shockwaves that threatened to destroy everything she held dear Despite her disbelief and anger Jones realized she had to find an out of the box way to cope or risk losing everything In this sometimes shocking memoir My Soul on Ice An Unconventional Third Way to Rebuild a Life after Betrayal Jones recalls the people and places that helped shape her worldview She tells her story with aplomb interspersing her present day upheaval with recollections over the decades One constant during Jones peripatetic life moving from the US to the UK Asia and eventually settling in Canada is pondering the path not taken Leaving behind her first love Choosing to deprioritize her career Trusting her husband Jones tries to come to terms with the past while gaining the courage to redefine the present along with the meaning of marriage on her own terms

Dangerous Desire Pamela Barnett,2004-11-15 Dangerous Desire is an important work that calls attention to how post 1960s literary representations of rape have shaped the ways in which both sexual and social freedoms are imagined in American culture Exploring key post sixties texts including Cleaver s Soul on Ice Brownmiller s Against Our Will French s

The Women's Room Naylor's The Women of Brewster Place Walker's Meridian and Dickey's Deliverance Barnett finds that the widespread literary explorations of rape were almost always conjoined with one or more of the radical social movements of the sixties civil rights black nationalism women's liberation and black feminism Sexual violence emerges in these texts when the transformative possibilities articulated by sixties era liberation movements trigger and intensify imbalances of power and cultural difference for example Eldridge Cleaver's claim that he lashed out against the white power structure by raping white women This book should be of considerable interest to students and scholars of 20th century American literature as well as American Studies and African American Studies scholars interested broadly in issues of sexuality race and violence

Reading Appalachia from Left to Right Carol Mason, 2011-02-23 In Reading Appalachia from Left to Right Carol Mason examines the legacies of a pivotal 1974 curriculum dispute in West Virginia that heralded the rightward shift in American culture and politics At a time when black nationalists and white conservatives were both maligned as extremists for opposing education reform the wife of a fundamentalist preacher who objected to new language arts textbooks featuring multiracial literature sparked the yearlong conflict It was the most violent textbook battle in America inspiring mass marches rallies by white supremacists boycotts by parents and strikes by coal miners Schools were closed several times due to arson and dynamite while national and international news teams descended on Charleston A native of Kanawha County Mason infuses local insight into this study of historically left leaning protesters ushering in cultural conservatism Exploring how reports of the conflict as a hillbilly feud affected all involved she draws on substantial archival research and interviews with Klansmen evangelicals miners bombers and businessmen a who like herself were residents of Kanawha County during the dispute Mason investigates vulgar accusations of racism that precluded a richer understanding of how ethnicity race class and gender blended together as white protesters set out to protect our children's souls In the process she demonstrates how the significance of the controversy goes well beyond resistance to social change on the part of Christian fundamentalists or a cultural clash between elite educators and working class citizens The alliances tactics and political discourses that emerged in the Kanawha Valley in 1974 crossed traditional lines inspiring innovations in neo Nazi organizing propelling Christian conservatism into the limelight and providing models for women of the New Right

My Father's Shadow David L. Dudley, 2016-11-11 In My Father's Shadow David L. Dudley explores a line of African American men's autobiographies starting with Frederick Douglass and moving on through Booker T. Washington W. E. B. Du Bois Richard Wright James Baldwin Eldridge Cleaver and Malcolm X In life these writers did not enjoy normal relationships with their fathers who were all unknown absent or abusive Damaged and damaging father-son relationships in childhood Dudley contends spill over into adult personal and artistic relationships clouding and complicating the already complex issue of identity that lies at the core of any autobiographical endeavor Dudley identifies a kind of inter-generational Oedipus conflict each rising autobiographer seeks through his text to displace his predecessor in order to gain imaginative space for himself as well as a position of

authority in the black and sometimes white community As each writer strives to come to terms with the powerful father figure in the black male autobiographical tradition he also wrestles with the larger issue of his own identity in relation to the literary and cultural traditions in which he lives and writes Dudley also traces the triumph of these writers as they establish their own identity in the face of great personal and societal odds *My Father's Shadow* is an important contribution to the study of African American literature history politics and culture It will also serve as an examination of the experiences of seven writers as they struggle with what it means to be a black man and a black writer in America
