Soul Survivors Beyonce Knowles, Kelendria Rowland, Michelle Williams, 2002-04-16 It must be a part of human nature to love drama We never would have sold as many records and we never would have been this popular if our member changes did not happen Up until that point we were squeaky clean nice girls who couldn't get on the cover of any magazines Beyonce Knowles They're beautiful they're talented they're bootylicious From first kisses and broken hearts to pillow fights and legal battles to losing friends and finding strength in God Beyonce Knowles Kelly Rowland and Michelle Williams share it all Their example of survival has made Destiny's Child one of the most beloved bestselling female groups ever Here for the first time the three share the struggles that have made them stronger from Beyonce's battles with weight loss and shyness Kelly's coming to terms with growing up without a dad and Michelle's triumph over grade school bullies They've grown up under the media microscope and have had to deal with lineup changes and media rumors Now they set the record straight The demands and drama the schedules and scrutiny from the tour bus to the dressing rooms to backstage at awards shows Beyonce Kelly and Michelle talk about what it takes to be successful Whether it's changing outfits in the rain changing their hair color or changing a name they've done it Don't be mistaken they're not a prefab group of young girls they're smart independent women with a lot of soul When these ladies had only minutes of studio time to work with Wyclef Jean to remix one of their songs they didn't stress they just started singing faster and the result was a unique sound that put them on the map Everyone has caught on to the Destiny's Child groove Whitney Houston Bono and Michael Jackson have all given them props and the King of Pop himself serenaded them with a rendition of Bootylicious Beyonce Kelly and Michelle take you behind the scenes of a video rehearsal at which Aaliyah rewound their practice music to the set of Austin Powers 3 where a starstruck Beyonce felt anything but foxy before auditioning for the part of Foxy Cleopatra and backstage at the Grammys where a last minute costume change fiasco nearly kept Michelle from going onstage With total honesty these soul survivors not only dish the details of their past but share their hopes plans and dreams for the future
