Sound Heritage Voices From British Columbia:

Voices of British Columbia Robert Budd, 2010-09-01 Between 1959 and 1966 the late CBC Radio journalist Imbert Orchard travelled across British Columbia with recording engineer Ian Stephen interviewing nearly a thousand of the province's pioneers. The resulting collection of 2 700 hours of audiotapes describing both extraordinary events and everyday experiences is considered by historians to be one of the best sources of primary information about the province. To the general public however the tales in these tapes remain virtually unknown. Combining text, archival photographs and the original sound recordings from the CBC Archives onto three CDs *Voices of British Columbia* draws 24 stories from this collection to immerse us in daily life in the early 20th century. You'll meet Sarah Glassey, a spirited homesteader who carried a rifle and bagged more birds than any man in the Kispiox Valley. You'll hear Bill LaChance, the sole survivor of the 1910 Glacier Snowslide, describe that tragic avalanche. And you'll discover how Great Chief Kwah of Fort St James spared the life of James Douglas, future governor of British Columbia. By turns sad, contemplative, insightful and funny, these stories reveal as much about the spirit and resilience of people as they do about the history of the province. **Sound Heritage** Saeko Usukawa, 1984 Hub City Jan Peterson, 2003 The Nanaimo Bastion, which marked its 150th anniversary in 2003, remains a prominent symbol of Nanaimo's heritage as an HBC fort, coal mining centre and transportation hub, a vital link between other developing parts of Vancouver Island and the Lower Mainland. *Hub City*, the second volume in Jan Peterson's trilogy on Nanaimo's vibrant history, tells of the development of this Vancouver Island community from the arrival of the E.N. Railway in 1886 through to the end of the First World War and the Spanish influenza epidemic. Included in her story are such pivotal events as the mining disaster of 1887, the Big Strike of 1912-1914, the emergence of the labour movement and the rise and fall of coal baron James Dunsmuir. **Bibliographie de L'histoire Du Québec Et Du Canada, 1981-1985** Paul Aubin, 1990 Liste signalétique des documents parus entre 1981 et 1985. Livres, articles, thèses. L'organisation de la bibliographie est en trois sections systématique par ordre des grands sujets, analytique par ordre des sujets particuliers, auteur par ordre des noms avec renvois. La section systématique. Les auteurs ont intégré l'instrument des documents non recensés dans les ouvrages couvrant les périodes antérieures 1948-1965-1966-1975-1976-1980. **Tofino and Clayoquot Sound** Margaret Horsfield, Ian Kennedy, 2014-10-25 Clayoquot Sound on the West Coast of Vancouver Island is not only a place of extraordinary raw beauty but also a region with a rich heritage and fascinating past. Tofino and Clayoquot Sound delves into all facets of the region's history, bringing to life the chronicle that started with the dramatic upheavals of geological formation and continues to the present day. The book tours through the history of the Hesquiaht, Ahousaht and Tla-o-qui-aht, as well as other nations that inhabited the area in earlier times. It documents the arrival of Spanish, British and American traders on the coast and their avid greed for sea otter pelts. It follows the development of the huge fur seal industry and its profound impact on the coast. It tracks the establishment of reserve lands and two residential schools. The coming of World War II is discussed.

as is the installation of a large Air Force base near Tofino which changed the town and area dramatically From here the story spirals into the post road period With gravel and asphalt came tourism newcomers the counter culture of the 1960s the establishment of Pacific Rim National Park and of course surfing The book also addresses logging which became the main industry in the area and its questionable practices going into detail about the War in the Woods the world famous conflict and largest mass arrest in Canadian history A place is shaped by its people and Horsfield and Kennedy highlight notable figures of past and present the merchants the missionaries the sealers and the settlers the eternally optimistic prospectors the Japanese fishermen and their families the hippies the storm and whale watchers the First Nations elders and leaders Offering an overall survey of the history of the area Tofino and Clayoquot Sound is extensively researched and illustrated with historic photos and maps it evokes the spirit and culture of the area and illuminates how the past has shaped the present

Possessing Meares Island Barry Gough,2021-11-13 A fascinating account that links early maritime history Indigenous land rights and modern environmental advocacy in the Clayoquot Sound region by award winning author and historian Barry Gough Centred on Meares Island located near Tofino on Vancouver Island s west coast Possessing Meares Island weaves a unique history out of the mists of time by connecting eighteenth century Indigenous colonial trade relations to more recent historical upheavals Gough invites readers to enter a dramatic epoch of BC s coastal history and watch the Nuuchahnulth nations spearhead the maritime sea otter trade led by powerful chiefs like Wicannish and Maquinna Eventually Meares Island declines into an economic backwater due to overhunting the sea otter the bloody Clayoquot War of 1855 and most importantly the proxy of empire the Hudson s Bay Company establishing colonial roots in nearby Victoria Caught up in the tides of change the Treaty of 1846 ushers in a new era as the island is officially declared property of the British crown Gough bridges the gap between centuries as he describes how the Nuuchahnulth Tribal Council draw on this complicated history of ownership to invoke their legal claim to the land and defend the majestic wilderness from the indiscriminate clear cut saw Possessing Meares Island will not only appeal to history buffs but to anyone interested in a momentous triumph for Indigenous rights and environmental protection that echoes across the nation today
