and style to this group Grene has also revised his earlier translation of Prometheus Bound and rendered some of the former prose sections in verse These new translations replace the originals included in the paperback volumes Sophocles I which contains all three Theban plays Aeschylus II Greek Tragedies Volume I and Greek Tragedies Volume III all of which are now being published in second editions All other volumes contain the translations of the tragedies of Aeschylus Sophocles and Euripides for the most part from the original versions first published in the 1940s and 1950s These translations have been the choice of generations of teachers and students selling in the past forty years over three million copies **Sophocles II**
