Sons Talk About Their Gay Fathers Life Curves

Andrew Gottlieb

Sons Talk About Their Gay Fathers Life Curves:

Sons Talk About Their Gay Fathers Andrew Gottlieb, 2014-01-14 Examine the impact of disclosure on sons whose fathers are gay In this book Andrew Gottlieb author of *Out of the Twilight Fathers of Gay Men Speak* explores yet another side of the impact of homosexuality on families He now looks at how sons react to learning that their fathers are gay allowing us to see over time how this has changed their family relationships and their own lives Simply and elegantly written this psychoanalytically oriented qualitative research study is accessible to both the beginner and the more advanced researcher and practitioner It draws from a wide range of literary popular and psychological sources and includes an interview guide a reference section and an index When someone discloses as gay lesbian or bisexual it is not just an individual event It is a family event Based on estimates of married gay lesbian and bisexual persons a spouse s coming out affects up to 2 000 000 couples Yet its impact has been largely ignored Children s voices are the least often heard Little has been written about sons of fathers who came out during or after marriage Data for studies that do exist most often draw from the fathers point of view The significance of this study lies in its comprehensive detailed picture of sons and gay fathers as they develop their separate self images as well as the images of their son father relationships over time Painful sensitive often triumphant the stories and the author s analysis of their thoughts perceptions and feelings afford a multidimensional longitudinal viewing Step by step we follow the complicated dance of these sons and fathers as they develop and define their connection from the Foreword by Amity Pierce Buxton Author of *The Other Side of the Closet The Coming Out Crisis for Straight Spouses and Families* *Sons Talk About Their Gay Fathers Life Curves* is a storybook an extended narrative moved along but not overshadowed by psychoanalytic theory The Introduction briefly reviews more recent writings of the fathering experience as told by gay men themselves setting the stage for Father to Childa look at the father as seen through the ever shifting eyes of his son at different phases of the life cycle The Quest for the Real Father an examination of sons responses to their fathers homosexuality as captured in film fiction nonfiction television and the psychological literature Methodology the story of the research process including sampling the search for subjects trustworthiness the interview bias and data collection The Stories an anthology of narratives the author constructed from the interview material painting an intimate portrait of each individual son Findings a categorical analysis Discussion a summary of all the preceding material cast in a developmental framework highlighting implications for future research and clinical practice

Sons Talk about Their Gay Fathers

Andrew R. Gottlieb, 2003 Examine the impact of disclosure on sons whose fathers are gay In this book Andrew Gottlieb author of *Out of the Twilight Fathers of Gay Men Speak* explores yet another side of the impact of homosexuality on families He now looks at how sons react to learning that their fathers are gay allowing us to see over time how this has changed their family relationships and their own lives Simply and elegantly written this psychoanalytically oriented qualitative research study is accessible to both the beginner and the more advanced researcher and practitioner It draws from a wide range of literary

popular and psychological sources and includes an interview guide a reference section and an index When someone discloses as gay lesbian or bisexual it is not just an individual event It is a family event Based on estimates of married gay lesbian and bisexual persons a spouse s coming out affects up to 2 000 000 couples Yet its impact has been largely ignored Children s voices are the least often heard Little has been written about sons of fathers who came out during or after marriage Data for studies that do exist most often draw from the fathers point of view The significance of this study lies in its comprehensive detailed picture of sons and gay fathers as they develop their separate self images as well as the images of their son father relationships over time Painful sensitive often triumphant the stories and the author s analysis of their thoughts perceptions and feelings afford a multidimensional longitudinal viewing Step by step we follow the complicated dance of these sons and fathers as they develop and define their connection from the Foreword by Amity Pierce Buxton Author of *The Other Side of the Closet* *The Coming Out Crisis for Straight Spouses and Families* *Sons Talk About Their Gay Fathers* Life Curves is a storybook an extended narrative moved along but not overshadowed by psychoanalytic theory The Introduction briefly reviews more recent writings of the fathering experience as told by gay men themselves setting the stage for Father to Child a look at the father as seen through the ever shifting eyes of his son at different phases of the life cycle The Quest for the Real Father an examination of sons responses to their fathers homosexuality as captured in film fiction nonfiction television and the psychological literature Methodology the story of the research process including sampling the search for subjects trustworthiness the interview bias and data collection The Stories an anthology of narratives the author constructed from the interview material painting an intimate portrait of each individual son Findings a categorical analysis Discussion a summary of all the preceding material cast in a developmental framework highlighting implications for future research and clinical practice

Sons Talk About Their Gay Fathers Andrew Gottlieb, 2014-01-14 Examine the impact of disclosure on sons whose fathers are gay In this book Andrew Gottlieb author of *Out of the Twilight* *Fathers of Gay Men Speak* explores yet another side of the impact of homosexuality on families He now looks at how sons react to learning that their fathers are gay allowing us to see over time how this has changed their family relationships and their own lives Simply and elegantly written this psychoanalytically oriented qualitative research study is accessible to both the beginner and the more advanced researcher and practitioner It draws from a wide range of literary popular and psychological sources and includes an interview guide a reference section and an index When someone discloses as gay lesbian or bisexual it is not just an individual event It is a family event Based on estimates of married gay lesbian and bisexual persons a spouse s coming out affects up to 2 000 000 couples Yet its impact has been largely ignored Children s voices are the least often heard Little has been written about sons of fathers who came out during or after marriage Data for studies that do exist most often draw from the fathers point of view The significance of this study lies in its comprehensive detailed picture of sons and gay fathers as they develop their separate self images as well as the images of their son father relationships over time Painful sensitive often triumphant the

stories and the author's analysis of their thoughts, perceptions, and feelings afford a multidimensional longitudinal viewing. Step by step, we follow the complicated dance of these sons and fathers as they develop and define their connection from the Foreword by Amity Pierce Buxton, Author of *The Other Side of the Closet: The Coming Out Crisis for Straight Spouses and Families*. *Sons Talk About Their Gay Fathers: Life Curves* is a storybook, an extended narrative moved along but not overshadowed by psychoanalytic theory. The Introduction briefly reviews more recent writings of the fathering experience as told by gay men themselves, setting the stage for Father to Child to look at the father as seen through the ever-shifting eyes of his son at different phases of the life cycle. *The Quest for the Real Father* is an examination of sons' responses to their fathers' homosexuality as captured in film, fiction, nonfiction, television, and the psychological literature. *Methodology* is the story of the research process, including sampling, the search for subjects, trustworthiness, the interview, bias, and data collection. *The Stories* is an anthology of narratives the author constructed from the interview material, painting an intimate portrait of each individual son. *Findings* is a categorical analysis. *Discussion* is a summary of all the preceding material, cast in a developmental framework, highlighting implications for future research and clinical practice.

[Gay and Lesbian Parenting](#) Fiona Tasker, Jerry J. Bigner, 2008-04-14 *Gay and Lesbian Parenting: New Directions* builds on important research with a detailed multidisciplinary examination of established knowledge and emerging information.

Straight Talk About Gays in the Workplace Liz Winfeld, 2014-02-04 Find out how being more LGBT inclusive can increase your organization's productivity and revenues. Workplace diversity can provide creative strength and greater productivity regardless of the organization.

Straight Talk About Gays in the Workplace: Creating an Inclusive Productive Environment for Everyone in Your Organization Third Edition presents a frank discussion about all the relevant aspects of sexual orientation and gender identity in the workplace. The author reveals how to incorporate diversity in your organization to foster greater loyalty, greater understanding, and greater productivity.

Straight Talk About Gays in the Workplace: Creating an Inclusive Productive Environment for Everyone in Your Organization Third Edition is the latest edition of the National Library Award-winning guide that explains terms, provides strategies for implementation of policies and programs, and gives you practical tools to educate and inform employees about a workplace environment inclusive of diversity. While previous editions concentrated on the diversity of sexual orientation, this edition has been expanded and extensively updated to include the needs and issues of transgender people. Other updated information includes showing the advantages of creating an LGBT-inclusive environment, discussing in depth about the financial rewards of marketing an organization as being open to the LGBT community, and explaining the benefits of presenting these topics in public schools and higher education. Several appendices are included to provide additional resources, divided into categories such as workplace education, transgender marketing, family, and the schools, legal, and business. The book also features a useful bibliography, an assessment tool to gauge sexual diversity in your organization, a guide for transitioning transsexuals, and another appendix that presents research and recommendations as to

how school campuses can make themselves more inclusive and less discriminatory

Straight Talk About Gays in the Workplace

Creating an Inclusive Productive Environment for Everyone in Your Organization Third Edition discusses updated information on domestic partner benefits educating employees about sexual orientation and gender identity the latest information on non discrimination policies effective employee networks and alliances sensitive issues that involve transgender people opportunities and benefits of marketing to the LGBT community internal and external outreach programs crucial tax and insurance information new information focused on LGBT youth and academia inclusive of sexual orientation and gender identity and much more

Straight Talk About Gays in the Workplace

Creating an Inclusive Productive Environment for Everyone in Your Organization Third Edition makes essential reading for human resource professionals executives of every type of organization LGBT employees involved with diversity efforts affinity groups focused on orientation and or gender identity educators students and anyone interested in studying the role of sexual orientation or gender identification diversity in the workplace

Queer Crips Bob Guter, John R Killacky, 2014-04-04 Get an inside perspective on life as a disabled gay man

Queer Crips Disabled Gay Men and Their Stories reverberates with the sound of cripgay voices rising to be heard above the din of indifference and bias oppression and ignorance This unique collection of compelling first person narratives is at once assertive bold and groundbreaking filled with characters and character Through the intimacy of one on one storytelling gay men with mobility and neuromuscular disorders spinal cord injury deafness blindness and AIDS fight isolation from society and each other to establish a public identity and a common culture

Queer Crips features more than 30 first hand accounts from a variety of perspectives illuminating the reality of the everyday struggle disabled gay men face in a culture obsessed with conformist good looks Themes include rejection love sex dating rituals gaycrip married life and the profound difference between growing up queer and disabled and suffering a life altering injury or illness in adulthood

Co edited by Bob Guter creator and editor of the webzine BENT A Journal of Cripgay Voices the book includes two performance pieces from acclaimed author and actor Greg Walloch poetry from Chris Hewitt Joel S Riche Raymond Luczak Mark Moody and co editor John Killacky essays from BENT contributors Blaine Waterman Raymond J Aguilera Danny Kodmur Thomas Metz Max Verga and Eli Clare interviews with community activist Gordon Elkins and Alan Sable one of the first self identified gay psychotherapists in the United States and much more

Queer Crips is a forum for neglected cripgay voices speaking words that are candid edgy bold dreamy challenging and sexy The book is essential reading for academics and students working in lesbian and gay studies and disability studies and for anyone who s ever visited the place where queerness and disability meet

Side by Side Andrew Gottlieb, 2014-04-04 How would you react if your brother or sister came out to you I m proud to have been the first to know My conservative upbringing contributed to the notion that John s behavior was sinful The first thought I had about it was that my brother had somehow been misdirected involving himself in the wrong crowd How could he be gay I was convinced we all had to help him overcome this problem I equated being gay

with having a mental disorder and thought maybe we should send him to a therapist I love Beth very much I am proud of her thankful for her and can't imagine life without her In this first of its kind book Andrew Gottlieb the author of *Out of the Twilight Fathers of Gay Men Speak and Sons Talk About Their Gay Fathers* Life Curves continues his landmark exploration at the intersection of sexuality and family studies Here he turns his thoughtful gaze to the powerful bonds of brotherhood and sisterhood to address questions such as How are we affected by the knowledge that a sibling feels same sex attraction and how does that knowledge impact on our relationships with our brother or sister How do brothers and sisters of gay lesbian people cope with stigma and homophobia What if there's already a non heterosexual sibling in the family how does he or she react when another sibling comes out Do each of their roles change Besides the fact that Lee didn't conform to my notion of what a lesbian was I of course always looked and acted the part I wondered how this would affect my role as the lesbian of the family Would this rock the boat Would two lesbians in the family be one lesbian too many In their own words 18 men and women share their thoughts and feelings about their gay brothers and sisters What they have to say is revealing about themselves about the nature of sibling relationships and about their role as peacemakers Gay men and lesbian women often disclose their sexuality to their siblings before anyone else in their families Side by Side examines the impact of a brother or sister coming out and of the way that a gay person's siblings are sometimes placed in the position of being a social moral bridge between the generations Clearly Tina has been a major force in my life and it doesn't just end with me My three children and husband have all learned by Tina's example we all do what we can to bring fairness and equality to everyone With a smile on my face I occasionally say to Tina Look what you've done to me Without her I would never be where I am or who I am The contributors to Side by Side come from varying religious and economic backgrounds In plain language that is easily accessible to most adolescents and adults they candidly relate the experience of what it was like to find out about their sibling's homosexuality and how that knowledge affected them over time Some of their perspectives may surprise you Many will move you You'll also find a list of suggested readings and a list of organizations offering support and information for siblings of gay lesbian bisexual and transgender people

Restoried Selves Kevin Kumashiro, 2013-04-03 Restoried Selves Autobiographies of Queer Asian Pacific American Activists presents the first person accounts of 20 activists' life stories that work against common stereotypes shattering misconceptions and dispelling misinformation These autobiographies challenge familial and cultural expectations and values that have traditionally forced queer Asian Pacific Americans into silent shame because of their sexual orientation and/or ethnicity Authors share not only their experiences growing up but also how those experiences led them to become social activists speaking out against oppression Many harmful untruths or stories about queer Asian Pacific Americans have been repeated so often they are accepted as fact Restoried Selves Autobiographies of Queer Asian Pacific American Activists provides a forum for voices often ignored in academic literature to re-story themselves addressing a range of experiences that includes cultural differences and values conflicts between different

generations in a family or between different groups in a community and difficulties and rewards of coming out Those giving voice to their stories through narrative and other writing genres include the transgendered and intersexed community activists youths and parents The stories told in Restored Selves Autobiographies of Queer Asian Pacific American Activists reflect on personal experiences based on country of origin educational background religion gender and age populations served by activism including the working poor immigrants adoptees youth women and families different arenas of activism including schools governments social services and the Internet issues targeted by activism including affirmative action HIV AIDS education mental health interracial relationships and sexual violence institutions in need of change including legal religious and educational entities and much more Restored Selves Autobiographies of Queer Asian Pacific American Activists is an essential read for academics and researchers working in Asian American studies ethnic studies gender studies and queer studies and for LGBTQ youth and their parents teachers and social service providers

Before Stonewall Vern L Bullough, 2014-02-04 Explore the early history of the gay rights movement In the words of editor Vern L Bullough Although there was no single leader in the gay and lesbian community who achieved the fame and reputation of Martin Luther King there were a large number of activists who put their careers and reputations on the line It was a motley crew of radicals and reformers drawn together by the cause in spite of personality and philosophical differences Their stories are told in the following pages Before Stonewall Activists for Gay and Lesbian Rights in Historical Context illuminates the lives of the courageous individuals involved in the early struggle for gay and lesbian civil rights in the United States Authored by those who knew them often activists themselves the concise biographies in this volume examine the lives of pre 1969 barrier breakers like Harry Hay Henry Gerber Alfred Kinsey Del Martin Phyllis Lyon Jim Kepner Jack Nichols Christine Jorgensen Jose Sarria Barbara Grier Frank Kameny and 40 more To anyone with an interest in the history of the gay lesbian rights movements in the United States these names will be familiar but did you know that in addition to their groundbreaking activism Prescott Townsend was a Boston Brahman Dorr Legg was a Log Cabin Republican Harry Hay was at one time a member of the Communist party Jim Kepner was a boy preacher Troy Perry was removed from the ministry of his church for homosexuality and then founded the gay friendly Metropolitan Community Church Reed Erickson a transsexual millionaire who gave millions to the cause kept a pet leopard called Henry Barbara Gittings set up a kissing booth at the American Library Association convention and urged attendees to kiss a gay or lesbian Before Stonewall is a perfect ancillary text for any gay lesbian studies course but more to the point no one interested in these heroic figures and the movements they ignited should be without this book which received an honorable mention in the 2004 Stonewall Book Awards

Social Work Practice with Lesbian, Gay, Bisexual, and Transgender People Gerald P. Mallon, 2017-08-16 Although the vast majority of LGBT persons are healthy resilient and hardy individuals who do not seek social work intervention some have been or will be clients in social work agencies The third edition of Social Work Practice with Lesbian Gay Bisexual and

Transgender People updates this classic text and expands its scope to include new content on social work with older and younger LGBT people. Written by a team of highly experienced experts, this book provides a knowledge base for practice that will better prepare students and practitioners for working sensitively, competently, and effectively with LGBT individuals and groups. Comprehensive and practical, this unique text discusses the pragmatic aspects of social work with lesbian, gay, bisexual, and transgender people. It will improve and reinforce competent practice with LGBT persons and their families in multiple settings. Chapters focus on important topics such as the profession's core values and ethical principles, social work and queer theory, LGBT and race, heterosexism, racism, and sexism, applying the life model and the stress coping process, practice with bisexual, transgender, and gender non-conforming persons, relationship building between lesbian partners, the impact of creating family for lesbian couples, internalized homophobia, heterocentrism, and gay identity, group work practice with the LGBTQ community, clinical assessment for families where sexual orientation is an issue, and LGBT parenting. There are also new chapters on social work with LGBT young people and LGBT older people. Complete with a highly detailed appendix of symbols, definitions, and terms, *Social Work Practice with Lesbian, Gay, Bisexual, and Transgender People*, third edition, is an invaluable resource for social workers and mental health professionals as well as for students and educators at all levels of experience.
