Soul Stories African American Christian Education:

Soul Stories Prof. Anne E. Streaty Wimberly, 2010-09-01 In this revision of *Soul Stories* Dr Wimberly moves even more in the direction of Christian Education with African American families Soul stories link persons everyday life with the Christian Scriptures The soul stories in this revised volume take on a cross generational orientation with emphasis on linking stories of family identities events relationships and story plot with Bible stories and exemplary Christian faith stories found in the African Diaspora This orientation builds on an awareness of the continued fragmentation of Black family life and the disconnect between generations on one hand yet on the other hand the profound yearning of Black people for a common family history The goal of Dr Wimberly's model is to enliven the values associated with the image of village in order to empower and equip African Americans today

The Christian Educational Approach of Anne Streaty Wimberly's, Soul Stories: African American Christian Education and Its Implications for the African American Local Church

Sadie Hunter Goldsmith, 2004 **Religious Education in the African American Tradition** Kenneth H. Hill, 2012-11

Schweitzer's goal in this book is to explore what postmodernity actually means for theology and how theology and the church may respond to its challenges He focuses on the life cycle as it is changing with the advent of postmodernity looking sequentially at segments of the life cycle using different lenses modernity postmodernity and responses from church and theology Schweitzer concludes with a theology of the life cycle *Introducing Christian Education* Michael J.

Anthony, 2001-09-01 Building on the success of his 1992 collection *Foundations of Ministry* over 17 000 sold Michael Anthony offers *Introducing Christian Education* to fill the need in the C E curriculum for an introductory foundations textbook one that provides an overview and understanding of the broad range of subjects included in C E for college and seminary use Thirty one chapters are offered under the following sections 1 Foundations of C E 2 Developmental Perspectives of C E 3 Educational Implications of C E 4 Organization Administration and Leadership 5 C E Applied to the Family and 6 Specialized Ministries Contributors include Robert Pazmi o Jim Wilhoit Julie Gorman Klaus Issler and Ted Ward FROM THE FOREWORD BY LESTER C BLANK JR *Introducing Christian Education* will become a major resource text for church leaders and Christian education leaders who are professors of Christian education It will be a valuable resource in my personal library The desired outcome will be Psalm 78 72 He cared for them with a true heart and led them with skillful hands *African Americans and the Bible* Vincent L. Wimbush, 2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and

disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meaning s of the Bible than about the Bible and meaning s less about the world s of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus African Americans and the Bible provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed

In Search of Wisdom Prof. Anne E. Streaty Wimberly, Evelyn L. Parker, 2011-07-01 edited by Anne E Streaty Wimberly A guide for pastors church leaders and all who help African Americans in their search for a meaningful Christian lifestyle Forming Christians leading fallen and flawed human beings into the path of discipleship to a crucified and risen Lord is one of the central if not the central tasks of all Christian churches It is a difficult enough task anywhere but for African Americans beset by racial conflict personal crises generational separation and other concerns it is especially so African American churches must work particularly hard to counter the messages their members receive from the dominant and often unfriendly culture This book employs the biblical text and African tradition to draw on the idea of the search for wisdom as a potent way to help African Americans in their pursuit of genuine Christian discipleship Wisdom in African American tradition is not simply knowledge rather it is those insights attitudes beliefs behaviors and practices that create and sustain a life of hope and that produce an inherent sense of the worth of one s self If their members are to engage in the search for wisdom African American churches must build an intentional ministry of faith formation Wisdom can be gained the authors argue when African Americans listen to the black oral tradition with its proverbial sayings revered Bible stories songs and narratives from the lives of exemplary individuals The book offers several similar avenues for the search for wisdom including helpful models of black males mentoring younger black males as a remedy to the destructive effects that contemporary culture has on this segment of the African American community
