Soul Obsession:

Soul Obsession Kalista Neith,2025-09-30 Anneliese Widman,2009-05-01 Twenty years ago the topic of Satan emerged for Anneliese Widman PhD while she was searching for a doctoral thesis subject The following words appeared on a piece of paper as though she were writing them automatically the demonic aspect in the human personality The concept underlying those words was manna from heaven she realized that she was in touch with a monumental topic She became aware that our insufficient egos stem not only from our parents words and behavior but also from the demonic intention that underlies the parents feelings toward their offspring She began to understand the ways that voices could destroy the self limiting normal functioning and she devised a method to help identify these voices and help a patient extricate him or herself from the power of their irrational impact on the psyche In *Unleashing Satan s Grip* through two patients case histories she shows how they deal with struggles similar to yet different from those we all face The purpose of this book is to show the reader how to return to the Source devoid of the evil ones and to bring ways to master these forces and to remember the origin we all share our Source the vital force of our true self and to ally with it as our friend and guide It is available to all who seek it Finding the true Self is a mammoth undertaking the process can take many years to accomplish As Dr Widman writes The task is a noble one but we are all noble and godlike at our basic core Is not the purpose of being on this planet to bring that core into the light out of the unlit labyrinth to completion our connection to our Godself This book will demonstrate how to approach such completion Soul Songs Astra B. spiritual life St Thomas St John of the Cross and St Teresa of Avila this truly theological synthesis is set forth in clear and accessible form as its widespread popularity in Spain four editions in six years attests But The Theology of Christian Perfection is perhaps even more valuable as a work of spiritual formation It is an eminently practical manual of sound advice counsel and direction with respect to the increasingly fruitful use of the means negative and positive for advancing in perfection As such it will be immediately valuable for spiritual directors an indispensable aid for self formation and a work of precious merit for all souls desirous of spiritual advancement *Soul Talk* Larry Crabb,2005-10-02 In this extraordinary book Dr Larry Crabb introduces a revolutionary way for Christians to experience God Soul talk happens when two Christians talk to each other in a way that results in their passion for God being stirred ignited and released *Soul Repair* Jeff VanVonderen,Dale Ryan,Juanita Ryan,2010-10-18 Jeff VanVonderen Dale Ryan and Juanita Ryan offer help in understanding abusive spirituality addictive spirituality codependent spirituality anorexic spirituality and how to build a healthy balanced spirituality *Soul of a Lifter* , **Soul Passion** Ramesh P.
