caught me with her eyes a fool who had never before been touched by desires Love cast down my look of constant pride and he pressed on my head with his feet until he taught me to despise chaste girls perversely and to live without plan Already it's been a whole year that the frenzy hasn't stopped when for all that the gods are against me
