Reconsidering white identities through white experiences of race White Lives encompasses many disciplines making valuable reading for those studying sociology anthropology race and ethnicity and cultural studies Winner of the BSA Philip Abrams Memorial Prize 2007 The Ties That Bind Bernard Capp,2018-06-28 The family is a major area of scholarly research and public debate Many studies have explored the English family in the sixteenth and seventeenth centuries focusing on husbands and wives parents and children The Ties that Bind explores in depth the other key dimension the place of brothers and sisters in family life and in society Moralists urged mutual love and support between siblings but recognized that sibling rivalry was a common and potent force The widespread practice of primogeniture made England distinctive The eldest son inherited most of the estate and with it a moral obligation to advance the welfare of his brothers and sisters The Ties that Bind explores how this operated in practice and shows how the resentment of younger brothers and sisters made sibling relationships a heated issue in this period in family life in print and also on the stage *Sisters of Silver Creek* Bessie Marchant,1908 *The Illustrated Zuleika Dobson* Sir Max Beerbohm,2002-01-01 Max Beerbohm s whimsical tale of a beautiful girl who takes Oxford by storm is illustrated with his own charming sketches **Zuleika Dobson** Max Beerbohm,2017-05-03T00:13:38Z Max Beerbohm earned his fame as a caricaturist and essayist and Zuleika Dobson is his only novel Despite that Zuleika has earned no small measure of fame with the Modern Library ranking it 59th in its 100 Best English Language Novels of the 20th Century Beerbohm s essays were famous for their sharp wit and humor and Zuleika follows in that tradition Beerbohm himself called the novel the work of a leisurely essayist amusing himself with a narrative idea The novel follows Zuleika Dobson a rather talentless woman of middling looks who nonetheless holds an almost mystical power of attraction over the men she comes in contact with When she begins attending Oxford she catches the eye of not just the Duke of Dorset but of the entire male class Zuleika is both an easy comedy and a biting satire of Edwardian social mores and of the male dominated Oxford student culture Beerbohm also seems to forecast with eerie accuracy the cultural obsession with talentless celebrity that came to dominate the turn of the 21st century This book is part of the Standard Ebooks project which produces free public domain ebooks
