

SONNET 147

My love is as a fever, longing still
For that which longer nurseth the disease,
Feeding on that which doth preserve the ill,
Th' uncertain sickly appetite to please.

My reason, the physician to my love,
Angry that his prescriptions are not kept,
Hath left me, and I desperate now approve
Desire is death, which physic did except.
Past cure I am, now reason is past care,
And frantic-mad with evermore unrest
My thoughts and my discourse as madmen's
are,

At random from the truth vainly expressed
For I have sworn thee fair, and thought thee
bright,

Who art as black as hell, as dark as night

Sonnets for Our Risorgimento John J. Soldo, 1993-01-01 **Ricasoli and the Risorgimento in Tuscany** William Keith Hancock, 1926 **Lives of the Sonnet, 1787-1895** Marianne Van Remoortel, 2016-05-06 In a series of representative case studies Marianne Van Remoortel traces the development of the sonnet during intense moments of change and stability continuity and conflict from the early Romantic period to the end of the nineteenth century Paying particular attention to the role of the popular press which served as a venue of innovation and as a site of recruitment for aspiring authors Van Remoortel redefines the scope of the genre including the ways in which its development is intricately related to issues of gender Among her subjects are the Della Cruscans and their primary critic William Gifford the young Samuel Taylor Coleridge and his circle Elizabeth Barrett Browning s Sonnets from the Portuguese George Meredith s Modern Love Dante Gabriel Rossetti s House of Life and Augusta Webster s Mother and Daughter As women became a force to be reckoned with among the reading public and the writing community the term sonnet often operated as a satirical label that was not restricted to poetry adhering to the strict formalities of the genre Van Remoortel s study in its attentiveness to the sonnet s feminization during the late eighteenth century offers important insights into the ways in which changing attitudes about gender and genre shaped critics interpretations of the reception histories of nineteenth century sonnet sequences [Poems for the Millennium, Volume Three](#) Jerome Rothenberg, Jeffrey C. Robinson, 2009-01-19 The previous two volumes of this acclaimed anthology set forth a globally decentered revision of twentieth century poetry from the perspective of its many avant gardes Now editors Jerome Rothenberg and Jeffrey C Robinson bring a radically new interpretation to the poetry of the preceding century viewing the work of the romantic and post romantic poets as an international collective often utopian enterprise that became the foundation of experimental modernism Global in its range volume three gathers selections from the poetry and manifestos of canonical poets as well as the work of lesser known but equally radical poets Defining romanticism as experimental and visionary Rothenberg and Robinson feature prose poetry verbal visual experiments and sound poetry along with more familiar forms seen here as if for the first time The anthology also explores romanticism outside the European orbit and includes ethnopoetic and archaeological works outside the literary mainstream The range of volume three and its skewing of the traditional canon illuminate the process by which romantics and post romantics challenged nineteenth century orthodoxies and propelled poetry to the experiments of a later modernism and avant gardism

Elizabeth Barrett Browning: Selected Poems Elizabeth Barrett Browning, 2009-07-30 One of the leading poets of the nineteenth century Elizabeth Barrett Browning had a profound influence on her contemporaries and on writers that followed her This edition provides a rich and varied selection of Barrett Browning s poetry including relatively neglected material from her early career and works never before included in editions of her poetry The edition is comprehensively annotated and includes a critical introduction detailed headnotes for each poem also provide the reader with a deep understanding of the

historical biographical and literary contexts in which the poems were written The extensive appendices include reviews and criticism and material on factory reform and slavery as well as religion and the Italian Question **The Realms of Verse 1830-1870** Matthew Reynolds, 2005 Robert and Elizabeth Browning Tennyson and Clough lived and wrote in a time of nation building The Realms of Verse brings that political and intellectual context to life and traces its influence on the narratives language and form of their poetry Theoretically astute and historically detailed this study is the most far reaching reassessment of Victorian poetry to have been published in recent years "The" Athenaeum ,1897 **Anthology of Magazine Verse for ... and Year Book of American Poetry** ,1923 **Quarterly Bulletin of the Providence Public Library** Providence Public Library (R.I.),1916 **The Modern Languages Forum** ,1929
