Suggestibility Of Childrens Recollections Implications For Eyewitness Testimony:

Myers on Evidence in Child, Domestic, and Elder Abuse Cases John E. B. Myers, 2005-01-01 Investigating and litigating cases of interpersonal violence is difficult With child and elder abuse the vulnerability of the victim makes the work emotionally as well as legally taxing With domestic violence the tendency of some victims to *The Suggestibility of Children's Recollections* John Doris, 1991-01-01 This work addresses issues relevant to the reliability of children s testimony Increasing concern over the investigation and adjudication of child sexual abuse cases has raised questions about the reliability of children s eyewitness accounts and the function of child memory over time Child Eyewitness Testimony in Sexual Abuse Investigations Bruce E. Mapes, 1995 This book is written for professionals to whom a child may disclose allegations of sexual abuse or who may be responsible for the investigation of children s allegations It presents a cross section of relevant research and practical suggestions to guide the forensic investigation The first part of the book provides an overview of the forensic process and relevant rules of evidence The second part of the book defines basic competencies and support systems that the forensic investigator should have The final chapter identifies research needed to improve our understanding of sexual abuse to improve the assessment process and to facilitate more efficacious treatment strategies

Handbook Of Eyewitness Psychology 2 Volume Set Michael P. Toglia, J. Don Read, David F. Ross, R.C.L. Lindsay, 2014-05-12 The Handbook of Eyewitness Psychology presents a survey of research and legal opinions from international experts on the rapidly expanding scientific literature addressing the accuracy and limitations of eyewitnesses as a source of evidence for the courts For the first time extensive reviews of factors influencing witnesses of all ages children adults and the elderly are compiled in a single pair of volumes The disparate research currently being conducted in eyewitness memory in psychology criminal justice and legal studies is coherently presented in this work Volume 1 covers memory for events Volume 2 cover memory for people **True And False Allegations Of Child Sexual Abuse** Tara Ney, 2013-06-20 It is important for society that the backlash does not result in the reburial of the problem of child sexual abuse True and False Allegations of Child Sexual Abuse represents an important contribution to that effort This book is about conducting evaluations of allegations of child sexual abuse that take into account research knowledge and practice wisdom It is not a cookbook about how to do evaluations Rather it provides a great deal of food for thought and is aimed at child abuse professionals who can critically read and test the material against their experiences in the field It includes a wide spectrum of information approaches and opinions about child sexual abuse evaluation Children's Testimony Helen L. Westcott, Graham M. Davies, Ray Bull, 2003-11-14 Children s Testimony offers a comprehensive and up to date assessment of issues relating to children s evidence Starting with psychological underpinnings and child protection considerations the reader is taken through a clearly structured and timely collection of chapters from internationally renowned contributors Pointers for practitioners are clearly highlighted throughout and a unique jargon free glossary of psychological terms

encountered in child witness research is included making this a highly practical text. An accessible review of existing knowledge and preview of new and recent developments in psychological research and forensic practice. An outstanding group of international contributors. Offers a broad scope that considers all the key areas of research and practice. **Introduction to Psychology and Law** James R. P. Ogloff, Regina A. Schuller, 2001-01-01. Leading Canadian scholars cover a wide range of topics spanning the applications of psychology in both criminal and civil areas of law. An authoritative introduction to law and psychology for a Canadian audience. **Children's Thinking** David F. Bjorklund, Kayla B. Causey, 2017-01-04. The Sixth Edition of David F. Bjorklund and Kayla B. Causey's topically organized *Children's Thinking* presents a current comprehensive and dynamic examination of cognitive development. The book covers individual children and their developmental journeys while also following the general paths of overall cognitive development in children. This unique and effective approach gives readers a holistic view of children's cognitive development, acknowledging that while no two children are exactly alike, they tend to follow similar developmental patterns. Supported by the latest research studies and data, the Sixth Edition provides valuable insights for readers to better understand and work with children. *Tell Me What Happened* Michael E. Lamb, Irit Hershkowitz, Yael Orbach, Phillip W. Esplin, 2011-08-24. Investigation of child abuse is often hampered by doubts about the reliability of children as only sources of information. Over the last decade, consensus has been reached about children's limitations and competencies. New for the Wiley Series in the Psychology of Crime, Policing and Law, *Tell Me What Happened* summarizes key research on children's memory, communicative skills, and social tendencies, describes how it can be incorporated into a specific structured interview technique, and reviews evidence involving more than 40,000 alleged victims.

Psycho-Criminological Perspective of Criminal Justice in Asia Heng Choon (Oliver) Chan, Samuel Ho, 2017-03-27. This book offers both theoretical and practical examinations of the psycho-criminology of criminal justice in Asia, with particular emphasis on the Hong Kong and Singapore contexts. It is designed to present the current state of the field, which addresses key topics in three major sub-areas: policing and legal system, offender rehabilitation and treatment, and research and future directions. Written by academics with extensive research experience in their respective topics and senior ranking practitioners in their fields, topics include psychologists' involvement in different aspects of forensic investigation, police emotional reactions to major incidents, the application of psychological approaches in developing offender rehabilitation and treatment modules to address different offenders' criminogenic needs, and legal issues related to the insanity defence, fitness to plead, the jury system, and the procedural justice and legitimacy. An important reference for postgraduate courses, this book will be of special interest to criminologists and psychologists working in forensic settings, mental health professionals, policy makers, police personnel, prison officials, and legal executives. Chapters include: 1. Youth gang offenders in Singapore; 2. Offender rehabilitation: the Hong Kong Correctional Services Department; 3. Juries as decision makers in East Asian judicial systems: Hong Kong, the Mainland China, South Korea, and Japan; 4. The psychology of violent extremism: what we know and
