Sonny Jim Of Sandy Point:

Sonny Jim of Sandy Point Simon B. Jones-Hendrickson, 1991 SONNY JIM OF SANDY POINT is S B Jones Hendrickson's first novel. The novel ruminates through the memories of one Sonny Jim growing up in the former British colony of St Kitts Nevis. The novel is set in Sandy Point St Kitts. There are excursions to the U S Virgin Islands. The novel uses the traditional tools of facts fiction to record what it was like growing up under colonialism. Along the way tales of superstition love puppy love a strong mother son relationship are detailed. The traditional tales of a mother who fathers a son are also outlined in this moving documentary of life in a Caribbean setting.

Death on the Pasture Simon B. Jones-Hendrickson, 1994 *The West Indian Novel and Its Background* Kenneth Ramchand, 2004 An account of the emergence of the West Indian novel in English, this work provides valuable insights into the social cultural and political background, offering concise and focused accounts of the growth of education, the development of literacy and the formation of West Indian Creole languages.

Caribbean Review of Books, 1991 **Living at the Borderlines** Cynthia Barrow-Giles, Don D. Marshall, 2003 The idea that the Caribbean could be devolving downward in wealth, function and sovereignty has become a recurrent theme in both academic and popular literature. By focusing on some of the current issues facing Caribbean nation states, the editors and contributors to this volume hope to inform and contribute to the ongoing debate on the broad themes of Sovereignty and Development and the prospects for survival of Caribbean nation states in a globalised world. While some of the papers seek to describe and analyse the range and complexity of the challenge to national sovereignty and public policy autonomy, others focus on issues relating to small country size, gender and ethnic tensions, security, constitutional reform and regional integration. The result is a balanced perspective; the contributors do not gloss over the problem faced by the region. At the same time, they do not present a hyper pessimistic picture of Caribbean development prospects. What gives the collection a particular dynamism is the way in which the authors have challenged the terrain of political possibilities traditionally defined for small peripheral societies.

Small Press, 1995 *Callaloo*, 1993 Some special issues devoted to the literatures of other minorities. *Bibliography of St. Lucian Creative Writing*, 2013-11-13 Bibliography of St Lucian Creative Writing Poetry Prose Drama by St Lucian writers is an invaluable reference tool for those researching St Lucian literature, including the work of internationally recognised St Lucian born Nobel laureate Derek Walcott. It lists published and unpublished literature by St Lucians writing poetry, prose and drama. Reviews and articles on St Lucian literature are also cited in a substantial section. Also included are a listing of background readings that throw light on the literature. While the book was several years in the making, its completion was commissioned by the Cultural Development Foundation of St Lucia. *Roots in Print* Paula Matta, 1992

Caribbean James Ferguson, Jason Wilson, 1997 Covering 20 islands and their culture, this book surveys history, geography and current situation of each island. It offers excerpts from novels, short stories, poems and travel writing. Including 175 extracts by Graham Greene, Ernest Hemingway, Derek Walcott, Martha Gellhorn, V S Naipaul and others, plus
