

The book cover features a stylized landscape illustration. The background consists of layered, misty mountains in shades of green and grey. The sky is a pale, hazy blue. In the foreground, there is a dark silhouette of a landscape with several pine trees and a traditional Japanese building with a tiled roof. The title 'SONS OF HEAVEN' is printed in a large, black, serif font, with the words stacked vertically. The subtitle 'A PORTRAIT OF THE JAPANESE MONARCHY' is in a smaller, white, serif font. The author's name 'FERROLD M. PACKARD' is in a large, white, serif font, and the text 'AUTHOR OF THE QUEEN AND HER COURT AND PETER'S KINGDOM' is in a smaller, white, serif font below it.

Sons Of Heaven A Portrait Of The Japanese Monarchy

**Elena Woodacre, Lucinda H.S.
Dean, Chris Jones, Zita Rohr, Russell
Martin**

Sons Of Heaven A Portrait Of The Japanese Monarchy:

Sons of Heaven Jerrold M. Packard, 1988 **The Yamato Dynasty** Sterling Seagrave, Peggy Seagrave, 2001-08-14 In *The Yamato Dynasty* Sterling Seagrave who divulged the secrets of Mao Tse tung and the ruthlessness of Chiang Kai shek in the New York Times bestseller *The Soong Dynasty* and his wife and longtime collaborator Peggy present the controversial never before told history of the world s longest reigning dynasty the Japanese imperial family from its nineteenth century origins through today In the first collective biography of both the men and women of the Yamato Dynasty the Seagraves take a controversial comprehensive look at a family history that crosses two world wars the bombing of Hiroshima and Nagasaki the American occupation of Japan and Japan s subsequent phoenix like rise from the ashes of the Second World War *The Yamato Dynasty* tells the story of the powerful men who have stood behind the screen the shoguns and financiers controlling the throne from the shadows taking readers behind the walls of privilege and tradition and revealing in uncompromising detail the true nature of a dynasty shrouded in myth and legend **Emperor and Aristocracy in Japan, 1467-1680** Lee Butler, 2020-03-23 An institution in decline possessing little power in an age dominated by warriors Or a still potent symbol of social and political legitimacy *Emperor and Aristocracy in Japan* traces the fate of the imperial Japanese court from its lowest point during the turbulent century long sengoku when the old society built upon the strength and influence of the court the priesthood and a narrow warrior elite was shaken to its foundations to the Tokugawa era when court culture displayed renewed vitality and tea gatherings flower arranging and architecture flourished In determining how the court managed to persist and survive Butler looks into contemporary documents diaries and letters to reveal the court s internal politics and protocols hierarchies finances and ceremonial observances *Emperor and courtiers* adjusted to the prominence of the warrior elite even as they held on to the ideological advantages bestowed by birth tradition and culture To this historical precedent the new wielders of power paid dutiful homage ever mindful that ranks and titles as well as the political blessing of the emperor were advantageous marks of distinction **Handbook to Life in Medieval and Early Modern Japan** William E. Deal, 2007 This book is an introduction the Japanese history culture and society from 1185 the beginning of the Kamakura period through the end of the Edo period in 1868 **Imperial Japan's World War Two** Werner Gruhl, 2017-07-12 Gruhl s narrative makes clear why Japan s World War II aggression still touches deep emotions with East Asians and Western ex prisoners of war and why there is justifiable sensitivity to the way modern Japan has dealt with this legacy Knowledge of the enormity of Japan s total war is also necessary to assess the United States and her allies policies toward Japan and their reactions to its actions extending from Manchuria in 1931 to Hiroshima in 1945 Gruhl takes the view that World War II started in 1931 when Japan crowded and poor in raw materials but with a sense of military invincibility saw empire as her salvation and invaded China Japan s imperial regime had volatile ambitions but limited resources thus encouraging them to unleash a particularly brutal offensive against the peoples of Asia and surrounding ocean islands Their 1931 to 1945

invasions and policies further added to Asia's pre war woes particularly in China by badly disrupting marginal economies leading to famines and epidemics Altogether the victims of Japan's World War Two aggression took many forms and were massive in number Gruhl offers a survey and synthesis of the historical literature and documentation statistical data as well as personal interviews and first hand accounts to provide a comprehensive overview analysis The sequence of diplomatic and military events leading to Pearl Harbor as well as those leading to the U S decision to drop the atom bomb are explored here as well as Japan's war crimes and postwar revisionist apologist views regarding them This book will be of intense interest to Asian specialists and those concerned with human rights issues in a historical context **Monarchies 1000-2000** W. M.

Spellman,2004-04-01 **Monarchies 1000 2000** surveys a form of government whose legitimacy rests not on voluntary consensus but on age old custom heredity and or religious sanction Global in scope and comparative in approach W M Spellman's survey establishes connections between monarchy as idea and practice in a variety of historical and cultural contexts across a millennium when the system was without serious rival Spellman examines the intellectual assumptions behind different models of monarchy tracing the ways in which each of these assumptions shifted in response to historical factors While no human institution has retreated as rapidly in the modern period monarchy's remarkable longevity invites us to weigh the significance of hierarchy subordination and dependence as constants of the human experience **Monarchy:**

The History of an Idea Brenda Ralph Lewis,2011-09-16 Brenda Ralph Lewis presents an informative overview of how kings and queens came about and of the many forces that have shaped the identity of monarchy and in many cases caused its downfall The Samurai of Japan Dorothy Perkins,1998 *Historical Dictionary of Japan to 1945* Kenneth

Henshall,2013-11-07 *The Historical Dictionary of Japan to 1945* spans the entire period from the earliest evidence of human habitation in Japan through to the end of the Pacific War It includes substantial topics such as cultural and literary history with entries ranging from aesthetics to various genres of writing Other branches of history also feature such as economic history industrial history political history and so forth And of course there are the makers of Japanese history ranging from emperors and shoguns to politicians and extremists as well as foreign arrivals The early history of Japan is told through a detailed chronology an introductory essay appendixes an extensive bibliography and over 800 cross referenced dictionary entries on important people organizations activities and events *The Historical Dictionary of Japan to 1945* will appeal to both academics and the general public who have an interest in Japan particularly those who want reliable information quickly and easily **The Routledge History of Monarchy** Elena Woodacre,Lucinda H.S. Dean,Chris Jones,Zita Rohr,Russell

Martin,2019-06-12 *The Routledge History of Monarchy* draws together current research across the field of royal studies providing a rich understanding of the history of monarchy from a variety of geographical cultural and temporal contexts Divided into four parts this book presents a wide range of case studies relating to different aspects of monarchy throughout a variety of times and places and uses these case studies to highlight different perspectives of monarchy and enhance

understanding of rulership and sovereignty in terms of both concept and practice Including case studies chosen by specialists in a diverse array of subjects such as history art literature and gender studies it offers an extensive global and interdisciplinary approach to the history of monarchy providing a thorough insight into the workings of monarchies within Europe and beyond and comparing different cultural concepts of monarchy within a variety of frameworks including social and religious contexts Opening up the discussion of important questions surrounding fundamental issues of monarchy and rulership The Routledge History of Monarchy is the ideal book for students and academics of royal studies monarchy or political history
