Spirit Leo O. Stossich, 2019-02-26 This book traces the journeys of seven victims of childhood sexual abuse who have experienced recovery through the activity of the Holy Spirit within the context of the local church These recovered victims have been enabled to move beyond the devastation of abuse by others whom they trusted to a place of emotional and psychological stability appropriate sexual intimacy with their spouses and a growing level of spiritual maturity While the Christian community has been slow to grasp the severity and extent of the problem or to provide the healing resources of the gospel some victims have found recovery in local churches The author has undertaken in depth interviews to elicit and explore the narratives of their journeys from woundedness to well being These narratives are an important source of information on the activity of the Holy Spirit in healing While the Spirit is an entity hidden to us the author has explored the experiences of seven recovered victims to disclose meaning for the work of the Spirit in all areas of Christian ministry

U.S. History As Women's History Linda K. Kerber, Alice Kessler-Harris, Kathryn Kish Sklar, 2000-11-09 This outstanding collection of fifteen original essays represents innovative work by some of the most influential scholars in the field of women's history. Covering a broad sweep of history from colonial to contemporary times and ranging over the fields of legal, social, political, and cultural history, this book according to its editors intrudes into regions of the American historical narrative from which women have been excluded or in which gender relations were not thought to play a part. The book is dedicated to pioneering women's historian Gerda Lerner whose work inspired so many of the contributors and it includes a bibliography of her works. The contributors include Linda K. Kerber on women and the obligations of citizenship; Kathryn Kish Sklar on two political cultures in the Progressive Era; Linda Gordon on women, maternalism, and welfare in the twentieth century; Alice Kessler-Harris on the Social Security Amendments of 1939; Nancy F. Cott on marriage and the public order in the late nineteenth century; Nell Irvin Painter on soul murder as a legacy of slavery; Judith Walzer Leavitt on Typhoid Mary and early twentieth-century public health; Estelle B. Freedman on women's institutions and the career of Miriam Van Waters; William H. Chafe on how the personal translates into the political in the careers of Eleanor Roosevelt and Allard Lowenstein; Jane Sherron De Hart on women, politics, and power in the contemporary United States; Barbara Sicherman on reading; Little Women; Joyce Antler on the Emma Lazarus Federation's efforts to promulgate women's history; Amy Swerdlow on Left feminist peace politics in the cold war; Ruth Rosen on the origins of contemporary American feminism among daughters of the fifties; Darlene Clark Hine on the making of Black Women in America. An Historical Encyclopedia. As the Child of an Alcoholic Wayne Mitchell, Tamara Mitchell, 2025-02-11 Discover the life-changing results of reading As the Child of an Alcoholic. In 1983 Janet Woititz wrote the book Adult Children of Alcoholics and she listed 13 characteristics of children of alcoholics. In As the Child of an Alcoholic Wayne and Tamara Mitchell update Woititz's observations. Using research unavailable to Janet Woititz at the time, the Mitchells demonstrate how her 13 generalizations can be reduced to two basic psychological concepts. Understanding those two concepts and understanding how living with an alcoholic disrupts a child's nervous system are the keys to recovery for children of alcoholics. Growing up with an alcoholic or heavy drinker is the most common adverse childhood experience. That's why As the Child of an Alcoholic gives unambiguous, candid, forthright advice on recovery. The Mitchells explain how guilt, shame, and lack of knowledge hold back recovery. They also show children of alcoholics how to reframe what happened to them in order to alter their thinking and behavior and to live the life they were meant to live. As the Child of an Alcoholic is for you if you want to start making sense of your life. Release the trauma and tension. Be comfortable in your own skin. Live the life you were meant to live. In this book the Mitchells blend proven research, case studies, and their own experience to help you chart your course to a successful life. The book is also helpful for spouses and partners of children of alcoholics as well as for anyone who grew up in a dysfunctional home. Wayne and Tamara are the authors of Cheating in a Nutshell and The Young Woman's Guide to Older Men. For 22 years they wrote the international

Internal Desecration Carrie Doehring,1993-08-11 Overwhelming life experiences such as physical and sexual abuse during childhood have the potential to obliterate internal representations of a loving God In this book the author explores the inter relationship between severity of childhood traumatization and mental representations of God through a comprehensive review of psychodynamic literature and quantitative research methodology The research findings of a study with forty seven women demonstrate the complexity of this subject and illustrate how the empirical truth of quantitative findings may or may not resonate with the metaphorical truth of psychodynamic models of traumatization The author discusses the significance of these findings for clinicians and faith communities
