Honouring Mary Gabriel B. Pidomson, 2017-07-20 What this book reveals God Almighty needed a trusted vessel the

right body to channel His salvation plan After centuries of search He did settle on Mary a virgin girl that lived in Galilee who had the perfect body the right attitude and sufficient faith Undeniably an imperfect body would have defiled the divine nature of Christ the wrong attitude would have delayed the salvation plan and an insufficient faith would have jeopardized the entire plan When God found the right body He did not only purify it but He also filled it with infinite grace Indeed the salvific project required maximum precision precision that ought to be multimillion times more accurate than sending shuttles into space Fault tolerance for the salvific mission was zero Mary was not only part of the plan but her body attitude and faith were critical to the success of the entire mission While it is true that God prepared Mary she for the role God respected her freewill and sought her cooperation Unlike Eve she cooperated with God and submitted to His will While many Christians do not give Mary her pride of place their disdain does not diminish the unique role she played in the salvific plan Also their disdain does not diminish the favors she gained from God and made manifest by her divine maternity Indeed Mary is blessed above all women not because we think believe or say so but because it is so Indeed the Mighty One has done great things for her and holy is His Name Pidomson navigates on a very high frequency of spiritual plane I commend him for this excellent treatise on the Blessed Virgin Mary It is an area of Christian doctrine that few venture to explore The author has shown that it is not an impossible task Rev Fr Prof John U Gangwari Catholic Institute of West Africa Pidomson s revelatory book gives us the enlightened timeless wisdom of Mariology in a way that helps us to rediscover the original meaning and efficacy of time tested devotion to the Blessed Virgin Mary He presents his arguments with clarity and simplicity that transcends theological nitpicking This timeless spiritual message is urgently needed Rev Mesgr Livy Boniko Parish Pastor Immaculate Heart Parish Port Harcourt Nigeria This book is about the Mother of Jesus who has bequeathed to us the lively example of knowing how to continue prodding God for divine compassion and generosity Her intervention in John 2 reveals her to be a catalyst to Jesus extravagant generosity both in quantity and quality that kept the wedding party at Cana in Galilee going These lines beautifully crafted by Dr Gabriel Pidomson encourages us through the example of Mary to know how to nudge God asking what God has in mind for our particular challenges even as She intercedes for us saying They have no wine Rev Msgr Dr Pius Kii Faculty of Canon Law Catholic Institute of West Africa Pidomson s work is a masterpiece The book will go far to touch so many souls believing doubting and seemingly lost I thank God for granting me the opportunity to be thinly associated with this divine message revelation May God bless him for this divine revelation Mr Chris Okonkwo Editor in Chief National Network

The gentlewoman's remembrance Isaac Stephens, 2016-08-25 A microhistory of a never married English gentlewoman named Elizabeth Isham this book centres on an extremely rare piece of women s writing a recently discovered 60 000 word spiritual autobiography held in Princeton s manuscript collections that she penned around 1639 The autobiography is unmatched in providing an inside view of her family relations her religious beliefs her reading habits and most sensationally the reasons why she chose never to marry despite desires to the contrary held by her male kin particularly

Cook,Julienne McLean,Peter Tyler,2017-09-08 In *Mystical Theology and Contemporary Spiritual Practice* several leading scholars explore key themes within the Christian mystical tradition contemporary and historical The overall aim of the book is to demonstrate the relevance of mystical theology to contemporary spiritual practice Attention is given to the works of Baron von Hugel Vladimir Lossky Margery Kempe Ludwig Wittgenstein Thomas Merton and Francisco de Osuna as well as to a wide range of spiritual practices including pilgrimage spiritual direction contemplative prayer and the quotidian spirituality of the New Monasticism Christian mystical theology is shown to be a living tradition which has vibrant and creative new expressions in contemporary spiritual practice It is argued that mystical theology affirms something both ordinary and extraordinary which is fundamental to the Christian experience of prayer

The Peabody Sisters Megan Marshall,2017-11-01 Pulitzer Prize Finalist A stunning work of biography about three little known New England women who made intellectual history The New York Times Elizabeth Mary and Sophia Peabody were in many ways the American Bront s The story of these remarkable sisters and their central role in shaping the thinking of their day has never before been fully told Twenty years in the making Megan Marshall s monumental biography brings the era of creative ferment known as American Romanticism to new life Elizabeth Peabody the oldest sister was a mind on fire influence on the great writers of the era Emerson Hawthorne and Thoreau among them who also published some of their earliest works it was she who prodded these newly minted Transcendentalists away from Emerson s individualism and toward a greater connection to others Middle sister Mary Peabody was a passionate reformer who finally found her soul mate in the great educator Horace Mann And the frail Sophia an admired painter among the preeminent society artists of the day married Nathaniel Hawthorne but not before Hawthorne threw the delicate dynamics among the sisters into disarray Casting new light on a legendary American era and on three sisters who made an indelible mark on history Marshall s unprecedented research uncovers thousands of never before seen letters as well as other previously unmined original sources A massive enterprise *The Peabody Sisters* is an event in American biography The New York Times Book Review Marshall s book is a grand story where male and female minds and sensibilities were in free fruitful communion even if men could exploit this cultural richness far more easily than women The Washington Post Marshall has greatly increased our understanding of these women and their times in one of the best literary biographies to come along in years New England Quarterly

Royal Poetrie Peter C. Herman,2011-03-15 *Royal Poetrie* is the first book to address the significance of a distinctive body of verse from the English Renaissance poems produced by the Tudor Stuart monarchs Henry VIII Mary Queen of Scots Elizabeth I and James VI I Not surprisingly Henry VIII is no John Donne but the unique

political and poetic complications raised by royal endeavors at authorship imbue this literature with special interest Peter C Herman is particularly intrigued by how the monarchs poems express and extend their power and control Monarchs turned to verse especially at moments when they considered their positions insecure or when they were seeking to aggregate more power to themselves Far from reflecting absolute authority monarchic verse often reveals the need for authority to defend itself against considerable effective opposition that was often close at hand In monarchic verse Herman argues one can see monarchs asserting their significance and appropriating images of royalty to enhance their power and their position Sometimes as in the cases of Henry and Elizabeth they are successful sometimes as for James they are not For Mary Stuart the results were disastrous Herman devotes a chapter each to the poetic endeavors of Henry VIII Mary Stuart Elizabeth I and James VI I His introduction addresses the tradition of monarchic verse in England and on the continent as well as the textual issues presented by these texts A brief postscript examines the verses that circulated under Charles I s name after his execution In an argument enhanced by carefully chosen illustrations Herman places monarchic verse within the visual and other cultural traditions of the day

Proof from the Light and Darkness Spencer J., Pamela T. Atkinson, 2009-10 This book Proof from the Light and Darkness intends to prove many divine truths to many people Many will accept it as proof while many will not The following are seven of such truths this book will prove

- 1 God is a living eternal and a superior being
- 2 The soul is a living and unique pattern of energy created by God and should not be confused with the spirit
- 3 God is a union of two entities which were the first souls to exist male and female therefore God can be him or her
- 4 God comes to Earth periodically as Christ incarnate in the body of a man and a woman
- 5 Jesus of Nazareth and Mary of Bethany the Magdalene were the Christ s two thousand years ago
- 6 Spencer John Atkinson and Pamela Theresa Atkinson are the new names and bodies of the same Christ Jesus and Mary Magdalene
- 7 Heaven is a real and eternally joyful place in another dimension of space

These seven topics and more is a result or a chain reaction from the main proof God has given me proof that I am the incarnate soul of Jesus of Nazareth and my wife and I are the Christ Have no fear this book is not just another book on religion however in order to prove Jesus soul is back incarnate the King James Bible must be used not for its Christian theology or religious teachings instead for its Divine Arrangements blueprint map of predictions or prophecies concerning the return of Jesus Christ It s time to stop the confusion caused by so many different beliefs by adding common sense logic and deductive reasoning leading to proof that might be realized by all faiths
