John Kelly

Sophisticated Boom Boom:

Sophisticated Boom Boom John Kelly, 2011-01-31 In Enniskillen Co Fermanagh in the seventies nothing happens Every day Teenagers Declan Lydon and his trusted friend Spit Maguire stand under lampposts waiting to be overtaken by some hormonal storm to be enveloped by strange women to finally make some connection with the glorious glamorous world they know is out there somewhere Their salvation comes through music When miraculously Thin Lizzy come to town Declan goes in to the concert in his brown cardigan and emerges wearing a black leather jacket **Sophisticated Boom Boom** is a tender hilarious account of the agonies and absurdities of growing up in a backwater of pebbledash and Space Invaders Crucially though this is a love letter to the period and the place and to the liberating healing power of music that galvanises and transforms **Sophisticated Boom Boom** John Kelly, 2011-03-22 **Sophisticated Boom Boom Proof** John

Kelly, 2003-04-01 **Dressed in Black** Lisa MacKinney, 2025-03-18 The first full length history of the Shangri Las one of the most significant and most misunderstood pop groups of the 1960s Sisters Mary and Betty Weiss together with twins Mary Ann and Marguerite Ganser were schoolgirls when they formed the Shangri Las in 1963 and had a meteoric rise to fame with songs like Leader of the Pack and Remember Walking in the Sand Their career was cut short for reasons largely beyond their control derailed by the machinations of Mafia linked record executives and heartbreak and tragedy followed Historian Lisa MacKinney marshals an impressive array of new evidence to tell the Shangri Las story dispelling many myths and long standing mysteries along the way Equally importantly **Dressed in Black** radically rewrites the accepted narrative of the Shangri Las place in rock history As young women they were permitted little agency within a male dominated industry that viewed teenagers as fodder to be manipulated and exploited by producers songwriters and label owners For decades this has served as an excuse for critics to deny the musical input of the group members to trivialize the Shangri Las as a girl group and to assign their work a lesser rank in the canon of authentic rock and roll MacKinney's great achievement here is to foreground the Shangri Las considerable abilities and musicality and establish the centrality of their performance of their songs to the group's underappreciated artistic achievement This is not to deny the critical role in the group's success of professional songwriters including Ellie Greenwich and Jeff Barry and writer producer George Shadow Morton a pioneering and eccentric figure whose self mythologizing has generated a level of obfuscation that rivals that of the Shangri Las themselves MacKinney's clear sighted account reveals Morton in a completely new light and as part of a complex ecosystem of musical relationships Morton wrote and produced highly emotional material specifically for the Shangri Las because he knew they had the skills to make his mini operas not only believable but enthralling The group members particularly Mary Weiss channeled personal anguish into their extraordinary performances which are central to the songs impact no less so than for such classic singers as Ella Fitzgerald and Elvis Presley who also relied on producers and songwriters for their body of work The Shangri Las impassioned delivery elicited a massive response from their audience of fellow teenagers at the time

and has continued to connect profoundly with audiences ever since MacKinney backs up these arguments with in depth analysis of key Shangri Las recordings and makes a powerful case that their achievements warrant a far more prominent place for the Shangri Las in the history of popular music *Miracleman By Gaiman & Buckingham Book 1* Neil Gaiman,2022-10-19 Collects *Miracleman* 1985 17 22 and material from *Total Eclipse* 4 As Presented in *Miracleman* by Gaiman Buckingham 1 6 Award Winning Writer Neil Gaiman Sandman And Artist Mark Buckingham Fables unveil *Miracleman* s Golden Age Atop Olympus *Miracleman* presides over a brave new world forged from London s destruction It is a world free of war of famine of poverty A world of countless wonders A world where pilgrims scale Olympus peak to petition their living god while miles below the dead return in fantastic android bodies It is an Age of Miracles but is humankind ready for it Do we even want it Is there a place for humanity in a world of gods Gaiman and Buckingham delve into the lives of lonely idealists rebellious schoolchildren and fracturing families exploring the human constant in a changing world of gods and miracles **The Vanity Fair Diaries** Tina Brown,2017-11-14 The diaries of the author s years as editor in chief of *Vanity Fair* also serves as a portrait of the 1980s in New York and Hollywood describing her summons from London in the hopes of saving Cond Nast s periodical and her experiences within the world of glamour magazines *The Shangri-Las' Golden Hits of the Shangri-Las* Ada Wolin,2019-04-04 Of the many girl groups that came out of the 1960s none is more idiosyncratic and influential than the Shangri Las They were together only five years but within that time they subverted pop standards and foreshadowed a generation of tough women in music Critically they are not lauded in the way of the Ronettes and they are certainly not a household name like the Supremes They were a little too low brow with an uncouth flair for theatrics that has placed them just left of the girl group canon This book examines the still elusive validation of 1960s girl groups as a whole but also paradoxically aims to free the Shangri Las from that category viewing them instead with the sort of individuality traditionally afforded to rock groups They were somehow able to challenge the status quo under the guise of sticky sweet pop a feat not many pop groups can achieve but which they do fleetingly but not insubstantially in *Golden Hits of the Shangri Las* **Girl Groups** John Clemente,2013 From the 1950s through the 1980s girl groups were hot and not just because of their looks These rocking women had a profound impact on our culture and left us with a lifetime s worth of memorable tunes Now you can learn about all your favorite female artists and you can build the ultimate girl powered record collection for yourself This expanded and updated book features biographical information of over sixty five of the most significant girl groups of Rock N Roll and Rhythm N Blues everyone from The Supremes to The Go Gos These profiles contain complete discographies for each of the groups and quotes from members of many of the featured groups Also Included A comprehensive list of all girl groups and their labels Pricing for 500 of the most collectible girl group records More than 150 photos This book enables all music lovers to learn how those fabulous voices came together to form the harmonies that captured generations and also find out the most current values of the hottest collectible records Barrowland Nuala
